**Note 1:**

Pending deployment of funds of the Scheme shall be in terms of clause 12.16 of SEBI Master Circular. The AMC may invest funds of the Scheme in short-term deposits of scheduled commercial banks, subject to the following conditions:

- i. "Short Term" for parking of funds shall be treated as a period not exceeding 91 days.
- ii. Such short-term deposits shall be held in the name of the Scheme.
- iii. The Scheme shall not park more than 15% of their net assets in the short term deposit(s) of all the scheduled commercial banks put together. However, it may be raised to 20% with the prior approval of the Trustee. Also, parking of funds in short term deposits of associate and sponsor scheduled commercial banks together shall not exceed 20% of total deployment by the Mutual Fund in short term deposits.
- iv. The Scheme shall not park more than 10% of their net assets in short term deposit(s) with any one scheduled commercial bank including its subsidiaries.
- v. The Trustee shall ensure that the funds of the Scheme are not parked in the short term deposits of a bank which has invested in the Scheme.
- vi. The Trustee shall also ensure that the bank in which a scheme has short term deposits do not invest in the scheme until the scheme has short term deposits with such bank.
- vii. AMC will not charge any investment management and advisory fees for parking of funds in short term deposits of scheduled commercial banks.

The above provisions do not apply to term deposits placed as margins for trading in cash and derivative market.

The underlying index shall comply with the below restrictions in line with clause 3.4 of SEBI Master Circular:

- a) The index shall have a minimum of 10 stocks as its constituents.
- b) For a sectoral/ thematic Index, no single stock shall have more than 35% weight in the index. For other than sectoral/ thematic indices, no single stock shall have more than 25% weight in the index.
- c) The weightage of the top three constituents of the index, cumulatively shall not be more than 65% of the Index.
- d) The individual constituent of the index shall have a trading frequency greater than or equal to 80% and an average impact cost of 1% or less over previous six months.

The net assets of the scheme will be invested in stocks constituting the Nifty Private Bank Index. This would be done by investing in all the stocks comprising the Nifty Private Bank

Index in the same weightage that they represent in the Nifty Private Bank Index. A small portion of the net assets will be invested in Cash and Cash Equivalents.

Index futures/options are meant to be an efficient way of buying/selling an index compared to buying/selling a portfolio of physical shares representing an index for ease of execution and settlement. It can help in reducing the Tracking Error in the Scheme. Index futures/options may avoid the need for trading in individual components of the index, which may not be possible at times, keeping in mind the circuit filter system and the liquidity in some of the individual stocks. Equity Derivatives can be used as a tool for cash equitization and where the fund has got cash (within the maximum permissible asset allocation table), in case where rebalance comes, then instead of cash, index contract can be used for temporary basis. Index futures/options can also be helpful in reducing the transaction costs and the processing costs on account of ease of execution of one trade compared to several trades of shares comprising the underlying index and will be easy to settle compared to physical portfolio of shares representing the underlying index. In case of investments in index futures/options, the risk/reward would be the same as investments in portfolio of shares representing an index. However, there may be a cost attached to buying an index future/option. The Scheme will not maintain any leveraged or trading positions.

Exposure to equity derivatives of the index itself or its constituent stocks may be undertaken when equity shares are unavailable, insufficient or for rebalancing in case of corporate actions. Exposure to such derivatives will be restricted to 20% of net assets of the scheme. However, investment in derivatives will be for a temporary period on defensive considerations. The Scheme shall rebalance the portfolio in case of any deviation to the asset allocation. Such rebalancing shall be done within 7 calendar days from the date of such deviation. Investment in derivatives shall be made in accordance with clause 12.25 of SEBI Master Circular and such other guidelines on derivatives as issued by SEBI from time to time.

In accordance with clause 12.11 of the SEBI Master Circular, the Scheme will not generally deploy more than 20% of its net assets in stock lending and not more than 5% of its net assets through a single intermediary (i.e. the limit of 5% will be at broker level).

**Cumulative gross exposure -**

As per clause 12.24.1 of the SEBI Master Circular, the cumulative gross exposure through equity, derivative position and other permitted securities/ asset class as may be permitted by the Board from time to time subject to regulatory approvals, if any shall not exceed 100% of the net assets of the scheme. Cash and cash equivalents as per SEBI letter no. SEBI/HO/ IMD-II/DOF3/ OW/P/ 2021/ 31487 / 1 dated November 03, 2021 which includes T-bills, Government Securities, Repo on Government Securities and any other securities as may be allowed under the regulations prevailing from time to time subject to the regulatory approval, if any, having residual maturity of less than 91 Days, shall not be considered for the purpose of calculating gross exposure limit.

**Rebalancing of deviation due to short term defensive consideration:**

Due to market conditions, the AMC may invest beyond the range set out in the asset allocation. Such deviations shall normally be for a short term and defensive considerations as per SEBI Circular no. SEBI/HO/IMD/DF2/CIR/P/2021/024 dated March 4, 2021; the intention being at all times to protect the interests of the Unit Holders and the Scheme shall rebalance the portfolio within 7 calendar days from the date of deviation.

It may be noted that no prior intimation/indication will be given to investors when the composition/asset allocation pattern under the Scheme undergoes changes within the permitted band as indicated above.

**Portfolio rebalancing in case of passive breach:**

In line with clause 3.6.7.1 of SEBI Master Circular, in case of change in constituents of the index due to periodic review, the portfolio of Scheme shall be rebalanced within 7 calendar days.

	<p>Further, any transactions undertaken in the portfolio of Index Schemes in order to meet the redemption and subscription obligations shall be done while ensuring that post such transactions replication of the portfolio with the index is maintained at all points of time.</p> <p>In the event of involuntary corporate action, the scheme shall dispose the security not forming part of the underlying index within 7 days from the date of allotment/listing.</p> <p><b>CHANGE IN INVESTMENT PATTERN</b></p> <p>The Scheme will hold all the securities that comprise the underlying Index in the same proportion as the index.</p> <p>Expectation is that, over a period of time, the tracking error of the Scheme relative to the performance of the Underlying Index will be relatively low. The AMC would monitor the tracking error of the Scheme on an ongoing basis and would seek to minimize tracking error to the maximum extent possible. Under normal market circumstances, such tracking error is not expected to exceed by 2% p.a. for daily 12 month rolling return. However, in case of events like, dividend issuance by constituent members, rights issuance by constituent members, and market volatility during rebalancing of the portfolio following the rebalancing of the Underlying Basket, etc. or in abnormal market circumstances, the tracking error may exceed the above limits. Since the scheme is an open ended index linked equity scheme, it will endeavor that at no point of time the scheme will deviate from the index.</p>
<p><b>Investment Strategy</b></p>	<p><b>Strategy for Equity Securities</b></p> <p>The Scheme will be managed passively with investments in stocks in the same proportion as in Nifty Private Bank Index (underlying index). The investment strategy would revolve around minimizing the tracking error through periodic rebalancing of the portfolio, taking into account the change in weights of stocks in the indices as well as the incremental subscriptions / redemptions in the Scheme. A small portion of the net assets may be held as cash &amp; cash equivalents to meet the liquidity requirements under the Scheme.</p> <p><b>Strategy for Derivatives</b></p> <p>Exposure to equity derivatives of the index itself or its constituent stocks may be undertaken when equity shares are unavailable, insufficient or for rebalancing in case of corporate actions for a temporary period on defensive considerations.</p> <p>Derivative products are leveraged instruments and can provide disproportionate gains as well as disproportionate losses to the investor. Execution of such strategies depends upon the ability of the fund manager to identify such opportunities. Identification and execution of the strategies to be pursued by the fund manager involve uncertainty and decision of fund manager may not always be profitable. No assurance can be given that the fund manager will be able to identify or execute such strategies.</p> <p>The risks associated with the use of derivatives are different from or possibly greater than, the risks associated with investing directly in securities and other traditional investments.</p> <p>For detailed derivative strategies, please refer to SAI.</p> <p><b>Portfolio Turnover Policy</b></p> <p>Portfolio Turnover measures the volume of trading that occurs in a Scheme's portfolio during a given time period. The Scheme is an open-ended Exchange Traded Fund and it is expected that there may be a number of subscriptions and repurchases on a daily basis through Stock Exchange(s) or Market Makers and Large Investors. Generally, turnover will depend upon the extent of purchase and redemption of units and the need to rebalance the portfolio on account of change in the composition, if any, and corporate actions of securities included in the underlying index. However, it will be the endeavor of the Fund Manager to maintain an optimal portfolio turnover rate commensurate with the investment</p>

	objective of the Scheme and the purchase/ redemption transactions on an ongoing basis in the Scheme.											
<b>Risk Profile of the scheme</b>	<p>Mutual Fund Units involve investment risks including the possible loss of principal. Please read the SID carefully for details on risk factors before investment. Scheme specific Risk Factors are summarized below:</p> <ol style="list-style-type: none"> <li>1) Risks associated with transacting in scheme units through stock exchange mechanism</li> <li>2) Risk associated with favorable taxation of certain scheme in India,</li> <li>3) Risk factors associated with investment in passive schemes,</li> <li>4) Risks associated with Equity and Equity-related securities / investments</li> <li>5) Risk associated with Cash and Cash Equivalents</li> <li>6) Risk factors associated with investment in Tri-Party Repo</li> <li>7) Risk associated with Securities Lending &amp; Borrowing</li> <li>8) Risk associated with use of equity derivatives in the Index funds</li> <li>9) Risks associated with trading in derivatives</li> </ol> <p>For details on risk factors, please refer SID.</p> <p><b><u>RISK MITIGATION STRATEGIES</u></b></p> <p><b>Market Risk, Concentration Risk &amp; Liquidity Risk:</b> This being an open-ended scheme replicating/ tracking equity Index, above mentioned risks are inherent to this scheme similar to other equity schemes. The scheme being a passive fund will predominantly be investing in underlying index, the Investment Manager will endeavor to minimize above risks, however it will have a limited role in the same.</p> <p><b>Tracking Error and tracking difference:</b> The Investment Manager would monitor the tracking error and tracking difference of the Scheme on an ongoing basis and would seek to minimize tracking error to the maximum extent possible. The investment manager will endeavor to maintain low cash levels to minimize tracking error and tracking difference.</p> <p><b>Risks associated with Equity Derivative investments:</b> The investment managers will invest only in exchange traded derivatives (settlement guaranteed) and the investment shall be in line with guidelines and regulatory limits as specified by regulators &amp; scheme documents. No investment will be made in OTC derivative contracts for equity derivatives.</p> <p><b>Risk Associated with cash and cash equivalent:</b> The scheme will invest in securities as per the intended allocation and thus this risk are low as compared to other risk mentioned above. The AMC will endeavor to minimize the Liquidity Risk, Interest Rate Risk, Reinvestment Risk.</p> <p><b>Risks associated with Stock Lending:</b> The investment managers will ensure adherence to the limits assigned for stock lending and will ensure that the liquidity Risk is managed actively within the portfolio liquidity limits by maintaining proper asset-liability match to ensure payout of the obligations. - Mobile Number and Email Id: Unit holder(s) should mandatorily provide their mobile number and email id on the mandate form. All future communication whatsoever would be, sent to the updated mobile number and email id.
- **The OTM forms require three important and mandatory dates to be filled in:**
  - a) **Mandate Registration Date:** This date is located on the top right corner of the form. This will be the initial date from which the mandate will be registered.
  - b) **Period "From" Date:** This is the starting date of the period for which the mandate will be applicable.
  - c) **Period "To" Date:** This date will be the end of the period for which the mandate is valid. The "To" date must be within 40 years from the Mandate Registration Date This is a strict requirement and should not be exceeded.

- Unit holder(s) need to provide along with the mandate form an original cancelled cheque (or a copy) with name and account number pre-printed of the bank account to be registered or bank account verification letter for registration of the mandate failing which registration may not be accepted. The Unit holder(s) cheque/ bank account details are subject to third party verification.
- With the introduction of One Time mandate (OTM) facility, the mandate registration and SIP registration through OTM facility has been delinked. There are two separate forms, 1) for onetime mandate registration and 2) for SIP Registration.

- Transaction amount should be less than or equal to the amount as mentioned in One Time Mandate already registered or submitted, if not registered.

The Fund / AMC would present the SIP transactions without waiting for the confirmation of the successful registration from the Unit holder(s)' bank.
- In case the onetime mandate is successfully registered, new SIP registration will take upto five business days. The first debit may happen any time thereafter, based on the dates opted by the Unit holder(s).
- While the Fund and RTA reserve the right to enhance the SIP period to ensure minimum installments as per respective scheme offer documents, even if the investor has submitted the form late or requested for a period less than minimum installments, they may reject the applications for less than minimum installments.
- If start date for SIP period is not specified, SIP will be registered to start anytime from a period after five business days from the date of receipt of application based on the SIP date available / mentioned, subject to mandate being registered. If end date is not specified the SIP will be registered for 40 years from the registration date or end date of mandate, whichever is earlier.
- Under Daily SIP, the Unit Holder can invest a fixed amount into the scheme on a daily basis. Daily SIP installment shall be processed only when it is a Business Day for the scheme.
- In case of Micro SIP application without PAN, the investor/s hereby declare that they do not have any existing Micro SIPs with DSP Mutual Fund which together with the current application will result in aggregate investments exceeding Rs. 50,000 in a year.
- In case the selected date falls on a Non-Business Day or on a date which is not available in a particular month, the SIP will be processed on the immediate next business day/date.
- For SIPs through OTM, the maximum per installment amount after Top-Up shall not exceed Rs. 5 lakhs or the maximum amount mentioned in OTM form, whichever is less.
- The Top-up details cannot be modified once enrolled. In order to make any changes, the investor needs to cancel the existing SIP and enroll for a fresh SIP with Top-up option.
- DSP Mutual Fund or the AMC, its registrars and other service providers are not responsible if the registration and subsequent transaction are delayed or not effected or the investor's bank account is debited in advance or after the specific SIP date due to local holidays or any other reason.

If the bank account details mentioned are different from purchase pay-in bank, investors should attach additional documents validating the bank account like cancelled cheque with name & account number pre-printed, latest bank statement, latest pass book, bank letter in original or attested. Should the investor fail to provide the documents, the Fund/AMC/RTA reserves the right to register the pay-in bank details as the redemption bank details and use such bank account for payment of any redemption/IDCW proceeds
- b. The investor agrees that the allotment information, account statement, proceeds towards redemptions and IDCW will be despatched by a reasonable mode of despatch like courier, post, UCP, etc. in case of cheque/demand draft or directly credited to the bank account (as per the details mentioned by the investor) in case of using direct credit facility, RTGS or NEFT, entirely and solely at the risk of the investor. The investor will not hold the Mutual Fund or the AMC or the Registrar responsible for any non-receipt or delay of receipt of redemption & IDCW proceeds due to any negligence or deficiency in service by the courier company, postal authorities or the bank executing direct credits/RTGS/NEFT, or due to incorrect bank account details provided by the investor.
- c. Multiple Bank Accounts Registration Facility The fund offers its investors facility to register multiple bank accounts for pay-in & payout purposes and designate one of the bank account as Default Bank Account. This facility can be availed by using a designated 'Bank Accounts Registration Form'. In case of new investors, the bank account mentioned on the purchase application form, used for opening the folio, will be treated as default bank account till the investor gives a separate request to register multiple bank accounts and change the default bank account to any of other registered bank account. Registered bank accounts may also be used for verification of pay-ins (i.e. receiving of subscription funds) to ensure that a third party payment is not used for mutual fund subscription. - e. Consequent to introduction of 'Multiple Bank Accounts Facility', the facility of redemption with change of bank mandate is discontinued by the fund. A new non-registered bank account specified in the specific redemption request for receiving redemption proceeds will not be considered. Please note the following important points related to payment of redemption proceeds
  - i. Proceeds of any redemption request will be sent only to a bank account that is already registered and validated in the folio at the time of redemption transaction processing.
  - ii. Unit holder(s) may choose to mention any of the existing registered bank accounts with redemption request for receiving redemption proceeds. If no registered bank account is mentioned, default bank account will be used.
  - iii. If unit holder(s) provide a new and unregistered bank mandate with a specific redemption request (with or without necessary supporting documents) such bank account will not be considered for payment of redemption proceeds.
  - iv. Any request without the above mentioned documents will be treated invalid and will not be acted upon and any financial transaction, including redemptions, will be carried with the previous details only. The first holder of the mutual fund folio has to be one of the joint holders of the bank account from which payment is made via cheque/Demand Draft (DD)/Funds transfer/RTGS/NEFT. Therefore, it is important for investors to mention the bank account number, bank name & branch address from where the payment is issued and the same should match with details on payment cheque/document (where applicable). Where the payment instrument/advice does not mention the bank account holders name/s, investor should attach bank pass book copy/bank statement/bank letter to substantiate that the first unit holder is one of the joint holders of the bank account. In case the funds are transferred to the mutual fund account prior to the application rejection, then amount transferred may not be refunded or redeemed unless the investor establishes KYC with additional documentation.
- l. Returned cheques are not liable to be presented again for collection, and the accompanying application could also be rejected. In case returned cheques are presented, the necessary charges including returned charges may be debited to the investor.
