SECTION I - INTRODUCTION

A. RISK FACTORS

Standard Risk Factors:

- Investment in mutual fund Units involves investment risks such as trading volumes, settlement risk, liquidity risk, default risk, including the possible loss of principal.
- As the price / value / interest rates of the securities in which the Scheme invest fluctuates, the value of your investment in the Scheme may go up or down. In addition to the factors that affect the value of individual investments in the Scheme, the NAV of the Scheme can be expected to fluctuate with movements in the broader equity and bond markets and may be influenced by factors affecting capital and money markets in general, such as, but not limited to, changes in interest rates, currency exchange rates, changes in Governmental policies, taxation, political, economic or other developments and increased volatility in the stock and bond markets.
- Past performance of the Sponsor/AMC/Mutual Fund does not guarantee future performance of the Scheme.
- The name of the Scheme does not in any manner indicate either the quality of the Scheme or its future prospects and returns.
- The Sponsors are not responsible or liable for any loss resulting from the operation of the Scheme beyond the initial contribution of Rs. 1 lakh made by it towards setting up the Mutual Fund.
- The present Scheme is not a guaranteed or assured return Scheme.

Additional Risk Factors for Foreign Investors:

I. Political Risk

Investments in mutual fund Units in India may be materially adversely impacted by Indian politics and changes in the political scenario in India either at the central, state or local level. Actions of the central government or respective state governments in the future could have a significant effect on the Indian economy, which could affect companies, general business and market conditions, prices and yields of securities in which the Scheme invest.

The occurrence of selective unrest or external tensions could adversely affect the political and economic stability of India and consequently have an impact on the securities in which the Scheme invests. Delays or changes in the development of conducive policy frameworks could also have an impact on the securities in which the Scheme invests.

II. Economic Risk

A slowdown in economic growth or macro-economic imbalances such as the increase in central and state level fiscal deficits may adversely affect investments in the country. The underlying growth in the economy is expected to have a direct impact on the volume of new investments in the country.

III. Foreign Currency Risk

The Scheme is denominated in Indian Rupees (INR) which is different from the home currency for Foreign Investors in the mutual fund Units. The INR value of investments when translated into home currency by Foreign Investors could be lower because of the currency movements. The AMC does not manage currency risk for foreign investors and it is the sole responsibility of the Foreign Investors to manage or reduce currency risk on their own. The Sponsor/Fund/Trustees/AMC are not liable for any loss to Foreign Investors arising from such changes in exchange rates.

IV. Convertibility and Transferability Risk

In the event capital and exchange controls are imposed by the government authorities, it would prevent Foreign Investors' ability to convert INR into home currency and/or transfer funds outside India. The convertibility and transferability of INR proceeds into home currency is the responsibility of the Foreign Investors.

Scheme Specific Risk Factors

Risks associated with the Scheme's Arbitrage Strategy

The Scheme proposes to invest in equity and equity related instruments by identifying and exploiting price discrepancies in cash and derivative segments of the market. These investments by nature are volatile as the prices of the underlying securities are affected by various factors such as liquidity, time to settlement date, news flow, spreads between cash and derivatives market at different points of time, trading volumes, etc.

- There is no guarantee that the Fund Manager will be able to spot investment opportunities or correctly exploit price discrepancies in the different segments of the market.
- The risk of mispricing or improper valuation and the inability of derivatives to correlate perfectly with underlying assets, rates and indices.
- The Scheme is also expected to have a high portfolio churn, especially in a volatile market. There is an execution risk while implementing arbitrage strategies across various segments of the market, which may result in missed investment opportunities, or may also result in losses/high transaction costs.
- In case of a large outflow from the Scheme, the Scheme may need to reverse the spot-futures transaction before the settlement of the futures trade. While reversing the spot-futures transaction on the Futures and Options settlement day on the exchange, there could be a risk of volume-weighted-average-price of the market being different from the price at which the actual reversal is processed resulting in basis risk.
- While future market are typically more liquid than underlying cash market, there can be no assurance that ready liquidity would exist at all point in time for the Scheme to purchase and close out a specific futures contract.
- In case of arbitrage, if futures are allowed to expire with corresponding buy/sell in cash market, there is a risk that price at which futures expires, may/may not match with the actual cost at which it is bought/sold in the cash market in last half an hour of the expiry day (Weighted average price for buy or sell).

Risks associated with investing in equity and equity-related securities

- **Price Risk:** Equity shares and equity related instruments are volatile and prone to price fluctuations on a daily basis. Investments in equity shares and equity related instruments involve a degree of risk and investors should not invest in the Scheme unless they can afford to take the risks.
- **Liquidity Risk for listed securities:** While securities that are listed on the stock exchange carry lower liquidity risk, the ability to sell these investments is limited by the overall trading volume on the stock exchanges and may lead to the Scheme incurring losses till the security is finally sold.
- **Liquidity Risk on account of unquoted and unlisted securities:** The liquidity and valuation of the Scheme's investments, due to their holdings of unlisted securities may be affected if they have to be sold prior to their target date of divestment.

Securities, which are not quoted on the stock exchanges, are inherently illiquid in nature and carry a larger amount of liquidity risk, in comparison to securities that are listed on the exchanges or offer other exit options to the investor, including a put option. Within the Regulatory limits and in line with the proposed asset allocation, the AMC may choose to invest in unlisted securities that offer attractive yields. This may increase the risk of the portfolio.

- **Event Risk:** Price risk due to company or sector specific event. Investments in the Scheme made in foreign currency by a Unit Holder are subject to the risk of fluctuation in the value of Indian Rupee.

Risks Associated with Investment in Debt Securities and Money Market Instruments

The following risks are applicable to the extent of Scheme's investment in debt securities money market instruments:

I. Credit Risk & Market Risk

Fixed income securities (government, debt and money market securities) are subject to the risk of an issuer's inability to meet interest and principal payments on its debt obligations. The Investment Manager will endeavour to manage credit risk through in-house credit analysis. Different types of securities in which the Schemes would invest as given in the SID carry different levels of credit risk. Accordingly, the Schemes' risk may increase or decrease depending upon their investment patterns. E.g. corporate bonds carry a higher amount of risk than Government securities. Further, even among corporate bonds, bonds which are rated AAA are comparatively less risky than bonds which are AA rated.

II. Term Structure of Interest Rates (TSIR) Risk

The NAV of the Scheme's Units, to the extent that the Scheme is invested in fixed income securities, will be affected by changes in the general level of interest rates. When interest rates decline, the value of a portfolio of fixed income securities can be expected to rise. Conversely, when interest rates rise, the value of a portfolio of fixed income securities can be expected to decline.

III. Rating Migration Risk

Fixed income securities are exposed to rating migration risk, which could impact the price on account of change in the credit rating. For example: One notch downgrade of a AAA rated issuer to AA+ will have an adverse impact on the price of the security and vice-versa for an upgrade of a AA+ issuer.

IV. Re-investment Risk

The investments made by the Scheme is subject to reinvestment risk. This risk refers to the interest rate levels at which cash flows received from the securities in the Scheme are reinvested. The additional income from reinvestment is the "interest on interest" component. The risk is that the rate at which interim cash flows can be reinvested may be lower than that originally assumed.

V. Risk from zero coupon securities

As zero coupon securities do not provide periodic interest payments to the holder of the security, these securities are more sensitive to changes in interest rates. Therefore, the interest rate risk of zero coupon securities is higher. The AMC may choose to invest in zero coupon securities that offer attractive yields. This may increase the risk of the portfolio.

Market Liquidity Risk

The liquidity of investments made in the Scheme may be restricted by trading volumes besides operational issues like settlement periods and transfer procedures. Different segments of the Indian financial markets have different settlement periods and such periods may be extended significantly by unforeseen circumstances. There have been times in the past, when settlements have been unable to keep pace with the volume of securities transactions, making it difficult to conduct further transactions. Delays or other problems in settlement of transactions could result in temporary periods when the assets of the Scheme are uninvested and no return is earned thereon. The inability of the Scheme to make intended securities purchases, due to settlement problems, could cause the Scheme to miss certain investment opportunities. By the same token, the inability to sell securities held in the Scheme's portfolios, due to the absence of a well developed and liquid secondary market for debt securities, would result at times, in potential losses to the Scheme, should there be a subsequent decline in the value of securities held in the Scheme's portfolios.

Risk associated with investments in repo of corporate debt securities

In repo transactions, also known as a repo or sale repurchase agreement, securities are sold with the seller agreeing to buy them back at later date. The repurchase price should be greater than the original sale price, the difference effectively representing interest. A repo is economically similar to a secured loan, with the buyer receiving corporate debt securities as collateral to protect against

default. The Scheme may invest in repo of corporate debt securities which are subject to the following risks:

- I. **Counterparty Risk:** This refers to the inability of the seller to meet the obligation to buy back securities at the contracted price. The Investment Manager will endeavour to manage counterparty risk by dealing only with counterparties having strong credit profiles assessed through in-house credit analysis or with entities regulated by SEBI/RBI/IRDA
- II. **Collateral Risk:** In the event of default by the repo counterparty, the scheme have recourse to the corporate debt securities. Collateral risk arises when the market value of the securities is inadequate to meet the repo obligations. This risk is mitigated by restricting participation in repo transactions only in AA and above rated money market and corporate debt securities. In addition, appropriate haircuts are applied on the market value of the underlying securities to adjust for the illiquidity and interest rate risk on the underlying instrument.

Risks associated with investments in Securitised Assets:

A securitization transaction involves sale of receivables by the originator (a bank, non-banking finance company, housing finance company, or a manufacturing/service company) to a Special Purpose Vehicle (SPV), typically set up in the form of a trust. Investors are issued rated Pass Through Certificates (PTCs), the proceeds of which are paid as consideration to the originator. In this manner, the originator, by selling his loan receivables to an SPV, receives consideration from investors much before the maturity of the underlying loans. Investors are paid from the collections of the underlying loans from borrowers. Typically, the transaction is provided with a limited amount of credit enhancement (as stipulated by the rating agency for a target rating), which provides protection to investors against defaults by the underlying borrowers.

Some of the risk factors typically analyzed for any securitization transaction are as follows:

- **Risks associated with asset class:** Underlying assets in securitised debt may assume different forms and the general types of receivables include commercial vehicles, auto finance, credit cards, home loans or any such receipts. Credit risks relating to these types of receivables depend upon various factors including macro economic factors of these industries and economies. Specific factors like nature and adequacy of collateral securing these receivables, adequacy of documentation in case of auto finance and home loans and intentions and credit profile of the borrower influence the risks relating to the asset borrowings underlying the securitised debt.

- **Risks associated with pool characteristics:**

(a) Size of the loan: This generally indicates the kind of assets financed with loans. While a pool of loan assets comprising of smaller individual loans provides diversification, if there is excessive reliance on very small ticket size, it may result in difficult and costly recoveries.

(b) Loan to Value Ratio: This Indicates how much percentage value of the asset is financed by borrower's own equity. The lower LTV, the better it is. This ratio stems from the principle that where the borrowers own contribution of the asset cost is high, the chances of default are lower. To illustrate for a Truck costing Rs. 20 lakh, if the borrower has himself contributed Rs.10 lakh and has taken only Rs. 10 lakh as a loan, he is going to have lesser propensity to default as he would lose an asset worth Rs. 20 lakh if he defaults in repaying an installment. This is as against a borrower who may meet only Rs. 2 lakh out of his own equity for a truck costing Rs. 20 lakh. Between the two scenarios given above, the later would have higher risk of default than the former.

(c) Original maturity of loans and average seasoning of the pool : Original maturity indicates the original repayment period and whether the loan tenors are in line with industry averages and borrower's repayment capacity. Average seasoning indicates whether borrowers have already displayed repayment discipline. To illustrate, in the case of a personal loans, if a pool of assets consist of those who have already repaid 80% of the installments without default, this certainly is a superior asset pool than one where only 10% of installments have been paid. In the former case, the portfolio has already demonstrated that the repayment discipline is far higher.

(d) Default rate distribution: This indicates how much % of the pool and overall portfolio of the originator is current, how much is in 0-30 DPD (days past due), 30-60 DPD, 60-90 DPD and so on. The rationale here is very obvious, as against 0-30 DPD, the 60-90 DPD is certainly a higher risk category.

- **Credit Rating and Adequacy of Credit Enhancement:** Unlike in plain vanilla instruments, in securitisation transactions, it is possible to work towards a target credit rating, which could be much higher than the originator's own credit rating. This is possible through a mechanism called "Credit enhancement". The process of "Credit enhancement" is fulfilled by filtering the underlying asset classes and applying selection criteria, which further diminishes the risks inherent for a particular asset class. The purpose of credit enhancement is to ensure timely payment to the investors, if the actual collection from the pool of receivables for a given period is short of the contractual payout on securitisation. Securitisation is normally non-recourse instruments and therefore, the repayment on securitisation would have to come from the underlying assets and the credit enhancement. Therefore the rating criteria centrally focus on the quality of the underlying assets.

The Scheme will predominantly invest in those securitisation issuances which have AA and above rating indicating high level of safety from credit risk point of view at the time of making an investment. However, there is no assurance by the rating agency either that the rating will remain at the same level for any given period of time or that the rating will not be lowered or withdrawn entirely by the rating agency.

- **Limited Liquidity & Price Risk:** Presently, the secondary market for securitised papers is not very liquid. There is no assurance that a deep secondary market will develop for such securities. This could limit the ability of the investor to resell them. Even if a secondary market develops and sales were to take place, these secondary transactions may be at a discount to the initial issue price due to changes in the interest rate structure.

- **Limited Recourse to Originator & Delinquency:** Securitised transactions are normally backed by pool of receivables and credit enhancement as stipulated by the rating agency, which differ from issue to issue. The Credit Enhancement stipulated represents a limited loss cover to the Investors. These Certificates represent an undivided beneficial interest in the underlying receivables and there is no obligation of either the Issuer or the seller or the originator, or the parent or any affiliate of the seller, issuer and originator. No financial recourse is available to the Certificate Holders against the Investors' Representative. Delinquencies and credit losses may cause depletion of the amount available under the credit enhancement and thereby the investor payouts may get affected if the amount available in the credit enhancement facility is not enough to cover the shortfall. On persistent default of an obligor to repay his obligation, the servicer may repossess and sell the underlying Asset. However many factors may affect, delay or prevent the repossession of such asset or the length of time required to realize the sale proceeds on such sales. In addition, the price at which such asset may be sold may be lower than the amount due from that Obligor.

- **Risks due to possible prepayments: Weighted Tenor / Yield:** Asset securitisation is a process whereby commercial or consumer credits are packaged and sold in the form of financial instruments Full prepayment of underlying loan contract may arise under any of the following circumstances;

- a. Obligor pays the receivable due from him at any time prior to the scheduled maturity date of that receivable; or
- b. Receivable is required to be repurchased by the seller consequent to its inability to rectify a material misrepresentation with respect to that Receivable; or
- c. The servicer recognizing a contract as a defaulted contract and hence repossessing the underlying asset and selling the same.
- d. In the event of prepayments, investors may be exposed to changes in tenor and yield.

- **Bankruptcy of the Originator or Seller:** If originator becomes subject to bankruptcy proceedings and the court in the bankruptcy proceedings concludes that the sale from originator to trust was not a sale then an Investor could experience losses or delays in the payments due. All possible care is generally taken in structuring the transaction so as to minimize the risk of the sale to Trust not being construed as a 'True Sale'. Legal opinion is normally obtained to the effect that the assignment of Receivables to Trust in trust for and for the benefit of the Investors, as envisaged herein, would constitute a true sale.

- **Bankruptcy of the Investor's Agent:** If Investor's agent, becomes subject to bankruptcy proceedings and the court in the bankruptcy proceedings concludes that the recourse of Investor's Agent to the assets/receivables is not in its capacity as agent/Trustee but in its personal capacity,

then an Investor could experience losses or delays in the payments due under the agreement. All possible care is normally taken in structuring the transaction and drafting the underlying documents so as to provide that the assets/receivables if and when held by Investor's Agent is held as agent and in Trust for the Investors and shall not form part of the personal assets of Investor's Agent. Legal opinion is normally obtained to the effect that the Investors Agent's recourse to assets/receivables is restricted in its capacity as agent and trustee and not in its personal capacity.

- **Risk of co-mingling:** The servicers normally deposit all payments received from the obligors into the collection account. However, there could be a time gap between collection by a servicer and depositing the same into the collection account especially considering that some of the collections may be in the form of cash. In this interim period, collections from the loan agreements may not be segregated from other funds of the servicer. If the servicer fails to remit such funds due to Investors, the Investors may be exposed to a potential loss. Due care is normally taken to ensure that the Servicer enjoys highest credit rating on standalone basis to minimize co-mingling risk.

- **Risks relating to tax incidence on securitization Special Purpose Vehicles:** In October 2011, the income tax authorities issued a claim on certain securitisation SPVs, stating that the gross income of such SPVs was liable to tax. The matter is presently under sub judice with the Bombay High Court. Several industry participants approached the Ministry of Finance (MoF) to seek clarity and reinforce the "pass through" status of a securitisation SPV. The Finance Bill, 2013, has sought to clarify the tax position by stating that securitisation SPVs are not liable to pay income tax. However, any tax incidence on gross income of SPVs could result in dilution of payouts to investors.

Liquidity Risk on account of unlisted securities

The liquidity and valuation of the Scheme's investments due to their holdings of unlisted securities may be affected if they have to be sold prior to their target date of divestment.

Risks Associated With Transaction in Units Through Stock Exchange Mechanism

In respect of transactions in Units of the Scheme through NSE and/or BSE or any other recognized stock exchange, allotment and redemption of Units on any Business Day will depend upon the order processing/settlement by NSE, BSE or such other exchange and their respective clearing corporations on which the Mutual Fund has no control. Further, transactions conducted through the stock exchange mechanism shall be governed by the operating guidelines and directives issued by NSE, BSE or such other recognized exchange in this regard.

Risk associated with Equity Oriented Schemes

Equity oriented mutual fund mean a fund which has been set up under a scheme of a Mutual Fund specified under clause (23D) of Income Tax Act, 1961 where more than 65% of the investible funds are invested in equity shares of domestic companies. The percentage of equity shareholding of the fund shall be computed with reference to the annual average of the monthly averages of the opening and closing figures. In an event where the percentage of annual average of monthly averages of equity shares of domestic companies falls below 65% of the investible funds, than the scheme may be classified as Non Equity Oriented Fund and it may have additional tax implication on investors.

Risks Associated with Trading In Derivatives

Derivatives require the maintenance of adequate controls to monitor the transactions and the embedded market risks that a derivative adds to the portfolio. Besides the price of the underlying asset, the volatility, tenor and interest rates affect the pricing of derivatives.

Trading in derivatives carries a high degree of risk although they are traded at a relatively small amount of margin which provides the possibility of great profit or loss in comparison with the principal investment amount. Thus, derivatives are highly leveraged instruments. Even a small price movement in the underlying security could have an impact on their value and consequently, on the NAV of the Units of the Scheme

Other risks in using derivatives include but are not limited to:

- (a) Counterparty Risk - this occurs when a counterparty fails to abide by its contractual obligations and therefore, the Schemes are compelled to negotiate with another counter party, at the then prevailing (possibly unfavourable) market price. For exchange traded derivatives, the risk is mitigated as the exchange provides the guaranteed settlement but one takes the performance risk on the exchange.
- (b) Market Liquidity risk where the derivatives cannot be transacted at prices that reflect the underlying assets, rates and indices.
- (c) Model Risk, the risk of mis-pricing or improper valuation of derivatives.
- (d) Basis Risk arises when the instrument used as a hedge does not match the movement in the instrument/ underlying asset being hedged.

The risks may be inter-related also; for e.g. interest rate movements can affect equity prices, which could influence specific issuer/industry assets. Derivative products are leveraged instruments and can provide disproportionate gains as well as disproportionate losses to the investor. Execution of such strategies depends upon the ability of the investment manager to identify such opportunities. Identification and execution of the strategies to be pursued by the investment manager involve uncertainty and decision of investment manager may not always be profitable. No assurance can be given that the investment manager will be able to identify or execute such strategies.

Derivative trades involve execution risks, whereby the rates seen on the screen may not be the rate at which ultimate execution takes place.

- The option buyer's risk is limited to the premium paid.
- Investments in index futures face the same risk as the investments in a portfolio of shares representing an index. The extent of loss is the same as in the underlying stocks.
- Risk of loss in trading in futures contracts can be substantial, because of the low margin deposits required, the extremely high degree of leverage involved in futures pricing and potential high volatility of the futures markets.

The risks associated with the use of derivatives are different from or possibly greater than, the risks associated with investing directly in securities and other traditional investments.

- **Risks associated with Securities Lending & Borrowing and Short Selling**

Securities Lending and Borrowing ("SLB") is an exchange traded product in India, with trades done on order matching platforms setup by the clearing corporation/house of recognized stock exchanges. In accordance with SEBI guidelines, there is a robust risk management system and safeguards exercised by the clearing corporation/house, which also guarantee financial settlement hence eliminating counterparty risk on borrowers.

The Scheme may participate as a lender in the SLB market and lend securities held in the portfolio for earning fees from such lending to enhance revenue of the Scheme. The key risk to the Scheme is creation of temporary illiquidity due to the inability to sell such lent securities, till the time such securities are returned on the contractual settlement date or on exercise of early recall.

The Scheme may enter into short selling transactions in accordance with the guidelines prescribed by SEBI. The key risk to the Scheme is increase in the price of such securities, requiring the Scheme to purchase the securities sold short to cover the position even at unreasonable prices resulting in a loss to the Scheme.

- **Risks associated with Real Estate Investment Trust ('REIT') & Infrastructure Investment Trust ('InvIT')**

Risk of lower than expected distributions: The distributions by the REIT or InvIT will be based on the net cash flows available for distribution. The amount of cash available for distribution principally depends upon the amount of cash that the REIT/INVIT receives as dividend or the interest and principal payments from portfolio assets. The cash flows generated by portfolio assets from operations may fluctuate based on, among other things

- success and economic viability of tenants and off-takers

- economic cycles and risks inherent in the business which may negatively impact valuations, returns and profitability of portfolio assets
- force majeure events related such as earthquakes, floods etc. rendering the portfolio assets inoperable
- debt service requirements and other liabilities of the portfolio assets
- fluctuations in the working capital needs of the portfolio assets
- ability of portfolio assets to borrow funds and access capital markets
- changes in applicable laws and regulations, which may restrict the payment of IDCW by portfolio assets
- amount and timing of capital expenditures on portfolio assets
- insurance policies may not provide adequate protection against various risks associated with operations of the REIT/InvIT such as fire, natural disasters, accidents

Price-Risk: The valuation of the REIT/InvIT units may fluctuate based on economic conditions, fluctuations in markets (eg. real estate) in which the REIT/InvIT operates and the resulting impact on the value of the portfolio of assets, regulatory changes, force majeure events etc. REITs & InvITs may have volatile cash flows. As an indirect shareholder of portfolio assets, unit holders rights are subordinated to the rights of creditors, debt holders and other parties specified under Indian law in the event of insolvency or liquidation of any of the portfolio assets

Interest-Rate Risk: Generally, when interest rates rise, prices of units fall and when interest rates drop, such prices increase.

Liquidity Risk: This refers to the ease with which REIT/InvIT units can be sold. There is no assurance that an active secondary market will develop or be maintained. Hence there would be time when trading in the units could be infrequent. The subsequent valuation of illiquid units may reflect a discount from the market price of comparable securities for which a liquid market exists.

- **Risks associated with Overseas Investments**

Subject to necessary approvals, in terms of all applicable guidelines issued by SEBI and RBI from time to time and within the investment objectives of the Schemes, the Schemes may invest in overseas markets and securities which carry a risk on account of fluctuations in the foreign exchange rates, nature of securities market of the country concerned, repatriation of capital due to exchange controls and political circumstances.

- **Risk Factors Associated with Imperfect Hedging using Interest Rate Futures**

1. **Basis Risk** – risk associated with divergence in the price movement of the portfolio being hedged and the price movement of the derivative serving as the hedge e.g. a loss (gain) in the market value of bonds in the portfolio (or the part thereof that is being hedged), may be accompanied by a disproportionate gain (loss) in the market value of the derivatives being used to serve as the hedge. This imperfect correlation between the two investments creates the potential for excess gains or losses in a hedging strategy, thus adding risk to the position.
2. **Mispricing Risk, or improper valuation** – market circumstances may necessitate unwinding the derivative positions at sub-optimal prices during periods of market dislocation triggered by contagion or tumult e.g. if the expected upward trajectory of yields reverses course and begins to spiral downward, most participants with short Interest Rate Futures positions are likely to seek an unwinding, leading to a potential amplification in the adverse price movement, and impact therefrom.
3. **Correlation weakening, and consequent risk of regulatory breach** – SEBI regulation mandates a minimum correlation criteria of 0.9 (calculated on a 90 day basis) between the portfolio being hedged and the derivative serving as the hedge; in cases where this limit is breached (i.e. when the 90-day correlation falls below 0.9), a rebalancing period of 5 working days has been permitted.
Inability to satisfy this requirement within the stipulated period due to difficulties in rebalancing would lead to a lapse of the exemption in gross exposure computation. The entire

derivative exposure would then need to be included in gross exposure, which may result in gross exposure in excess of 100% of net asset value; leverage is not permitted as per SEBI guidelines.

- **Risk factors associated with investments in Perpetual Debt Instrument (PDI)**

Perpetual Debt instruments are issued by Banks, NBFCs and corporates to improve their capital profile. Some of the PDIs issued by Banks which are governed by the RBI guidelines for Basel III Capital Regulations are referred to as Additional Tier I (AT1 bonds). While there are no regulatory guidelines for issuance of PDIs by corporate bodies, NBFCs issue these bonds as per guidelines issued by RBI. The instruments are treated as perpetual in nature as there is no fixed maturity date. The key risks associated with these instruments are highlighted below:

I. Risk on coupon servicing:

- Banks: As per the terms of the instruments, Banks have discretion at all times to cancel distributions/ payment of coupons.
- NBFCs: While NBFCs have discretion at all times to cancel payment of coupon, coupon can also be deferred (instead of being cancelled), in case paying the coupon leads to breach of capital ratios.
- Corporates: Corporates usually have discretion to defer the payment of coupon. However, the coupon is usually cumulative and any deferred coupon shall accrue interest at the original coupon rate of the PDI.

II. Risk of write-down or conversion into equity:

- Banks: As per current RBI guidelines, banks have to maintain a Common Equity Tier-1 (CET-1) ratio of minimum 5.5% of Risk Weighted Assets (RWAs), failing which the AT-1 bonds can get written down. Further, AT-1 Bonds are liable to be written down or converted to common equity, at the discretion of RBI, in the event of Point of Non Viability Trigger (PONV). PONV is a point, determined by RBI, when a bank is deemed to have become non-viable unless there is a write off/ conversion to equity of AT-1 Bonds or a public sector capital injection happens. The write off/conversion has to occur prior to public sector injection of capital. This risk is not applicable in case of NBFCs and Corporates

III. Risk of instrument not being called by the Issuer:

- Banks: The issuing banks have an option to call back the instrument after minimum period of 5 years from the date of issuance and typically annually thereafter, subject to meeting the RBI guidelines. However, if the bank does not exercise the call on first call date, the Scheme may have to hold the instruments for a period beyond the first call exercise date.
- NBFCs: The NBFC issuer has an option to call back the instrument after minimum period of 10 years from date of issuance and typically annually thereafter, subject to meeting the RBI guidelines. However, if the NBFC does not exercise the call option the Scheme may have to hold the instruments for a period beyond the first call exercise date.
- Corporates There is no minimum period for call date. However, if the corporate does not exercise the call option, the Scheme may have to hold the instruments for a period beyond the call exercise date

IV. Risk of rating downgrades: The Rating agencies, which rate the instruments, have a slightly different rating methodology for these Instruments compared to plain vanilla bonds. In the event of deterioration of the financial health of the Issuer or due to other reasons, the rating of the Perpetual Debt Instruments may be downgraded whilst the ratings of other bonds issued by the issuer may remain constant. In such a scenario, Perpetual Debt Instrument holders may incur losses on their investment

V. Liquidity risk: There may be no active market for the Perpetual Debt Instruments on the platform of the Stock Exchanges. As a result, the liquidity and market prices of the Perpetual Debt Instruments may fail to develop and may accordingly be adversely affected. There is no assurance that a trading market for the Perpetual Debt Instruments will exist and no assurance as to the liquidity of any trading market. The liquidity and market prices of the Perpetual Debt Instruments can be expected to vary with changes in market and economic conditions, financial condition and prospects and other factors that generally influence market price of such instruments. Such

fluctuations may significantly affect the liquidity and market price of these Instruments, which may trade at a discount to the price at which one purchases these instruments.

- **Risks of Writing of Call Option Under a Covered Call Strategy-**
 - 1) Writing call options are highly specialized activities and entail higher than ordinary investment risks. In such investment strategy, the profits from call option writing is capped at the option premium, however the downside depends upon the increase in value of the underlying equity shares. This downside risk is reduced only to the extent of premium received by writing covered call options.
 - 2) The Scheme may write covered call option only in case it has adequate number of underlying equity shares as per regulatory requirement. This would lead to setting aside a portion of investment in underlying equity shares. If covered call options are sold to the maximum extent allowed by regulatory authority, the scheme may not be able to sell the underlying equity shares immediately if the view changes to sell and exit the stock. The covered call options need to be unwound before the stock positions can be liquidated. This may lead to a loss of opportunity or can cause exit issues if the strike price at which the call option contracts have been written become illiquid. Hence, the scheme may not be able to sell the underlying equity shares, which can lead to temporary illiquidity of the underlying equity shares and result in loss of opportunity.
 - 3) The writing of covered call option would lead to loss of opportunity due to appreciation in value of the underlying equity shares. Hence, when the appreciation in equity share price is more than the option premium received the scheme would be at a loss.
 - 4) The total gross exposure related to option premium paid and received must not exceed the regulatory limits of the net assets of the scheme. This may restrict the ability of Scheme to buy any options.
 - 5) Increased volatility in the market may result in higher premium and marked to market losses in NAV for all the existing short option position even at the same price of underlying stock.

RISK MANAGEMENT STRATEGIES

- **Risks associated with Scheme's Arbitrage strategy**
 - **Liquidity Risk:** However the Scheme will aim at taking exposure only into liquid stocks/derivatives where there will be minimal risk to square off the transaction. The Scheme will ensure this by analyzing historical data of volume and open interest.
 - **Market Risk:** The Scheme will endeavour to cover or square off the positions as soon as possible and maintain a net market neutral position.
 - **Opportunities Risk:** In absence of profitable arbitrage opportunities available in the market, the Scheme may predominantly invest in cash, short term debt and money market securities.

- **Market Liquidity Risk for Equity and Fixed Income securities**

The liquidity risk will be managed and/or sought to be addressed predominantly by investing predominantly in a portfolio of securities which have high secondary market liquidity.

- **Credit Risk**

Credit Risk associated with fixed income securities will be managed by making investments in securities issued by borrowers, which have a good credit profile. The credit research process includes a detailed in-house analysis and due diligence. Limits are assigned for each of the issuer (other than government of India); these limits are for the amount as well as maximum permissible tenor for each issuer. The credit process ensures that issuer level review is done at inception as well as periodically by taking into consideration the balance sheet and operating strength of the issuer.

- **Term Structure of Interest Rates (TSIR) Risk**

The Investment Manager will endeavour to actively manage the duration based on the ensuing market conditions.

- **Rating Migration Risk**

The endeavour is to invest in high grade/quality securities. The due diligence performed by the fixed income team before assigning credit limits and the periodic credit review and monitoring should address company-specific issues.

- **Re-investment Risk**

The Investment Manager will endeavour that besides the tactical and/or strategic interest rate calls, the portfolio is fully invested.

- **Risk associated with Derivatives**

Equity derivatives have been used actively and we envisage this Scheme will also use equity derivatives, both for directional (including equitisation of cash) and yield enhancement strategies. The credit risk associated with equity derivatives is defeased as only exchange traded equity derivatives are permitted.

The guidelines issued by SEBI / RBI from time to time for forward rate agreements and interest rate swaps and other derivative products would be adhered to.

For performance, portfolio and regulatory limits for derivatives, there is an established daily monitoring process. As limits could be breached because of changes in the open interest, which is a function of marketwide activity and not specific to the Scheme and are not in control, there are hard and soft limits. Any breach beyond the soft limit is immediately rectified and brought within the limit specified.

- **Risk associated with investment in equity and equity related instruments**

The Investment Manager endeavors to invest in companies, where adequate due diligence has been performed by the Investment Manager. As not all these companies are very well researched by third-party research companies, the Investment Manager also relies on its own research. This involves one to one meetings with the management of companies, attending conferences and analyst meets and also tele-conferences. The company-wise analysis will focus, amongst others, on the historical and current financial condition of the company, potential value creation/unlocking of value and its impact on earnings growth, capital structure, business prospects, policy environment, strength of management, responsiveness to business conditions, product profile, brand equity, market share, competitive edge, research, technological know-how and transparency in corporate governance.

- **Risk associated with investments in repo of corporate debt securities**

The Investment Manager will endeavor to manage counterparty risk in corporate debt repos by dealing only with counterparties having strong credit profiles. These could include SEBI regulated mutual funds, RBI regulated Banks, Non-Banking Finance Companies, Primary Dealers and IRDA regulated Insurance companies. Corporates for whom credit limits have been assigned are eligible counterparties. These corporates should have a minimum investment grade credit rating. For new counterparties, approval from Head - Risk will be taken and an assessment will be done by the Quantitative Investment & Analytics team. The collateral risk is mitigated by restricting participation in repo transactions only in AA and above rated money market and corporate debt securities, where potential for downgrade/default is low. In addition, appropriate haircuts are applied on the market value of the underlying securities to adjust for the illiquidity and interest rate risk on the underlying instrument.

- **Risks associated with Securities Lending & Borrowing and Short Selling**

Securities Lending and Borrowing ("SLB") is an exchange traded product in India, with trades done on order matching platforms setup by the clearing corporation/house of recognized stock exchanges. In accordance with SEBI guidelines, there is a robust risk management system and

safeguards exercised by the clearing corporation/house, which also guarantee financial settlement hence eliminating counterparty risk on borrowers.

The Scheme may participate as a lender in the SLB market and lend securities held in the portfolio for earning fees from such lending to enhance revenue of the Scheme. The key risk to the Scheme is creation of temporary illiquidity due to the inability to sell such lent securities, till the time such securities are returned on the contractual settlement date or on exercise of early recall.

The Scheme may enter into short selling transactions in accordance with the guidelines prescribed by SEBI. The key risk to the Scheme is increase in the price of such securities, requiring the Scheme to purchase the securities sold short to cover the position even at unreasonable prices resulting in a loss to the Scheme.

- **Risks associated with REITs & InvITs**

The Investment Manager endeavours to invest in REITs/InvITs, where adequate due diligence and research has been performed by the Investment Manager. The Investment Manager also relies on its own research as well as third party research. This involves one-to-one meetings with the managements, attending conferences and analyst meets and also tele-conferences. The analysis will focus, amongst others, on the predictability and strength of cash flows, value of assets, capital structure, business prospects, policy environment, strength of management, responsiveness to business conditions, etc.

- **Risks Associated With Overseas Investments:**

The portfolio is predominantly in INR denominated securities. Should there be investments in ADRs/GDRs of Indian companies or foreign securities, the investment process of the fund manager will ensure that a comprehensive company specific due diligence is performed.

B. REQUIREMENT OF MINIMUM INVESTORS IN THE SCHEME

The Scheme/Plans shall have a minimum of 20 investors each and no single investor shall account for more than 25% of the corpus of the Scheme(s)/Plan(s). These conditions shall be complied with, in each calendar quarter on an average basis, as specified by SEBI. In case of non-fulfillment of the condition of 20 investors in a calendar quarter, the provisions of Regulation 39(2)(c) of the SEBI (MF) Regulations shall become applicable automatically without any reference from SEBI, and accordingly the Scheme/ Plan(s) shall be wound up and the units redeemed at the relevant applicable NAV. If there is breach of the 25% limit by any investor over the quarter, a rebalancing period of one month would be available and thereafter, the investor who is in breach of the rule, shall be given 15 days notice to redeem his exposure over the 25% limit. Failure on the part of the said investor to redeem his exposure over the 25 % limit within the aforesaid 15 days would lead to automatic redemption on the applicable Net Asset Value on the 15th day of the notice period. The Fund shall adhere to the requirements prescribed by SEBI from time to time in this regard.

C. SPECIAL CONSIDERATIONS

SECTION II - INFORMATION ABOUT THE SCHEME

A. TYPE OF THE SCHEME

An open ended scheme investing in equity, arbitrage and debt.

B. WHAT IS THE INVESTMENT OBJECTIVE OF THE SCHEME?

The investment objective of the Scheme is to generate income through investments in fixed income securities and using arbitrage and other derivative Strategies. The Scheme also intends to generate long-term capital appreciation by investing a portion of the Scheme's assets in equity and equity related instruments.

However, there can be no assurance that the investment objective of the scheme will be realized.

C. HOW WILL THE SCHEME ALLOCATE ITS ASSETS?

Under normal circumstances, when adequate arbitrage opportunities are available and accessible in the cash and derivative market segment, the asset allocation of the Scheme will be as follows:

Table 1:

Instruments	Indicative allocations (% of total assets)		Risk Profile
	Minimum	Maximum	
A. Equity & Equity related instruments including derivatives	65%	75%	Very High
A1. Of which cash-futures arbitrage*	10%	55%	Low to Moderate
A2. Of which net long equity exposure^	20%	55%	Very High
B. Debt and money market instruments	10%	35%	Low to Moderate
C. Units issued by REITs & InvITs	0%	10%	Very High

When adequate arbitrage opportunities are not available and accessible in the cash and derivative market segment (Defensive Consideration), the asset allocation of the Scheme will be as follows:

Table 2:

Instruments	Indicative allocations (% of total assets)		Risk Profile
	Minimum	Maximum	
A. Equity & Equity related instruments including derivatives	55%	65%	Very High
A1. Of which cash-futures arbitrage*	0%	45%	Low to Moderate
A2. Of which net long equity exposure^	20%	55%	Very High
B. Debt and money market instruments	25%	60%	Low to Moderate
C. Units issued by REITs & InvITs	0%	10%	Very High

*Refers to equity exposure completely hedged with corresponding equity derivatives

^Refers to only net long equity exposures aimed to gain from potential capital appreciation and thus is a directional equity exposure which will not be hedged

The Scheme retains the flexibility to invest across all the securities in the debt and money markets as permitted by SEBI / RBI from time to time, including schemes of mutual funds.

The scheme may also invest in derivatives instruments to the extent of 80% of the Net Assets as permitted vide SEBI Circular no. DNP/ Cir 29/2005 dated September 14, 2005 and SEBI Circular No. DNP/ Cir-30/2006 dated January 20, 2006, SEBI circular No. SEBI/DNP/ Cir-31/2006 dated September 22, 2006 and SEBI Circular No. Cir/IMD/ DF/ 11/ 2010 dated August 18, 2010. The Scheme may use fixed income derivative instruments, subject to the guidelines as may be issued by SEBI and RBI and for such purposes as maybe permitted from time to time, including for the purpose of hedging and portfolio balancing, based on the opportunities available.

The Scheme can take exposure upto 20% of its net assets in stock lending. The Scheme shall also not lend more than 5% of its net assets to any counter party.

Under normal circumstances the Scheme shall not have an exposure of more than 25% of its net assets in foreign assets/securities, subject to applicable regulatory limits.

Investment in Securitized Debt could be upto 20% of the Net Assets under the Scheme.

The Scheme may enter into short selling transactions in accordance with the framework relating to short selling specified by SEBI. The Scheme may also participate in repo of money market and corporate debt securities.

The cumulative gross exposure through equity, debt, derivative positions (including fixed income derivatives), repo transactions and Real Estate Investment Trusts (REITs), Infrastructure Investment Trusts (InvITs), other permitted securities/assets and such other securities/assets as may be permitted by the Board from time to time should not exceed 100% of the net assets of the scheme. The Scheme will not have a leveraged position in derivatives. The Scheme will not invest in equity linked debentures.

Pending deployment of funds of the Scheme, the AMC may invest funds of the Scheme in short-term deposits of scheduled commercial banks, subject to the following conditions issued by SEBI vide its circular SEBI/IMD/CIR No. 1/91171 /07 dated April 16, 2007, SEBI/HO/IMD/DF4/CIR/P/2019/093 dated August 16, 2019 and SEBI/HO/IMD/DF2/CIR/P/2019/101 dated September 20, 2019:

1. The term 'short term' for parking of funds shall be treated as a period not exceeding 91 days.
2. Such deposits shall be held in the name of the Scheme.
3. The Scheme shall not park more than 15% of its net assets in the short term deposit(s) of all the scheduled commercial banks put together. However, it may be raised to 20% with the prior approval of the Trustee. Also, parking of funds in short term deposits of associate and sponsor scheduled commercial banks together shall not exceed 20% of total deployment by the Mutual Fund in short term deposits.
4. The Scheme shall not park more than 10% of its net assets in short term deposit(s) with any one scheduled commercial bank including its subsidiaries.
5. The Trustee shall ensure that the funds of the Scheme are not parked in the short term deposits of a bank which has invested in that Scheme.
6. AMC will not charge any investment management and advisory fees for parking of funds in short term deposits of scheduled commercial banks.
7. The Trustee shall also ensure that the bank in which a scheme has short term deposits do not invest in the scheme until the scheme has short term deposits with such bank.

The above provisions do not apply to term deposits placed as margins for trading in cash and derivative market.

Portfolio Rebalancing:

a. Action with respect to passive breaches in light of SEBI circular dated March 30, 2022 (For Table 1):

As per the SEBI circular No. SEBI/HO/IMD/IMD-II DOF3/P/CIR/2022/39 dated March 30, 2022 and the clarifications/ guidelines issued by AMFI/ SEBI from time to time, the Scheme shall rebalance the portfolio in case of any passive deviation (occurrence of instances not arising out of omission and commission of AMCs), to the asset allocation. Such rebalancing shall be done within 30 business days from the date of occurrence of deviation. Where the portfolio is not rebalanced within above mentioned period, justification in writing, including details of efforts taken to rebalance the portfolio shall be placed before Investment Committee. The Investment Committee, if so desires, can extend the timelines up to sixty (60) business days from the date of completion of mandated rebalancing period.

b. Action with respect to breaches on defensive consideration in light of SEBI circular dated March 04, 2021 (for Table 1 & 2):

In addition to above, SEBI circular no. SEBI/HO/IMD/DF2/CIR/P/2021/024 dated March 04, 2021 allows scheme to alter the asset allocation for a short term period on defensive considerations. In such a case, the Scheme shall rebalance the portfolio within 30 calendar days from the date of occurrence of such deviation. The intention being at all times to protect the interests of the Unit Holders.

However, at all times the portfolio will adhere to the overall investment objectives of the Scheme.

It may be noted that no prior intimation/indication will be given to investors when the composition/asset allocation pattern under the Scheme undergoes changes within the permitted band as indicated above.

D. WHERE WILL THE SCHEME INVEST?

Subject to the Regulations and the disclosures as made under the section “How the Scheme will allocate its Assets”, the corpus of the Scheme can be invested in any (but not exclusively) of the following securities:

1. Equity and equity related Instruments
2. Equity Derivatives, which are financial instruments, generally traded on the stock exchange, the price of which is directly dependent upon (i.e., “derived from”) the value of equity shares or equity indices. Derivatives involve the trading of rights or obligations based on the underlying, but do not directly transfer property
3. Securities created and issued by the Central and State Governments and/or repos/reverse repos in such Government Securities as may be permitted by RBI (including but not limited to coupon bearing bonds, zero coupon bonds and treasury bills);
4. Securities guaranteed by the Central and State Governments (including but not limited to coupon bearing bonds, zero coupon bonds and treasury bills);
5. Fixed Income Securities of domestic Government agencies and statutory bodies, which may or may not carry a Central/State Government guarantee;
6. Corporate debt (of both public and private sector undertakings);
7. Money market instruments as permitted by SEBI/RBI;
8. Usance bills;
9. Securitised Debt;
10. The non-convertible part of convertible securities;
11. Any other domestic fixed income securities as permitted by SEBI/ RBI from time to time.
12. Derivative instruments like Interest Rate Swaps, Forward Rate Agreements, Interest Rate Derivatives and such other derivative instruments permitted by SEBI/RBI.
13. Investment in units of Real Estate Investment Trust (‘REIT’) & Infrastructure Investment Trust (‘InvIT’)
14. ADR, GDR and other foreign securities.

Debt and money market securities include, but are not limited to:

- Debt obligations of the Government of India, state and local governments, government agencies, statutory bodies, public sector undertakings, scheduled commercial banks, non-banking finance companies, development financial institutions, supranational financial institutions, corporate entities and trusts (securitised debt)
- Pass through, Pay through or other Participation Certificates, representing interest in a pool of assets including receivables
- The non-convertible part of convertible securities
- Units of Mutual funds as may be permitted by regulations
- Structured Notes

Any other like instruments as may be permitted by RBI/SEBI/such other Regulatory Authority from time to time.

The securities mentioned in, “**Where will the Scheme(s) invest?**”, could be listed, to be listed, unlisted, privately placed, secured, unsecured, rated or unrated (subject to the rating or equivalency requirements discussed above) and of any maturity. The securities may be acquired through secondary market operations, primary issues/offerings, other public offers, Private Placement and negotiated deals amongst other mechanisms.

The Scheme may invest in other Schemes managed by the AMC or in the Schemes of any other Mutual Fund(s), provided such investment is in conformity to the investment objectives of the Scheme and in terms of the prevailing Regulations. As per the Regulations, no investment management fees will be charged for such investments and the aggregate inter-scheme investment made by all Schemes of the Mutual Fund or in the Scheme under the management of other asset management companies shall not exceed 5% of the net asset value of the Mutual Fund.

Investment in Domestic Securitized Debt

Depending upon the Investment Manager’s views, the Schemes may invest in domestic securitized debt such as ABS or MBS. The investments in domestic securitized debt will be made only after giving due consideration to factors such as but not limited to the securitization structure, quality of underlying receivables, credentials of the servicing agent, level of credit enhancement, liquidity factor, returns provided by the securitized paper vis-a-vis other comparable investment alternatives.

Although the returns provided by securitized debt could be higher, one must not lose sight of the fact that risks also exist with regard to investments in securitized debt. Investments in pass-through certificates of a securitization transaction represent an undivided beneficial interest in the underlying receivables and do not represent an obligation of either the issuer or the seller, or the parent of the seller, or any affiliate of the seller or the issuer or the trustee in its personal capacity, save to the extent of credit enhancement to be provided by the credit enhancer. The trust’s principal asset will be the pool of underlying receivables. The ability of the trust to meet its obligations will be dependent on the receipt and transfer to the designated account of collections made by the servicing agent from the pool, the amount available in the cash collateral account, and any other amounts received by the trust pursuant to the terms of the transaction documents. However, the credit enhancement stipulated in a securitization transaction represents a limited loss cover only.

Delinquencies and credit losses may cause depletion of the amount available under the cash collateral account and thereby the scheduled payouts to the investors may get affected if the amount available in the cash collateral account is not enough to cover the shortfall.

Further Unit holders are requested to refer below the disclosure relating to investments in securitized debt, in the SEBI prescribed format:

(i) How the risk profile of securitized debt fits into the risk appetite of the scheme

The scheme seeks to generate an attractive return, consistent with prudent risk, from a portfolio which is substantially constituted of quality debt securities. The scheme also seeks to generate capital appreciation by investing a smaller portion of its corpus in equity and equity related securities of issuers domiciled in India.

In line with the investment objective, securitised debt instruments having a high credit quality commensurate with other debt instruments in the portfolio and in line with internal fund manager guidelines will be considered for investment.

(ii) Policy relating to originators based on nature of originator, track record, NPAs, losses in earlier securitized debt, etc

The parameters used to evaluate originators are

- Track record
- Willingness to pay, through credit enhancement facilities etc.
- Ability to pay
- Business risk assessment, wherein following factors are considered:

- Outlook for the economy (domestic and global)
- Outlook for the industry
- Company specific factors

In addition a detailed review and assessment of rating rationale is done including interactions with the originator as well as rating agency.

Critical Evaluation Parameters (for pool loan) regarding the originator / underlying issuer:

- Default track record/ frequent alteration of redemption conditions / covenants
- High leverage ratios of the ultimate borrower - both on a standalone basis as well on a consolidated level/ group level
- Higher proportion of re-schedulement of underlying assets of the pool or loan, as the case may be
- Higher proportion of overdue assets of the pool or the underlying loan, as the case may be
- Poor reputation in market
- Insufficient track record of servicing of the pool or the loan, as the case may be.

(iii) Risk mitigation strategies for investments with each kind of originator

Analysis of originator: Dedicated credit research analysts, team analyses and evaluates each originator and sets up limits specifying both the maximum quantum and maximum tenor for investments and investments are considered only within these limits.

Originator analysis typically encompasses:

- Size and reach of the originator
- Collection process, infrastructure and follow-up mechanism
- Quality of MIS
- Credit enhancement for different type of originator

(iv) The level of diversification with respect to the underlying assets, and risk mitigation measures for less diversified investments

Eligible assets: Only assets with an established track record of low delinquencies and high credit quality over several business cycles will be considered for investment.

Analysis of pool: Characteristics such as average pool maturity (in months), average loan to value ratio, average seasoning of the pool, maximum single exposure, geographical distribution and average single exposure are studied to determine pool quality

Risk mitigating measures: Credit enhancement facilities (including cash, guarantees, excess interest spread, subordinate tranches), liquidity facilities and payment structure are studied in relation to historical collection and default behavior of the asset class to ensure adequacy of credit enhancement in a stress scenario.

(v) Minimum retention period of the debt by originator prior to securitization

We will follow the guidelines on minimum holding period requirements as laid down by SEBI and RBI from time to time.

(vi) Minimum retention percentage by originator of debts to be securitized

We will follow the guidelines on minimum holding period requirements as laid down by SEBI and RBI from time to time.

(vii) The mechanism to tackle conflict of interest when the Mutual Fund invests in securitized debt of an originator and the originator in turn makes investments in that particular scheme of the Fund

The AMC has an independent RQA team which is distinct from the Sales function and the Investments

function and has a separate reporting and appraisal structure designed to avoid conflict of interest. Investments can be initiated by the fund managers only after the RQA team has assigned limits for the originator. The originator wise limits specify both the maximum quantum and maximum tenor for investments.

(viii) The resources and mechanism of individual risk assessment with the AMC for monitoring investment in securitized debt

The AMC has a rigorous risk management process for all fixed income investments, which also encompasses securitized debt. Dedicated credit research analysts are responsible for monitoring risks including credit and liquidity risk. The functions of the RQA team include:

- Detailed credit analysis of issuers: based on the management evaluation, operating strength and financial strength to determine suitability for investment. Periodic reviews on a quarterly/annual basis are undertaken for eligible issuers. Ratings are monitored on a daily basis and any changes are immediately recorded and suitable action taken.

For securitized pool loan exposures, the analysis includes pool seasoning, pool asset quality, diversification, collateral margin, originator analysis and credit enhancement mechanisms. Pool performance statistics published by rating agencies are analyzed for performance of other securitised pools of the same originator as well as for the performance of the asset class as a whole. Regular interactions with the rating agencies are done to discuss performance trends. Documents are vetted by the legal and compliance team. In addition, monthly payout reports from the trustees are analysed for collection performance and adequacy of cash collateral.

Framework that is applied while evaluating investment decision relating to a pool securitization transaction:

Investments in repo of corporate debt securities

Guidelines for participation of mutual funds in Repo in money market and corporate debt securities. SEBI has vide circular no. CIR / IMD / DF / 19 / 2011 dated November 11, 2011 enabled mutual funds to participate in repos in corporate debt securities as per the guidelines issued by RBI from time to time and subject to few conditions listed in the circular. Accordingly, the Scheme may participate in Repo in money market and corporate debt securities in accordance with directions issued by RBI and SEBI from time to time and in accordance with guidelines framed by the Board of AMC and Trustee Company in this regard.

Conditions applicable: -

- The net exposure of any Mutual Fund scheme to repo transactions in money market (except for Repo in Government Securities & Treasury Bills) and corporate debt securities shall not be more than 10 % of the net assets of the Scheme.
- The cumulative gross exposure through repo transactions in money market securities (except for Repo in Government Securities & Treasury Bills) and corporate debt securities along with debt and derivatives shall not exceed 100% of the net assets of the Scheme.
- Mutual funds shall participate in repo transactions only in AA and above rated money market and corporate debt securities.

These conditions will be subject to any revisions announced by SEBI from time to time.

Other Guidelines

i. Category and credit rating of counter party:

1. SEBI regulated mutual funds
2. RBI regulated Banks, Non-Banking Finance Companies, Primary Dealers

3. IRDA regulated Insurance companies

4. Corporates for whom credit limits have been assigned are eligible counterparties. These corporates should have a minimum investment grade credit rating. For new counterparties, approval from Head - Risk will be taken and an assessment will be done by the Quantitative Investment & Analytics team.

ii. Tenor of collateral: ≤ 20 years for corporate debt securities.

iii. Applicable haircuts: RBI, in its circular no. IDMD.PCD. 09 /14.03.02 /2012-13 dated January 7, 2013 prescribed the following minimum haircuts on the market value of the underlying security:

a. AAA rated: 7.5%

b. AA+ rated: 8.5%

c. AA rated: 10%

The above haircuts are subject to change based on how market practice evolves with respect to corporate bond repo. Prior approval of the Investment committee shall be sought for change in the haircut from existing % to such other % as deemed fit.

iv. Valuation of repo assets: At cost.

Overview of Money Market in India

Money market instruments includes commercial papers, commercial bills, treasury bills, Government securities having an unexpired maturity up to one year, call or notice money, certificate of deposit, usance bills, and any other like instruments as specified by the Reserve Bank of India from time to time. Money market assets are liquid and actively traded segment of fixed income markets.

Treasury bills are issued by the Government of India through regular weekly auctions, while Cash Management Bills are issued on an ad-hoc basis. They are mostly subscribed by banks, state governments, mutual funds and other entities. As on 20 Jan 2023, total outstanding treasury bills are Rs. 8,51,508 crore*.

Certificate of Deposits are issued by scheduled banks for their short-term funding needs. They are normally available for up to 365 days tenor. Certificate of deposits issued by public sector banks are normally rated A1+ (highest short-term rating) by various rating agencies. As on 13 Jan 2023, outstanding Certificate of Deposits are Rs. 2,92,289 crore*. Certificate of deposits currently trade at a spread of around 85 basis points** over comparable treasury bills as on 27 Jan 2023, for a one-year tenor.

Commercial Papers are issued by corporate entities for their short-term cash requirements. Commercial Papers are normally rated A1+ (highest short-term rating). As on 15 Jan 2023, total outstanding Commercial Papers are Rs. 3,81,155 crore*. Commercial papers trade at around 105 basis points** over comparable treasury bills as on 27 Jan 2023, for a one-year tenor.

Call Money, TREPS and CROMS are mainly used by the borrowers to borrow a large sum of money on an over-night basis. While Call Money is an unsecured mode of borrowing, TREPS and CROMS are secured borrowing backed by collaterals approved by the Clearing Corporation of India.

Overview of Debt Market in India

The Indian bond market comprises mainly of Government securities; State Development Loans (SDL), bonds issued by Public Sector Undertakings (PSU), Development Financial Institutions (DFI) and Infrastructure-related agencies; debentures and money market instruments issued by corporate sectors and banks. The Government of India routinely issues Government securities and Treasury bills for liquidity and fiscal management. While the Government issues Treasury bills for 91 days, 182 days and 364 days in a discounted form, coupon-bearing Government securities are issued for maturity ranging from 1 year to as high as 40 years. Both Treasury bills and coupon-bearing securities are auctioned by the RBI on behalf of the Government of India. The Indian bond market has also witnessed increased issuance of bonds from Government-sponsored institutions, DFIs, and infrastructure-related

agencies. These bonds are rated by credit rating agencies like CRISIL, ICRA, CARE and India Ratings. They are widely held by market participants because of their liquidity and reduced risk perception due to the government stake in some of them.

The Indian corporate sector has also been frequently raising capital through issuance of non-convertible debentures and commercial papers. These debentures/commercial Papers are mostly rated by rating agencies like CRISIL, ICRA, CARE and India Ratings. There is an active and vibrant secondary market for these debentures/commercial Papers. These normally trade at a marginally higher yield than bonds issued by PSU and other government-sponsored agencies.

E. WHAT ARE THE INVESTMENT STRATEGIES?

The primary objective of the scheme is to generate income through investments in fixed income securities and using arbitrage and other derivative Strategies. The Scheme also intends to generate long-term capital appreciation by investing a portion of the Scheme's assets in equity and equity related instruments.

Investment Strategy for Equity Investments

The scheme aims to provide long term capital growth by investing in a well-diversified portfolio of equity and equity related securities. The fund manager proposes to concentrate on business and economic fundamentals driven by in-depth research techniques and employing the full potential of the research team at the AMC. The stock selection process proposed to be adopted is generally a bottom-up approach seeking to identify companies with long term sustainable competitive advantage (as this is one of the key factors responsible for withstanding competitive pressures and does not allow rivals to eat up any excess profits earned by a successful business). The fund would also use a top down discipline for risk control by ensuring representation of companies from select sectors.

In a scenario where Equity markets are attractive, the Scheme would exploit such opportunities with increased equity participation.

In a scenario where equity markets are expensive, the Scheme would reduce the equity participation and actively use arbitrage and cash to hedge the portfolio and generate low volatility returns.

Investment Strategy for Debt Investments

The Fund Manager will invest only in those debt securities that are rated investment grade by a domestic credit rating agency such as CRISIL, ICRA, CARE, FITCH etc. or in unrated debt securities which the Fund Manager believes to be of equivalent quality. In the case of unrated debt securities, the approval of the Board of Directors of the AMC and Trustee shall be obtained prior to investment.

The securities mentioned above could be listed, unlisted, privately placed, secured, unsecured, rated or unrated (subject to the rating or equivalency requirements discussed above) and of any maturity. The securities may be acquired through Initial Public Offerings (IPOs), secondary market operations, private placements, rights offers or through negotiated deals.

Subject to the limits indicated above, the Fund may invest a part of the portfolio in securities issued and guaranteed by State and Central Governments. The Fund may also invest in Securities of issuers supported by Government of India or State Governments subject to such securities satisfying the criteria relating to rating etc.

Investment Strategy for Arbitrage Opportunities

The market provides opportunities to the investor to derive returns from the implied cost of carry between the underlying cash market and the derivatives market. This provides for opportunities to generate returns that are possibly higher than short term interest rates with minimal active price risk on equities. Implied cost of carry and spreads across the spot, futures and options markets can potentially lead to profitable arbitrage opportunities. The Scheme would carry out arbitrage strategies, which would entail taking offsetting positions in the various markets simultaneously. The arbitrage strategy can also be on account of buy-back of shares announced by a company and/or

differences in prices between two exchanges/markets. In this case the arbitrage strategy will not include an offsetting derivatives transaction.

The Investment Manager will use a disciplined quantitative analysis while accessing arbitrage opportunities. The Investment Manager will have an effective risk monitoring and control process to ensure adherence to regulatory guidelines and limits.

As arbitrage opportunities are dependent on ensuing market conditions, there will be a part of the portfolio, which will be invested in debt securities and money market securities. This component of the portfolio will provide the necessary liquidity to meet redemption needs and other liquidity requirements of the Scheme.

The arbitrage strategies the Fund may adopt could be as under. The list is not exhaustive and the Fund could use similar strategies and any other strategies as available in the markets.

a) Index/ Stock spot - Index/ Stock Futures:

This strategy is employed when the price of the future is trading at a premium to the price of its underlying in spot market. The Scheme shall buy the stock in spot market and endeavor to simultaneously sell the future at a premium on a quantity neutral basis.

Buying the stock in spot market and selling the futures results into a hedge where the Scheme has locked in a spread and is not affected by the price movement of cash market and futures market. The arbitrage position can be continued till expiry of the future contracts. The future contracts are settled based on the last half an hour's weighted average trade of the spot market. Thus there is a convergence between the spot price and the futures market on expiry. This convergence helps the Scheme to generate the arbitrage return locked in earlier.

On or before the date of expiry, if the price differential between the spot and futures position of the subsequent month maturity still remains attractive, the scheme may rollover the futures position and hold onto the position in the spot market. In case such an opportunity is not available, the scheme would liquidate the spot position and settle the futures position simultaneously.

Rolling over of the futures transaction means unwinding the short position in the futures of the current month and simultaneously shorting futures of the subsequent month maturity, and holding onto the spot position.

b) Index Arbitrage:

The S&P CNX Nifty derives its value from fifty constituent stocks; the constituent stocks (in their respective weights) can be used to create a synthetic index matching the Nifty Index. Also, theoretically, the fair value of a future is equal to the spot price plus the cost of carry. Theoretically, therefore, the pricing of Nifty Index futures should be equal to the pricing of the synthetic index created by futures on the underlying stocks.

Due to market imperfections, the index futures may not exactly correspond to the synthetic index futures. The Nifty Index futures normally trades at a discount to the synthetic Index due to large volumes of stock hedging being done using the Nifty Index futures giving rise to arbitrage opportunities.

One instance in which an index arbitrage opportunity exists is when Index future is trading at a discount to the index (spot) and the futures of the constituent stocks are trading at a cumulative premium.

The investment manager shall endeavour to capture such arbitrage opportunities by taking long positions in the Nifty Index futures and short positions in the synthetic index (constituent stock futures). Based on the opportunity, the reverse position can also be initiated.

c) Corporate Action / Event Driven Strategies:

I. IDCW Arbitrage

At the time of declaration of IDCW, the stock futures / options market can provide a profitable opportunity. Generally, the stock prices decline by the IDCW amount when the stock becomes ex-IDCW.

II. Buy-Back/ Open Offer Arbitrage

When the Company announces the buy-back or open offer of its own shares, there could be opportunities due to price differential in buyback price and traded price.

III. Merger

When the Company announces any merger, amalgamation, hive off, de-merger, etc, there could be opportunities due to price differential in the cash and the derivative market.

d) Portfolio Hedging:

This strategy will be adopted:

- (i) If in an already invested portfolio of a Scheme, the Investment manager is expecting a market correction, the Investment manager may sell Index Futures to insulate the portfolio from the market related risks.
- (ii) If there are significant inflows to the Scheme and the market expectations are bullish, the Investment manager may buy Index Futures to continue participation in the equity markets. This strategy is used to reduce the time to achieve the desired invested levels.

Portfolio Turnover

Portfolio turnover is defined as the lower of the aggregate value of purchases or sales as a percentage of the corpus of a scheme during a specified period of time. This will exclude purchases and sales of money market securities. The Scheme is open ended, with subscriptions and redemptions expected on a daily basis, resulting in net inflow/outflow of funds, and on account of the various factors that affect portfolio turnover; it is difficult to give an estimate, with any reasonable amount of accuracy.

Therefore, the Scheme has no specific target relating to portfolio turnover.

Trading in Derivatives

The Mutual Fund may use various derivatives and hedging products/ techniques, in order to seek to generate better returns for the Scheme. Derivatives are financial contracts of pre-determined fixed duration, whose values are derived from the value of an underlying primary financial instrument, commodity or index.

Advantages of Trading in Derivatives

Advantages of derivatives are many. The use of derivatives provides flexibility to the Schemes to hedge whole or part of the portfolio. The following section describes some of the more common derivatives transactions along with their benefits:

Derivatives are financial contracts of pre-determined fixed duration, whose values are derived from the value of an underlying primary financial instrument, commodity or index, such as interest rates, exchange rates, commodities and equities.

1. Futures

A futures contract is a standardized contract between two parties where one of the parties commits to sell, and the other to buy, a stipulated quantity of a security at an agreed price on or before a given date in future.

Currently, futures contracts have a maximum expiration cycle of 3 months. Three contracts are available for trading, with 1 month, 2 months and 3 months expiry respectively. A new contract is introduced on the next trading day following the expiry of the relevant monthly contract. Futures contracts typically expire on the last Thursday of the month. For example a contract with the March 2021 expiration expires on the last Thursday of March 2021 (March 25, 2021).

Basic Structure of an Index Future

The Stock Index futures are instruments designed to give exposure to the equity markets indices. The Stock Exchange, Mumbai (BSE) and The National Stock Exchange (NSE) have trading in index futures of 1, 2 and 3 month maturities. The pricing of an index future is the function of the underlying index and short-term interest rates. Index futures are cash settled, there is no delivery of the underlying stocks.

Example using hypothetical figures:

1 month ABC Index Future

If the Scheme buys 2,000 futures contracts, each contract value is 50 times the futures index price.

Purchase Date : March 01, 2021

Spot Index : 11,200.00

Future Price : 11,300.00

Date of Expiry : March 25, 2021

Margin : 10%

Assuming the exchange imposes a total margin of 10%, the Investment Manager will be required to provide a total margin of approx. Rs. 113,000,000 (i.e. $10\% \times 11,300 \times 2000 \times 50$) through eligible securities and cash.

Assuming on the date of expiry, i.e. March 25, 2021, ABC Index closes at 11,350, the net impact will be a profit of Rs. 5,000,000 for the Scheme, i.e. $(11,350 - 11,300) \times 2000 \times 50$ (Futures price = Closing spot price = Rs. 11,350.00)

Profits for the Scheme = $(11,350 - 11,300) \times 2000 \times 50 = \text{Rs. } 5,000,000$.

Please note that the above example is given for illustration purposes only. Some assumptions have been made for the sake of simplicity.

The net impact for the Scheme will be in terms of the difference of the closing price of the index and cost price. Thus, it is clear from the above example that the profit or loss for the Scheme will be the difference between the closing price (which can be higher or lower than the purchase price) and the purchase price. The risks associated with index futures are similar to those associated with equity investments. Additional risks could be on account of illiquidity and potential mis-pricing of the futures.

Basic Structure of a Stock Future

A futures contract on a stock gives its owner the right and obligation to buy or sell stocks. Single Stock Futures traded on NSE (National Stock Exchange) are cash settled; there is no delivery of the underlying stocks on the expiration date. A purchase or sale of futures on a security gives the trader essentially the same price exposure as a purchase or sale of the security itself. In this regard, trading stock futures is no different from trading the security itself.

Example using hypothetical figures:

The Scheme holds shares of XYZ Ltd., the current price of which is Rs. 500 per share. The Scheme sells one month futures on the shares of XYZ Ltd. at the rate of Rs. 540.

If the price of the stock falls, the Mutual Fund will suffer losses on the stock position held. However, in such a scenario, there will be a profit on the short futures position.

At the end of the period, the price of the stock falls to Rs. 450 and this fall in the price of the stock results in a fall in the price of futures to Rs. 470. There will be a loss of Rs. 50 per share (Rs. 500 - Rs. 450) on the holding of the stock, which will be offset by the profits of Rs. 70 (Rs. 540 - Rs. 470) made on the short futures position.

Please note that the above example is given for illustration purposes only. Some assumptions have been made for the sake of simplicity. Certain factors like margins and other related costs have been ignored. The risks associated with stock futures are similar to those associated with equity investments. Additional risks could be on account of illiquidity and potential mis-pricing of the futures.

2. Options

An option gives a person the right but not an obligation to buy or sell something. An option is a contract between two parties wherein the buyer receives a privilege for which he pays a fee (premium) and the seller accepts an obligation for which he receives a fee. The premium is the price

negotiated and set when the option is bought or sold. A person who buys an option is said to be long in the option. A person who sells (or writes) an option is said to be short in the option.

An option contract may be of two kinds:

1) Call option

An option that provides the buyer the right to buy is a call option. The buyer of the call option can call upon the seller of the option and buy from him the underlying asset at the agreed price. The seller of the option has to fulfill the obligation upon exercise of the option.

2) Put option

The right to sell is called a put option. Here, the buyer of the option can exercise his right to sell the underlying asset to the seller of the option at the agreed price.

Option contracts are classified into two styles:

(a) European Style

In a European option, the holder of the option can only exercise his right on the date of expiration only.

(b) American Style

In an American option, the holder can exercise his right anytime between the purchase date and the expiration date.

Basic Structure of an Equity Option

In India, options contracts on indices are European style and cash settled whereas, option contracts on individual securities are American style and cash settled.

Example using hypothetical figures:

Market type : N
Instrument Type : OPTSTK
Underlying : XYZ Ltd. (XYZ)
Purchase date : March 1, 2021
Expiry date : March 25, 2021
Option Type : Put Option (Purchased)
Strike Price : Rs. 9,750.00
Spot Price : Rs. 9,800.00
Premium : Rs. 200.00
Lot Size : 100
No. of Contracts : 50

Say, the Mutual Fund purchases on March 1, 2021, 1 month Put Options on XYZ Ltd. (XYZ) on the NSE i.e. put options on 5000 shares (50 contracts of 100 shares each) of XYZ.

As these are American style options, they can be exercised on or before the exercise date i.e. March 25, 2021. If the share price of XYZ Ltd. falls to Rs. 9,500/- on March 25, 2021, and the Investment Manager decides to exercise the option, the net impact will be as Follows:

Premium Expense = Rs. 200 * 50 * 100 =
Rs. 10,00,000/-
Option Exercised at = Rs. 9,500/-
Profits for the Mutual Fund = (9,750.00 - 9,500.00) * 50 * 100
= Rs. 12,50,000/-
Net Profit = Rs. 12,50,000 - Rs. 10,00,000 = Rs. 2,50,000/-

In the above example, the Investment Manager hedged the market risk on 5000 shares of XYZ Ltd. by purchasing put options.

Please note that the above example is given for illustration purposes only. Some assumptions have been made for the sake of simplicity. Certain factors like margins have been ignored. The purchase of Put Options does not increase the market risk in the Mutual Fund as the risk is already in the Mutual Fund's portfolio on account of the underlying asset position (in his example shares of XYZ Ltd.). The Premium paid for the option is treated as an expense and added to the holding cost of the relevant security. Additional risks could be on account of illiquidity and potential mis-pricing of the options.

Exposure to Equity Derivatives

- i. Position limit for the Mutual Fund in index options contracts:**
 - a. The Mutual Fund position limit in all index options contracts on a particular underlying index shall be Rs. 500 crore or 15% of the total open interest in the market in index options, whichever is higher, per Stock Exchange.
 - b. This limit would be applicable on open positions in all options contracts on a particular underlying index.
- ii. Position limit for the Mutual Fund in index futures contracts:**
 - a. The Mutual Fund position limit in all index futures contracts on a particular underlying index shall be Rs. 500 crore or 15% of the total open interest in the market in index futures, whichever is higher, per Stock Exchange.
 - b. This limit would be applicable on open positions in all futures contracts on a particular underlying index.
- iii. Additional position limit for hedging:**

In addition to the position limits at point (i) and (ii) above, Fund may take exposure in equity index derivatives subject to the following limits:

 - a. Short positions in index derivatives (short futures, short calls and long puts) shall not exceed (in notional value) the Mutual Fund's holding of stocks.
 - b. Long positions in index derivatives (long futures, long calls and short puts) shall not exceed (in notional value) the Mutual Fund's holding of cash, government securities, T-Bills and similar instruments.
- iv. Position limit for the Mutual Fund for stock based derivative contracts:**

The combined futures and options position limit shall be 20% of the applicable Market Wide Position Limit (MWPL).
- v. Position limit for the Scheme:**

The position limits for the Scheme and disclosure requirements are as follows:

 - a. For stock option and stock futures contracts, the gross open position across all derivative contracts on a particular underlying stock of a scheme of a Fund shall not exceed the higher of 1% of free float market capitalization (in terms of number of shares).
Or
5% of the open interest in the derivative contracts on a particular underlying stock (in terms of number of contracts).
 - b. This position limit shall be applicable on the combined position in all derivative contracts on a underlying stock at a Stock Exchange.
 - c. For index based contracts, the Mutual Fund shall disclose the total open interest held by its scheme or all schemes put together in a particular underlying index, if such open interest equals to or exceeds 15% of the open interest of all derivative contracts on that underlying index.

As and when SEBI notifies amended limits in position limits for exchange traded derivative contracts in future, the aforesaid position limits, to the extent relevant, shall be read as if they were substituted with the SEBI amended limits.

Exposure Limits:

With respect to investments made in derivative instruments, the Scheme shall comply with the following exposure limits in line with SEBI Circular Cir/IMD/DF/11/2010 dated August 18, 2010, point C (1) of Circular SEBI/HO/IMD/DF2/CIR/P/2021/024 dated March 04, 2021 and SEBI Circular no. SEBI/HO/IMD/IMD-I DOF2/P/CIR/2021/580 dated June 18, 2021:

1. The cumulative gross exposure through equity, debt, derivative positions (including commodity and fixed income derivatives), repo transactions and credit default swaps in corporate debt securities, Real Estate Investment Trusts (REITs), Infrastructure Investment Trusts (InvITs), other permitted securities/assets and such other securities/assets as may be permitted by SEBI from time to time should not exceed 100% of the net assets of the scheme. However, the following shall not be considered while calculating the gross exposure:
 - a. Security-wise hedged position and
 - b. Exposure in cash or cash equivalents with residual maturity of less than 91 days

2. The total exposure related to option premium must not exceed 20% of the net assets of the Scheme.
3. The Mutual Fund shall not write options or purchase instruments with embedded written options.
4. Exposure due to hedging positions may not be included in the above mentioned limits subject to the following:
 - a. Hedging positions are the derivative positions that reduce possible losses on an existing position in securities and till the existing position remains.
 - b. Hedging positions cannot be taken for existing derivative positions. Exposure due to such positions shall have to be added and treated under limits mentioned in Point 1.
 - c. Any derivative instrument used to hedge has the same underlying security as the existing position being hedged.
 - d. The quantity of underlying associated with the derivative position taken for hedging purposes does not exceed the quantity of the existing position against which hedge has been taken.
5. (a) Mutual Funds may enter into plain vanilla Interest Rate Swaps (IRS) for hedging purposes. The value of the notional principal in such cases must not exceed the value of respective existing assets being hedged by the scheme.

(b) In case of participation in IRS is through over the counter transactions, the counter party has to be an entity recognized as a market maker by RBI and exposure to a single counterparty in such transactions should not exceed 10% of the net assets of the scheme. However, if mutual funds are transacting in IRS through an electronic trading platform offered by the Clearing Corporation of India Ltd. (CCIL) and CCIL is the central counterparty for such transactions guaranteeing settlement, the single counterparty limit of 10% shall not be applicable.

6. Exposure due to derivative positions taken for hedging purposes in excess of the underlying position against which the hedging position has been taken, shall be treated under the limits mentioned in point 1.
7. Definition of Exposure in case of Derivative Positions:
Each position taken in derivatives shall have an associated exposure as defined under. Exposure is the maximum possible loss that may occur on a position. However, certain derivative positions may theoretically have unlimited possible loss. Exposure in derivative positions shall be computed as follows:

Position	Exposure
Long Future	Futures Price * Lot Size * Number of Contracts
Short Future	Futures Price * Lot Size * Number of Contracts
Option Bought	Option Premium Paid * Lot Size * Number of Contracts

3. Interest Rate Swap (IRS)

Any swap is effectively an exchange of one set of cash-flows for another considered to be of equal value. If the exchange of cash flows is linked to interest rates, it becomes an interest rate swap. An interest rate swap is an agreement between two parties to exchange future payment streams based on a notional amount. Only the interest on the notional amount is swapped, and the principal amount is never exchanged.

In a typical interest rate swap, one party agrees to pay a fixed rate over the term of the agreement and to receive a variable or floating rate of interest. The counterparty receives a stream of fixed rate payments at regular intervals as described in the agreement and pays the floating rate of interest. A fixed/ floating interest rate swap is characterized by:

1. Fixed interest rate;
2. Variable or floating interest rate, which is periodically reset;

3. Notional principal amount upon which total interest payments are based; and
4. The terms of the agreement, including a schedule of interest rate reset dates, payment dates and termination date.

The primary reason for engaging in an interest rate swap is to hedge the interest rate exposure. An illustration could be an institution having long-term fixed rate assets (longer tenor securities receiving fixed rate) in a rising interest rate environment; it can hedge the interest rate exposure by purchasing an interest rate swap where the institution receives floating interest rate and pays fixed rate. In this case, an interest rate swap is likely to reduce the duration and interest rate volatility of the fund.

Example:

Terms:

Fixed Interest Rate : 8.50% p.a.
 Variable Interest Rate : NSE Over-Night MIBOR reset daily and compounded daily
 Notional Principal Amount : Rs.100 Crore
 Period of Agreement : 1 year
 Payment Frequency : Semi-annual

Now, suppose the six-month period from the effective date of the swap to the first payment date comprises 182 days and the daily compounded NSE Over-Night MIBOR is 8.15% p.a. on the first payment date, then the fixed and variable rate payment on the first payment date would be as follows:

Fixed rate payment:

$$\text{Rs. } 4,23,83,562 = (\text{Rs. } 100,00,00,000) \times (8.50\%) \times (182 \text{ Days} / 365 \text{ Days})$$

Variable rate payment:

$$\text{Rs. } 4,06,38,356 = (\text{Rs. } 100,00,00,000) \times (8.15\%) \times (182 \text{ Days} / 365 \text{ Days})$$

Often, a swap agreement will call for only the exchange of net amount between the counterparties. In the above example, the fixed-rate payer will pay the variable-rate payer a net amount of Rs. 17,45,205 = Rs. 4,23,83,562 - Rs. 4,06,38,356.

The second and final payment will depend on the daily NSE MIBOR compounded daily for the remaining 183 days. The fixed rate payment will also change to reflect the change in holding period from 182 days to 183 days.

4. Forward Rate Agreement (FRA)

An FRA is an off balance sheet agreement to pay or receive on an agreed future date, the difference between an agreed interest rate and the interest rate actually prevailing on that future date, calculated on an agreed notional principal amount. It is settled against the actual interest rate prevailing at the beginning of the period to which it relates rather than paid as a gross amount.

An FRA is referred to by the beginning and end dates of the period covered. Thus a 5x8 FRA is one that covers a 3-month period beginning in 5-months and ending in 8-months. FRAs are purchased to hedge the interest rate risk; an investor facing uncertainty of the interest rate movements can fix the interest costs by purchasing an FRA.

An illustration could be a corporation having floating rate debt linked to an index such as say, 3-Month MIBOR. If the existing interest cost is at 8% on Rs.100 Crore for the next three months, the corporation can purchase a 3x6 FRA @ 8.1% on Rs.100 Crore and fix the interest cost for the 3-6 months period. If the actual 3-Month MIBOR after 3-months is at 8.25%, the corporation has saved 15 bps in interest cost. As the settlement is done at the beginning of the period, the savings in

interest expense are discounted to a present value using a 3-month rate to calculate the actual settlement amount.

The flows for the institution will be, as follows:

Interest Savings = Rs. 100 Crore * 15 bps * 92/365
 (assuming 92 days in the 3 month FRA period
 and 365 days in the conventional year)
 = Rs.3,78,082.19

Settlement Amount = Rs.3,78,082.19/ (1+8.25%*92/365)

Please note that the above examples are hypothetical in nature and the figures are assumed.

5. Interest Rate Futures

An Interest Rate Futures ('IRF') contract is "an agreement to buy or sell a debt instrument at a specified future date at a price that is fixed today." The underlying security for Interest Rate Futures is either Government Bond or T-Bill. Interest Rate Futures are Exchange traded and standardized contracts based on 6 year, 10 year and 13 year Government of India Security and 91-day Government of India Treasury Bill (91DTB). These future contracts are cash settled. These instruments can be used for hedging the underlying cash positions.

The overall gross exposure for a fund is computed as sum of exposure to equity, cash, debt instruments and derivatives (other than for hedging purposes) and it should not be more than 100%. Derivative position is considered to be for hedging purposes only if the following conditions are met:

1. Perfect Hedging - We hedge the underlying using IRF contract of same underlying
2. Imperfect hedging - the Underlying being hedged and the IRF contract has a 90 day correlation of closing prices of more than 90%. In case of correlation breaking at any time the derivative position would be counted as an exposure. SEBI allows maximum of 20% imperfect hedging.

For example, assume a portfolio comprising the following structure:

Security	Amount (crs)	Price (Rs)
IGB 6.79% 2027	100	100.40
IGB 6.79% 2029	50	98.35
IGB 7.72% 2025	25	104.55
Cash	25	
Total	200	

Assuming the fund manager intends to hedge the portfolio using IRF and uses contracts on IGB 6.79% 2027 as it is most liquid.

Maximum imperfect hedging allowed, based on SEBI limit of 20% for the above fund is 200*20% = 40 crs

Maximum perfect hedging using 6.79% 2027 is 100 crs (as amount of 6.79% 2027 in the fund is 100 crs)

Total hedge the fund can do = 100 crs + 40 crs =140 crs

Assuming the 90 day historical correlation between the instruments in the portfolio are as follows

90 day historical correlation	IGB 6.79% 2027	IGB 6.79% 2029	IGB 7.72% 2025
IGB 6.79% 2027	1	0.95	0.80
IGB 6.79% 2029	0.95	1	0.75
IGB 7.72% 2025	0.80	0.75	1

Given that we are using IRF on 6.79% 2027, we can hedge 6.79% 2029 using IRFs as correlation is more than 90% upto 40 crs (based on the 20% limit of imperfect hedging).

Since one contract of IRF has a notional of Rs. 2 lakhs, in this example the fund manager sells Rs. 140 crores/2 lakhs = 7000 contracts, to hedge his position.

Hence after hedging the fund is as shown below:

Security	Amount (crs)	Price (Rs)	Comments
IGB 6.79% 2027	100	100.40	100% hedged - Perfect hedging
IGB 6.79% 2029	50	98.35	40% hedged - Imperfect hedging
IGB 7.72% 2025	25	104.55	Unhedged
Cash	25		Unhedged
IRF 6.79% 2027	140	100.35	
Total	200		

At maturity of the Interest Rate Futures

Case 1: bonds close higher than at the time the hedge was entered into

Security	Amount (crs)	Price before hedging (Rs)	Price on maturity of hedge (Rs)	Gain	Net Gain (lakhs)
IGB 6.79% 2027	100	100.4	100.5	0.1	10.00
IGB 6.79% 2029	50	98.35	98.5	0.15	7.50
IGB 7.72% 2025	25	104.55	104.6	0.05	1.25
Cash	25				-
Without IRF					18.75
IRF 6.79% 2027	140	100.35	100.5	-0.15	(21.00)
Total With IRF	200				(2.25)

Case 2: bonds close lower than at the time the hedge was entered into

Security	Amount (crs)	Price before hedging	Price on maturity of hedge (Rs)	Gain	Net Gain (lakhs)
IGB 6.79% 2027	100	100.4	100.3	-0.1	(10.00)
IGB 6.79% 2029	50	98.35	98.23	-0.12	(6.00)
IGB 7.72% 2025	25	104.55	104.5	-0.05	(1.25)
Cash	25				-
Without IRF					(17.25)
IRF 6.79% 2027	140	100.35	100.3	0.05	7.00
Total with IRF	200				(10.25)

As can be seen in the cases above, in case yields move higher, IRFs help in reducing the loss to the fund.

6. Enable writing of call options under a covered call strategy:

Enable scheme to write call options under a covered call strategy in accordance with SEBI (Mutual Funds) Regulations, 1996 and SEBI circular no. SEBI/HO/IMD/DF2/CIR/P/2019/17 dated January 16, 2019-

Benefits of Writing of Call Option Under a Covered Call Strategy-

A call option gives the holder (buyer) the right but not the obligation to buy an asset by a certain date for a certain price. Covered calls are an options strategy where a person holds a long position in an asset and writes (sells) call options on that same asset.

The strategy offers the following benefits:

- 1) Generating additional returns in the form of option premium in a range bound market.
- 2) Down side protection to the extent of premium collected - Since the fund manager sells a call option on a stock already owned by the mutual fund scheme, the downside from fall in the stock price would be lower to the extent of the premium earned from the call option.

Thus, a covered call strategy involves gains for unit holders in case the strategy plays out in the right direction.

Illustration I - Covered Call strategy using stock call options:

A fund manager holds equity stock of ABC Ltd. for Rs. 1000 and he sells a call option on the same stock at a strike price of Rs. 1100. Further, it is assumed that the scheme has earned a premium of Rs. 50 and the fund manager is of the opinion that the stock price will not exceed Rs. 1100, during the expiry period of the option.

Scenario 1: Stock price exceeds as 1100

The call option will get exercised and the fund manager will sell the stock to settle his obligation on the call at Rs. 1100 (earning a return of 10% on the stock purchase price). Also, since the scheme has earned a premium of Rs. 50, this has reduced the purchase cost of the stock Rs. 1000 - Rs. 50 - Rs. 950. Hence, the Net Gain - Rs. 150 (Rs 100 stock appreciation + Rs. 50 call option premium). However, please note that in a scenario where the stock once reaches Rs. 1300, investment in long only equity would be more beneficial than a covered call strategy as the net gain under the covered call strategy would be Rs. 150, against a net gain of Rs. 300 under a pure long only equity strategy.

Illustration II: Stock prices stays below Rs.1100

The call option will not get exercised and will expire worthless. The premium earned on call option will generate alpha for the scheme. Hence, the Net Gain is Rs. 50.

The Fund manager can also choose to cover the call at any point for loss/profit depending upon his risk assessment and as per regulatory provisions.

F. FUNDAMENTAL ATTRIBUTES

Following are the Fundamental Attributes of the Scheme, in terms of Regulation 18 (15A) of the SEBI (MF) Regulations:

(i) Type of Scheme -

- An open ended scheme investing in equity, arbitrage and debt

(ii) Investment Objective

- Main Objective - Please refer "What is the Investment Objective of the Scheme?"
- Investment pattern - Please refer "How will the Scheme allocate its assets?"

(iii) Terms of Issue

- Liquidity provisions such as listing, repurchase, redemption. Please refer, "Section- Units and Offer."
- Aggregate fees and expenses charged to the Scheme. Please refer, "Section- Fees and Expenses."
- Any safety net or guarantee provided - Not applicable.

In accordance with Regulation 18(15A) of the SEBI (MF) Regulations, the Trustee shall ensure that no change in the fundamental attributes of the Scheme and the Plan(s) / Option(s) thereunder or the trust or fees and expenses payable or any other change which would modify the Scheme and the Plan(s) / Option(s) thereunder and affect the interests of Unit Holders is carried out unless:

- An application has been made with SEBI and views/comments of SEBI are sought on the proposal for fundamental attribute changes;
- A written communication about the proposed change is sent to each Unit Holder and an advertisement is given in one English daily newspaper having nationwide circulation as well as in a newspaper published in the language of the region where the Head Office of the Mutual Fund is situated; and
- The Unit Holders are given an option for a period of 30 days to exit at the prevailing NAV without any exit load.

G. HOW WILL THE SCHEME BENCHMARK ITS PERFORMANCE?

The Board adopted Benchmark for comparing the performance of the Scheme is Nifty Equity Savings Index TRI.

As required under SEBI circular dated October 27, 2021, the benchmark has been selected from amongst those notified by AMFI as the first tier benchmark to be adopted by mutual funds and which are reflective of the category of the scheme. The performance will be benchmarked to the Total Returns Variant of the Index.

The Trustees reserves the right to change the benchmark in future if a benchmark better suited to the investment objective of the Scheme is available.

H. WHO WILL MANAGE THE SCHEME?

Fund Manager	Age	Tenure	Qualifications	Brief Experience	Other schemes managed

*The term “Flexible” in the name of the Scheme signifies that the Investment Manager of the Underlying Fund can invest either in growth or value investment characteristic securities placing an emphasis as the market outlook warrants.

I. WHAT ARE THE INVESTMENT RESTRICTIONS?

As per the Trust Deed read with the SEBI (MF) Regulations, the following investment restrictions apply in respect of the Scheme at the time of making investments. However, all investments by the Scheme will be made in accordance with the investment objective, asset allocation and where will the Scheme invest, described earlier, as well as the SEBI (MF) Regulations, including Schedule VII thereof, as amended from time to time.

1. (i) The Scheme shall not invest more than 10% of its NAV in debt instruments comprising money market instruments and non-money market instruments issued by a single issuer which are rated not below investment grade by a credit rating agency authorized to carry out such activity under the SEBI Act 1992. Such investment limit may be extended to 12% of the NAV of the Scheme with the prior approval of the Board of Trustees and the Board of AMC.

Provided that such limit shall not be applicable for investments in Government securities, T-Bills and triparty repo on Government securities or treasury bills.

Provided further that investment within such limit can be made in mortgaged backed securitised debts which are rated not below investment grade by a credit rating agency registered with the Board.

Within the limits specified above, following prudential limits shall be followed:

A mutual fund scheme shall not invest more than:

- a. 10% of its NAV in debt and money market securities rated AAA issued by a single issuer; or
- b. 8% of its NAV in debt and money market securities rated AA issued by a single issuer; or
- c. 6% of its NAV in debt and money market securities rated A and below issued by a single issuer.

The above investment limits may be extended by up to 2% of the NAV of the scheme with prior approval of the Board of Trustees and Board of Directors of the AMC, subject to compliance with the overall 12% limit specified in clause 1 of Seventh Schedule of MF Regulation.

(ii) The Scheme shall not invest in unlisted debt instruments including commercial papers (CPs), other than (a) government securities, (b) other money market instruments and (c) derivative products such as Interest Rate Swaps (IRS), Interest Rate Futures (IRF), etc. which are used by mutual funds for hedging.

Provided that Mutual Fund Schemes may invest in unlisted Non-Convertible Debentures (NCD) upto a maximum of 10% of the debt portfolio of the scheme subject to the condition that such unlisted NCDs have a simple structure (i.e. with fixed and uniform coupon, fixed maturity period, without any options, fully paid up upfront, without any credit enhancements or structured obligations) and are rated and secured with coupon payment frequency on monthly basis.

(iii) Investment in unrated debt and money market instruments, other than government securities, treasury bills, derivative products such as Interest Rate Swaps (IRS), Interest Rate Futures (IRF), etc. shall be subject to the following:

- a. Investments should only be made in such instruments, including bills re-discounting, usance bills, etc., that are generally not rated and for which separate investment norms or limits are not provided in SEBI (Mutual Fund) Regulations, 1996 and various circulars issued thereunder.
- b. Exposure of mutual fund schemes in such instruments shall not exceed 5% of the net assets of the schemes.

All such investments shall be made with the prior approval of the Board of AMC and the Board of trustees.

2. All fresh investments by mutual fund schemes in CPs would be made only in CPs which are listed or to be listed.
3. Restrictions on Investment in debt instruments having Structured Obligations / Credit Enhancements:
The investment of mutual fund schemes in the following instruments shall not exceed 10% of the debt portfolio of the schemes and the group exposure in such instruments shall not exceed 5% of the debt portfolio of the schemes:
 - i. Unsupported rating of debt instruments (i.e. without factoring-in credit enhancements) is below investment grade and
 - ii. Supported rating of debt instruments (i.e. after factoring-in credit enhancement) is above investment grade.
 - iii. Investment limits as mentioned above shall not be applicable on investments in securitized debt instruments, as defined in SEBI (Public Offer and Listing of Securitized Debt Instruments) Regulations 2008.
 - iv. Investment in debt instruments, having credit enhancements backed by equity shares directly or indirectly, shall have a minimum cover of 4 times considering the market value of such shares.

For this purpose, a group means a group as defined under regulation 2 (mm) of SEBI (Mutual Funds) Regulations, 1996 (Regulations) and shall include an entity, its subsidiaries, fellow subsidiaries, its holding company and its associates.

4. The Mutual Fund under all its Scheme shall not own more than 10% of any company's paid up capital carrying voting rights.
5. Transfer of investments from one Scheme to another Scheme in the Mutual Fund shall be allowed as per guidelines prescribed in SEBI circular no. SEBI/HO/IMD/DF4/CIR/P/2020/202 dated October 08, 2020 and amendments made from time to time.

SEBI vide circular no SEBI/HO/IMD/DF4/CIR/P/2019/102 dated September 24, 2019 has prescribed the methodology for determination of price to be considered for inter-scheme transfers.

6. The Scheme may invest in another Scheme (except fund of funds Scheme) under the AMC or any other mutual fund without charging any fees, provided that the aggregate inter-Scheme investment made by all Scheme under the same management or in Scheme under the management of any other asset management company shall not exceed 5% of the Net Asset Value of the Mutual Fund. However, this clause shall not apply to fund of funds Scheme and investments in mutual funds in foreign countries.

7. The Mutual Fund shall buy and sell securities on the basis of deliveries and shall in all cases of purchases, take delivery of relevant securities and in all cases of sale, deliver the securities:

Provided that the Mutual Fund may engage in short selling of securities in accordance with the framework relating to short selling and securities lending and borrowing specified by SEBI.

Provided further that the Mutual Fund may enter into derivatives transactions in a recognized stock exchange, subject to the framework specified by SEBI.

Provided further that sale of government security already contracted for purchase shall be permitted in accordance with the guidelines issued by the RBI in this regard.

8. The Mutual Fund shall get the securities purchased/transferred in the name of the Mutual Fund on account of the Scheme, wherever the instruments are intended to be of a long term nature.

9. Pending deployment of funds of the Scheme, the AMC may invest funds of the Scheme in short-term deposits of scheduled commercial banks, subject to the following conditions issued by SEBI vide its circular SEBI/IMD/CIR No. 1/91171 /07 dated April 16, 2007, SEBI/HO/IMD/DF4/CIR/P/2019/093 dated August 16, 2019 and SEBI/HO/IMD/DF2/CIR/P/2019/101 dated September 20, 2019:

- i. "Short Term" for parking of funds shall be treated as a period not exceeding 91 days.
- ii. Such short-term deposits shall be held in the name of the Scheme.
- iii. The Scheme shall not park more than 15% of their net assets in the short term deposit(s) of all the scheduled commercial banks put together. However, it may be raised to 20% with the prior approval of the Trustee. Also, parking of funds in short term deposits of associate and sponsor scheduled commercial banks together shall not exceed 20% of total deployment by the Mutual Fund in short term deposits.
- iv. The Scheme shall not park more than 10% of their net assets in short term deposit(s) with any one scheduled commercial bank including its subsidiaries.
- v. The Trustee shall ensure that the funds of the Scheme are not parked in the short term deposits of a bank which has invested in the Scheme.
- vi. AMC will not charge any investment management and advisory fees for parking of funds in short term deposits of scheduled commercial banks.
- vii. The Trustee shall also ensure that the bank in which a scheme has short term deposits do not invest in the scheme until the scheme has short term deposits with such bank.

The above provisions do not apply to term deposits placed as margins for trading in cash and derivative market.

10. No Scheme shall make any investment in:
 - i. any unlisted security of any associate or group company of the Sponsors; or
 - ii. any security issued by way of private placement by an associate or group company of the Sponsors; or
 - iii. the listed securities of group companies of the Sponsors, which is in excess of 25% of the net assets.

11. The Scheme shall not make any investment in any fund of funds Scheme.

12. No Scheme shall invest more than 10% of its NAV in the equity shares/equity related instruments of any company or listed securities or units of venture capital funds. Provided that the limit of 10% shall not be applicable for investments in the case of index fund or sector or industry specific Scheme.
13. No Scheme, shall invest more than 5% of its NAV in the unlisted equity shares/equity related instruments or unlisted securities or units of venture capital funds.
14. No term loans for any purpose may be advanced by the Mutual Fund and the Mutual Fund shall not borrow except to meet temporary liquidity needs of the Scheme for the purpose of repurchase, redemption of Units or payment of interest or IDCWs to Unit Holders, provided that the Mutual Fund shall not borrow more than 20% of the net assets of each of the Scheme and the duration of such borrowing shall not exceed a period of six months.
15. If any company invests more than 5 percent of the NAV of any of the Scheme, investment made by that or any other Scheme of the Mutual Fund in that company or its subsidiaries will be disclosed in accordance with the SEBI (MF) Regulations.
16. The Mutual Fund may enter into short selling transactions and may lend and borrow securities in accordance with the framework relating to short selling and securities lending and borrowing specified by SEBI.
17. The cumulative gross exposure through equity, debt, derivative positions (including commodity and fixed income derivatives), repo transactions and credit default swaps in corporate debt securities, Real Estate Investment Trusts (REITs), Infrastructure Investment Trusts (InvITs), other permitted securities/assets and such other securities/assets as may be permitted by the Board from time to time should not exceed 100% of the net assets of the scheme. However, the following shall not be considered while calculating the gross exposure:
 - a. Security-wise hedged position and
 - b. Exposure in cash or cash equivalents with residual maturity of less than 91 days.
18. The Mutual Fund under all its schemes shall not invest more than 10% of units issued by a single issuer of REIT and InvIT.
19. The Scheme shall not invest:
 - more than 10% of its NAV in the units of REITs and InvITs; and
 - more than 5% of its NAV in the units of REITs and InvITs issued by a single issuer.
20. The Scheme will comply with any other Regulations applicable to the investment of mutual funds from time to time.
21. No sponsor of a mutual fund, its associate or group company including the asset management company of the fund, through the schemes of the mutual fund or otherwise, individually or collectively, directly or indirectly, have -
 - a. 10% or more of the share-holding or voting rights in the asset management company or the trustee company of any other mutual fund; or
 - b. representation on the board of the asset management company or the trustee company of any other mutual fund.
22. As per SEBI circular SEBI/HO/IMD/DF4/CIR/P/2021/032 dated March 10, 2021 -
 - I. No Mutual Fund under all its schemes shall own more than 10% of debt instruments having Special Features issued by a single issuer.
 - II. A scheme shall not invest -
 - a. more than 10% of its NAV of the debt portfolio of the scheme in debt instruments having Special Features; and
 - b. more than 5% of its NAV of the debt portfolio of the scheme in debt instruments having Special Features issued by a single issuer.

The above investment limit for a scheme shall be within the overall limit for debt instruments issued by a single issuer, as specified at clause 1 of the Seventh Schedule of SEBI (Mutual Fund) Regulations, 1996, and other prudential limits with respect to the debt instruments.

23. Investment Restrictions for Covered Call strategy-

As per SEBI circular No. SEBI/HO/IMD/DF2/ CIR/P/2019/17 dated January 16, 2019, Mutual Fund schemes (excluding ETFs and Index funds) can write Call options under a covered strategy for constituent stocks of NIFTY 50 and BSE SENSEX subject to the following:

- a) The total notional value (taking into account strike price as well as premium value) of call options written by a scheme shall not exceed 15% of the total market value of equity shares held in that scheme
- b) The total number of shares underlying the call options written shall not exceed 30% of the unencumbered shares of a particular company held in the scheme. The unencumbered shares in a scheme shall mean shares that are not part of Securities Lending and Borrowing Mechanism (SLBM), margin or any other kind of encumbrances.
- c) At all points of time the Mutual Fund scheme shall comply with the provisions at points (a) and (b) above. In case of any passive breach of the requirement at paragraph (a) above, the respective scheme shall have 7 trading days to rebalance the portfolio. During the rebalancing period, no additional call options can be written in the said scheme.
- d) In case a Mutual Fund scheme needs to sell securities on which a call option is written under a covered call strategy, it must ensure compliance with paragraphs (a) and (b) above while selling the securities.
- e) In no case, a scheme shall write a call option without holding the underlying equity shares. A call option can be written only on shares which are not hedged using other derivative contracts.
- f) The total gross exposure related to option premium paid and received must not exceed 20% of the net assets of the scheme.
- g) The exposure on account of the call option written under the covered call strategy shall not be considered as exposure in terms of paragraph 3 of SEBI Circular no. Cir/IMD/DF/11/2010, dated August 18, 2010.
- h) The call option written shall be marked to market daily and the respective gains or losses factored into the daily NAV of the respective schemes until the position is closed or expired.

These investment limitations/parameters as expressed (linked to the Net Asset/Net Asset Value/capital) shall, in the ordinary course, apply as at the date of the most recent transaction or commitment to invest, and changes do not have to be effected merely because, owing to appreciation or depreciation in value or by reason of the receipt of any rights, bonuses or benefits in the nature of capital or of any Scheme of arrangement or for amalgamation, reconstruction or exchange, or at any repayment or redemption or other reason outside the control of the Mutual Fund, any such limits would thereby be breached. If these limits are exceeded for reasons beyond its control, the AMC shall adopt as a priority objective the remedying of that situation, taking due account of the interests of the Unit Holders.

Apart from the Investment Restrictions prescribed under the SEBI (MF) Regulations, internal risk parameters for limiting exposure to a particular Scheme may be prescribed from time to time to respond to the dynamic market conditions and market opportunities.

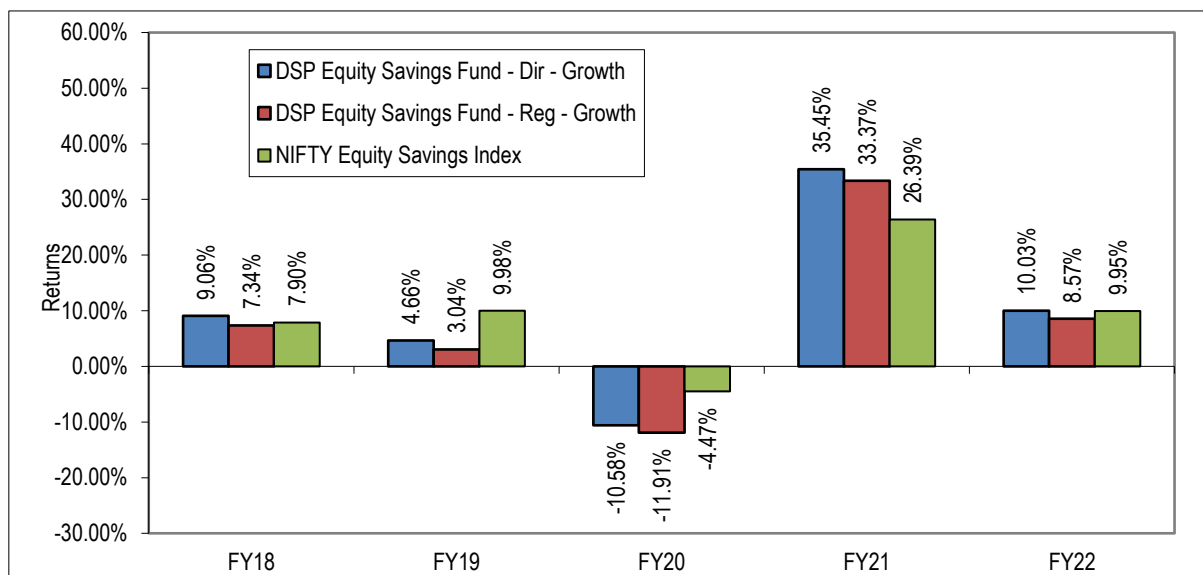

The Trustee /AMC may alter the above stated limitations from time to time, and also to the extent the SEBI (MF) Regulations change, so as to permit the Scheme to make their investments in the full spectrum of permitted investments in order to achieve their investment objective.

All the investment restrictions shall be applicable at the time of making investments.

L. INVESTMENT BY THE AMC

In terms of sub-regulation 16(A) in Regulation 25 of SEBI (Mutual Funds) Regulations, 1996 read along with SEBI circular no. SEBI/ HO/IMD/IMD-IDOF5/P/CIR/2021/624 dated September 2, 2021 and AMFI Best Practice Guidelines Circular No.100 /2022-23 dated April 26, 2022 on 'Alignment of interest of AMCs with the Unitholders of the Mutual Fund schemes', the AMC shall invest such amounts in such schemes of the mutual fund, based on the risks associated with the schemes, as may be specified by the SEBI from time to time.

M. CREATION OF SEGREGATED PORTFOLIO IN CASE OF CREDIT EVENT

Creation of segregated portfolio shall be subject to guidelines specified by SEBI from time to time and includes the following:

- 1) Segregated portfolio may be created, in case of a credit event at issuer level i.e. downgrade in credit rating by a SEBI registered Credit Rating Agency (CRA), as under:
 - a) Downgrade of a debt or money market instrument to 'below investment grade', or
 - b) Subsequent downgrades of the said instruments from 'below investment grade', or
 - c) Similar such downgrades of a loan rating

In case of unrated debt or money market instruments of an issuer that does not have any outstanding rated debt or money market instruments, actual default of either the interest or principal amount by the issuer of such instruments shall be considered as a Credit Event for creation of Segregated Portfolio.

- 2) In case of difference in rating by multiple CRAs, the most conservative rating shall be considered. Creation of segregated portfolio shall be based on issuer level credit events as mentioned above and implemented at the ISIN level.
- 3) Creation of segregated portfolio is optional and is at the discretion of the AMC. It shall be created only if the Scheme Information Document (SID) of the scheme has provisions for segregated portfolio with adequate disclosures.

Process for Creation of Segregated Portfolio:

- 1) On the date of credit event, AMC should decide on creation of segregated portfolio. Once AMC decides to segregate portfolio, it should:
 - a) seek approval of trustees prior to creation of the segregated portfolio.
 - b) immediately issue a press release disclosing its intention to segregate such debt and money market instrument and its impact on the investors. The Fund will also disclose that the segregation shall be subject to Trustee approval. Additionally, the said press release will be prominently disclosed on the website of the AMC.
 - c) ensure that till the time the trustee approval is received, which in no case shall exceed 1 business day from the day of credit event, the subscription and redemption in the scheme will be suspended for processing with respect to creation of units and payment on redemptions.
- 2) Once Trustee approval is received by the AMC:
 - a) Segregated portfolio will be effective from the day of credit event
 - b) AMC shall issue a press release immediately with all relevant information pertaining to the segregated portfolio. The said information will also be submitted to SEBI.
 - c) An e-mail or SMS will be sent to all unit holders of the concerned scheme.
 - d) The NAV of both segregated and main portfolios will be disclosed from the day of the credit event.
 - e) All existing investors in the scheme as on the day of the credit event will be allotted equal number of units in the segregated portfolio as held in the main portfolio.
 - f) No redemption and subscription will be allowed in the segregated portfolio. However, upon recovery of any money from segregated portfolio, it will be immediately distributed to the investors in proportion to their holding in the segregated portfolio.
 - g) AMC should enable listing of units of segregated portfolio on the recognized stock exchange within 10 working days of creation of segregated portfolio and also enable transfer of such units on receipt of transfer requests
 - h) Investors redeeming their units will get redemption proceeds based on the NAV of main portfolio and will continue to hold the units of segregated portfolio.
- 3) If the trustees do not approve the proposal to segregate portfolio, AMC will issue a press release immediately informing investors of the same.
- 4) In case trustees do not approve the proposal of segregated portfolio, subscription and redemption applications will be processed based on the NAV of total portfolio.

Processing of Subscription and Redemption Proceeds:

All subscription and redemption requests for which NAV of the day of credit event or subsequent day is applicable will be processed as under:

- i. Upon trustees' approval to create a segregated portfolio -
 - Investors redeeming their units will get redemption proceeds based on the NAV of main portfolio and will continue to hold the units of segregated portfolio.
 - Investors subscribing to the scheme will be allotted units only in the main portfolio based on its NAV.
- ii. In case trustees do not approve the proposal of segregated portfolio, subscription and redemption applications will be processed based on the NAV of total portfolio.

TER for the Segregated Portfolio

- 1) AMC will not charge investment and advisory fees on the segregated portfolio. However, TER (excluding the investment and advisory fees) can be charged, on a pro-rata basis only upon recovery of the investments in segregated portfolio.
- 2) The TER so levied shall not exceed the simple average of such expenses (excluding the investment and advisory fees) charged on daily basis on the main portfolio (in % terms) during the period for which the segregated portfolio was in existence. In addition to the TER mentioned above, the legal charges related to recovery of the investments of the segregated portfolio may be charged to the segregated portfolio as mentioned below.
- 3) The legal charges related to recovery of the investments of the segregated portfolio may be charged to the segregated portfolio in proportion to the amount of recovery. However, the same shall be within the maximum TER limit as applicable to the main portfolio. The legal charges in excess of the TER limits, if any, shall be borne by the AMC.
- 4) The costs related to segregated portfolio shall in no case be charged to the main portfolio.

Explanations:

- 1) The term 'segregated portfolio' means a portfolio, comprising of debt or money market instrument affected by a credit event that has been segregated in a mutual fund scheme.
- 2) The term 'main portfolio' means the scheme portfolio excluding the segregated portfolio.
- 3) The term 'total portfolio' means the scheme portfolio including the securities affected by the credit event.

Risks associated with segregated portfolio

1. Investor holding units of segregated portfolio may not be able to liquidate their holding till the time recovery of money from the issuer.
2. Security comprises of segregated portfolio may not realise any value.
3. Listing of units of segregated portfolio in recognised stock exchange does not necessarily guarantee their liquidity. There may not be active trading of units in the stock market. Further trading price of units on the stock market may be significantly lower than the prevailing NAV.

Disclosure Requirements:

In order to enable the existing as well as the prospective investors to take informed decision, the following shall be adhered to:

- a. A statement of holding indicating the units held by the investors in the segregated portfolio along with the NAV of both segregated portfolio and main portfolio as on the day of the credit event shall be communicated to the investors within 5 working days of creation of the segregated portfolio.
- b. Adequate disclosure of the segregated portfolio shall appear in all scheme related documents, in monthly and half-yearly portfolio disclosures and in the annual report of the Mutual Fund and the Scheme.
- c. The Net Asset Value (NAV) of the segregated portfolio shall be declared on daily basis.

- d. The information regarding number of segregated portfolios created in a scheme shall appear prominently under the name of the scheme at all relevant places such as SID, KIM-cum-Application Form, advertisement, AMC and AMFI websites, etc.
- e. The scheme performance required to be disclosed at various places shall include the impact of creation of segregated portfolio. The scheme performance shall clearly reflect the fall in NAV to the extent of the portfolio segregated due to the credit event and the said fall in NAV along with recovery(ies), if any, shall be disclosed as a footnote to the scheme performance.
- f. The disclosures at paragraph 7(d) and 7(e) above regarding the segregated portfolio shall be carried out for a period of at least 3 years after the investments in segregated portfolio are fully recovered/ written-off.
- g. The investors of the segregated portfolio shall be duly informed of the recovery proceedings of the investments of the segregated portfolio. Status update may be provided to the investors at the time of recovery and also at the time of writing-off of the segregated securities.

Monitoring by Trustees:

- a. In order to ensure timely recovery of investments of the segregated portfolio, trustees shall ensure that:
 - i. The AMC puts in sincere efforts to recover the investments of the segregated portfolio.
 - ii. Upon recovery of money, whether partial or full, it shall be immediately distributed to the investors in proportion to their holding in the segregated portfolio. Any recovery of amount of the security in the segregated portfolio even after the write off shall be distributed to the investors of the segregated portfolio.
 - iii. An Action Taken Report (ATR) on the efforts made by the AMC to recover the investments of the segregated portfolio is placed in every trustee meeting till the investments are fully recovered/ written-off.
 - iv. The trustees shall monitor the compliance of this circular and disclose in the half-yearly trustee reports filed with SEBI, the compliance in respect of every segregated portfolio created.
- b. In order to avoid mis-use of segregated portfolio, trustees shall ensure to have a mechanism in place to negatively impact the performance incentives of Fund Managers, Chief Investment Officers (CIOs), etc. involved in the investment process of securities under the segregated portfolio, mirroring the existing mechanism for performance incentives of the AMC, including claw back of such amount to the segregated portfolio of the scheme.

[^]All subscription/switch-in application(s) and/or registration of new Systematic Investment Plan, Systematic Transfer Plan and Transfer of Income Distribution cum Capital Withdrawal Plan in above mentioned options offered by the aforesaid scheme of the Fund shall be suspended with effect from April 1, 2021.

Investors may note that under Income Distribution cum Capital Withdrawal options the amounts can be distributed out of investor's capital (Equilization Reserve), which is part of sale price that represents realized gains.

Notes:

- It should be noted that actual distribution of IDCW and the frequency of distribution indicated above are provisional and will be entirely at the discretion of the Trustees. The Trustee reserves the right to alter the Record Date as stated herein, at its discretion. To the extent the entire net income and realised gains are not distributed, the same will remain invested in the Scheme concerned and be reflected in the NAV.
- There is no assurance or guarantee to the Unit Holders as to the rate of IDCW distribution nor that IDCW will be regularly paid, though it is the intention of the Scheme to make IDCW distribution under the respective plan/options of the Scheme.
- An investor on record of the CAMS / Statement of Beneficiary Owners maintained by the Depositories for the purpose of IDCW distribution is an investor who is a Unit Holder/ Beneficial Owners as on the Record Date. In order to be a Unit Holder, an investor has to be allocated Units representing receipt of clear funds by the Scheme.

- d) Investors should indicate the Scheme / Plan and / or Option / Sub Option, wherever applicable, for which the subscription is made by mentioning the full name of Scheme/ Plan/ option or sub option in the appropriate space provided for this purpose in the application form. In case of valid applications received, without indicating the Scheme / Plan and / or Option etc. or where the details regarding Plan and/or Option are not clear or ambiguous, the following defaults will be applied:

If no indication is given under the following	Default

In cases of wrong/ invalid/ incomplete ARN codes mentioned on the application form, the application shall be processed under Regular Plan. The AMC shall contact and obtain the correct ARN code within 30 calendar days of the receipt of the application form from the investor/ distributor. In case, the correct code is not received within 30 calendar days, the AMC shall reprocess the transaction under Direct Plan from the date of application without any exit load.

- e) Any change in IDCW sub option due to additional investment or customer request will be applicable to all existing Units in the IDCW option of the Scheme concerned.
- f) Investors shall note that once Units are allotted, AMC shall not entertain requests regarding change of Plan/Option, with a retrospective effect.
- g) Applications not specifying Scheme/Plans/Options and/ or accompanied by cheque/demand drafts/account to account transfer instructions favouring Scheme/Plans/Options other than those specified in the application form are liable to be rejected.
- h) Where the Scheme name as written on the application form and on the payment instrument differs, the proceeds may, at the discretion of the AMC be allotted in the Scheme as mentioned on the application form.
- i) IDCW payments shall be made to the Unit Holders within 7 working days from the record date for declaration of the IDCW.
- j) Investors should provide details/instructions only in the space provided in the form. Any details/noting/information/ instruction provided at a non designated area of the standard form being used, or any additional details, for which space is not designated in the standard form, may not be executed and the AMC will not be liable for the same.

- k) The AMC and its Registrar reserve the right to disclose the details of investors and their transactions to third parties viz. banks, distributors, Registered Investment Advisors from whom applications of investors are received and any other organization for the purpose of compliance with legal and regulatory requirements or for complying with anti- money laundering requirements.
- l) Returned cheques are liable not to be presented again for collection, and the accompanying application could also be rejected. In case returned cheques are presented, the necessary charges including returned charges may be debited to the investor.

3. IDCW Policy

(i) Growth Option

Under this option, the Mutual Fund will not declare any IDCW. The income earned by the Scheme will remain invested in the Scheme concerned and will be reflected in the NAV. This Option is suitable for investors who are not looking for current income but who have invested only with the intention of capital appreciation. Moreover, if Units under this Option are held as a capital asset for a period of greater than 12 months from the date of acquisition, Unit Holders should get the benefit of long term capital gains tax. Please refer the section "A. Tax Benefit of Investing in the Mutual Funds" under "Clause VIII. Tax & Legal & General Information" in the SAI.

(ii) Income Distribution cum Capital Withdrawal option (IDCW)

The Trustee intends to declare IDCW comprising substantially of net income and net capital gains. It should be noted that the actual distribution of IDCW and frequency of distribution will be entirely at the discretion of the Trustee. To the extent the entire net income and realised gains are not distributed, it will remain invested in the Option and reflected in the NAV.

(i) Growth Option - Option A

The Mutual Fund will not declare any IDCW under this option. The income earned under this Option will remain invested in the option and will be reflected in the NAV. This option is suitable for investors who are not looking for current income but who have invested with the intention of capital appreciation. Moreover, if Units under this option are held as capital asset for a period of greater than twelve months from the date of acquisition, Unit Holders will get the benefit of long term capital gains tax.

(ii) Income Distribution cum Capital Withdrawal option (IDCW) (Option B)/ Monthly IDCW (Option C)/Quarterly IDCW (Option D)

The above Option is suited for investors seeking income through IDCW declared by the Scheme. Only Unit Holders opting for the IDCW Option (Option B/C & D) will receive IDCW. The Trustee, in its sole discretion, may also declare interim IDCW.

This Option in turn offers two sub-options i.e. "Payout IDCW" and "Reinvest IDCW", as under:

▪ Payout of Income Distribution cum Capital Withdrawal option (IDCW)

As per the SEBI (MF) Regulations, the Mutual Fund shall despatch IDCW proceeds to the Unit Holders within 7 working days from the record date for declaration of the IDCW. IDCW will be paid by cheque, net of taxes, as may be applicable. Unit Holders will also have the option of direct payment of IDCW to the bank account. The cheques will be drawn in the name of the sole/first holder and will be posted to the registered address of the sole/first holder as indicated in the original application form.

To safeguard the interest of Unit Holders from loss or theft of IDCW cheques, investor should provide the name of their bank, branch and account number in the Application Form. IDCW cheques will be sent to the Unit Holder after incorporating such information.

Investors may however note that in case the IDCW distributed (net of tax deducted at source, wherever applicable) is for an amount equal to or less than Rs. 100/-, the IDCW, instead of being paid out to the Unit holder will be reinvested by issuing additional Units of the Scheme at the Applicable NAV on the next Business day after the Record Date. The additional Units issued and held as long term capital asset will get the benefit of long-term capital gains tax if sold after being held for greater

than twelve months. For this purpose, twelve months will be computed from the date when such additional units are allotted.

▪ **Reinvestment of Income Distribution cum Capital Withdrawal option (IDCW)**

Under this sub-option, IDCW are reinvested by way of allotment of additional Units of the Scheme, instead of receiving IDCW payout. Such additional Units by way of reinvestment of IDCW will be at the Applicable NAV on the next Business day after the Record Date. The additional Units issued under this sub-option and held as long term capital asset will get the benefit of long-term capital gains tax if sold after being held for greater than twelve months. For this purpose, twelve months will be computed from the date when such additional units are allotted.

Effect of IDCW: Post declaration of IDCW, the NAV of the IDCW option will further stand reduced by the applicable statutory levy/surcharge/cess/ any other levy payable by the scheme in respect of separate category of investors if any. Notwithstanding varying rates of statutory levies, the ex- IDCW NAV will remain the same for all categories of investors in a particular option, though the amount of IDCW received by Unit Holders may vary depending on the category of each Unit Holder.

For details on taxation of IDCW please refer the SAI.

4. Minimum amount for Application/Redemption/ switches

▪ First Purchase and Subsequent Purchase	Rs. 500/- and any amount thereafter Note: The minimum application amount will not be applicable for investment made in schemes in line with SEBI circulars on Alignment of interest of Designated Employees of AMC.
▪ SIP Purchase	Rs. 500/- and any amount thereafter
Minimum amount for Redemption/repurchase*	N.A.

*In case of Units held in dematerialized mode, the redemption request can be given only with DPs or on Stock exchange Platform; and only in number of Units.

The Trustee shall have absolute discretion to reject any application for purchase of Units, if in its opinion, increasing the size of the Unit Capital is not in the general interest of the Unit Holders, or if for any other reason it does not believe it would be in the best interest of the Scheme or its Unit Holders to accept such an application.

5. Ongoing price for subscription (Purchase Price)/ /Switch-in (from other schemes/plans of the mutual fund) by Investors

(This is the price you need to pay for purchase/switch-in)

The Purchase Price of the Units on an ongoing basis will be calculated as described below, which is based on the Applicable NAV

Purchase Price = Applicable NAV

Illustration:

Say, Applicable NAV = Rs. 12/-

Therefore, Purchase Price = Rs.12/-

6. Ongoing price for redemption (sale) /switch outs (to other Scheme/plans of the Mutual Fund)/intra-Plan switching by investors (Redemption Price)

(This is the price you will receive for redemptions/switch outs)

The Redemption Price of the Units will be calculated on the basis of the Applicable NAV subject to prevailing Exit Load, if any. In the case of Scheme which currently have no Exit Load, the Redemption Price will be the Applicable NAV. In the case of Scheme having an Exit Load or in which an Exit Load is introduced, the Redemption Price will be calculated as under:

Redemption Price = Applicable NAV x (1 - Exit Load)

Illustration:

Say, Applicable NAV = Rs. 12.0000 and the Exit Load is 0.50%,

Redemption Price = 12 x (1-0.005) = Rs. 11.9400.

Investors may note that the Trustee has the right to modify the existing Load Structure in any manner or introduce an Exit Load or a combination of Exit Load and/or any other Load subject to a maximum as prescribed under the SEBI (MF) Regulations. Should the Trustee on any date, impose or enhance any load, such imposition or enhancement shall be applicable on prospective investment only.

The Mutual Fund shall ensure that the Redemption Price is not lower than 95% of the NAV.

For details on load structure please see, Section ‘Fees and Expenses, C. Load Structure.’

7. Applicable NAV and Cut-off time for subscriptions/ redemptions/ switches

Applicable NAV is the Net Asset Value per Unit at the close of the Business Day on which a valid application is accepted and time stamped. An application will be considered accepted on a Business Day, subject to it being complete in all respects and received and time stamped upto the relevant cut-off time as specified below, at any of the official points of acceptance of transactions. Applications received via post or courier at any of the centres will be accepted on the basis of when the application is time stamped by the centre and not on the basis of date and time of receipt of the post or the courier.

In accordance with the SEBI circular no. SEBI/HO/IMD/DF2/CIR/P/2020/175 dated September 17, 2020, in respect of purchase of units of mutual fund schemes (except liquid and overnight schemes), closing NAV of the day shall be applicable on which the funds are available for utilization irrespective of the size and time of receipt of such application.

Pursuant to above, the NAV applicability for purchase/switch-in/ subscription in the Scheme will be subject to following clauses:

1. Application for purchase/subscription/switch-in is received before the applicable cut-off time on a Business Day.
2. Funds for the entire amount of purchase/subscription/switch-in as per the application is credited before the cut-off time to the bank account of the Scheme in which subscription is made.
3. The funds are available for utilization before the cut-off time the Scheme.

Transaction through online facilities/ electronic mode: The time of transaction done through various online facilities/electronic modes offered by the AMC, for the purpose of determining the applicability of NAV, would be the time when the request of purchase/sale/switch of units is received in the servers of AMC/RTA as per terms and conditions of such facilities.

With respect to investors who transact through the stock exchange, Applicable NAV shall be reckoned on the basis of the time stamping as evidenced by confirmation slip given by stock exchange mechanism.

Applicable Net Asset Value in case of Multiple applications/transactions received under all open-ended Schemes of the Fund: All transactions as per conditions mentioned below shall be aggregated and closing NAV of the day on which funds for respective transaction (irrespective of source of funds) are available for utilization.

1. All transactions received on same Business Day (as per cut-off timing and Time stamping rule).
2. Aggregation of transactions shall be applicable to the Scheme.
3. Transactions shall include purchases, additional purchases and exclude Switches, SIP/STP and trigger transactions.
4. Aggregation of transactions shall be done on the basis of investor/s/Unit Holder/s Permanent Account Number (PAN). In case of joint holding in folios, transactions with similar holding pattern will be aggregated. The principle followed for such aggregation will be similar as applied for compilation of Consolidated Account Statement (CAS).
5. All transactions will be aggregated where investor holding pattern is same as stated in point no.4 above.
6. Only transactions in the same Scheme of the Fund shall be clubbed. It will include transactions at Plans/Options level (i.e. Regular Plan, Direct Plan, IDCW Option, Growth Option, etc).
7. Transactions in the name of minor received through guardian will not be aggregated with the transaction in the name of same guardian. However, two or more transactions in folios of a minor received through same guardian will be considered for aggregation.
8. In the case funds are received on separate days and are available for utilization on different business days before the cut off time, the applicable NAV shall be of the Business day/s on which the cleared funds are available for utilization for the respective application amount.
9. Irrespective the date and time of debit to the customer bank accounts, the date and time of actual credit in the Scheme's bank account, which could be different due settlement cycle in the banking industry, would be considered for applicability of NAV.
10. Investors are advised to make use of digital/electronic payment to transfer the funds to the Scheme's bank account.

For Switching:

Where there is a switch application from one scheme to another, 'Switch out' shall be treated as redemption in one scheme and the Applicable NAV based on the cut off time for redemption and payout rules shall be applied. Similarly, the 'switch in' shall be treated as purchase and the Applicable NAV based on the cut off time for purchase and realization of funds by the 'switch in' scheme related rules shall be applied.

Where an application is received and time stamping is done after the cut-off time, the request will be deemed to have been received on the next Business Day.

10. How to Apply?

Please refer to the SAI and application form for details and instructions.

11. Dematerialization

Investors subscribing for the Units (other than by way of switch-in) in any of the Scheme of the Fund may opt to hold Units in dematerialized mode by filling and providing details of their demat account in the specified application form. Units shall be allotted in account statement form by default, unless the investors intimate their intention of holding Units in demat form by filling in the specified application form. This option shall be available in accordance with the provisions laid under the Scheme and in terms of guidelines/procedural requirements as laid by the depositories (NSDL/CDSL) from time to time.

Currently, the option to hold Units in demat form shall not be available to investors subscribing for Units under the daily/weekly IDCW options under various Scheme.

Investors intending to hold the Units in Demat form are required to have a beneficiary account with the Depository Participant (DP) registered with NSDL/CDSL and will be required to indicate in the specified application form, the DP's name, DP ID number and the beneficiary account number of the Unit holder with the DP. In case the Demat account details are not provided or the details are incomplete or the details do not match with the records as per Depository (ies), Units will be allotted in account statement form. The sequence of names/pattern of holding as mentioned in the application form must be same as that in the demat account. Units shall be credited to the investors' demat account only after the funds are credited into the Mutual Fund's Scheme account to the satisfaction of the AMC. Units shall however, be allotted based on the applicable NAV as per the Scheme Information Document (SID) of the relevant Scheme.

In case of credit of Units to depository account, applicants' details like the mode of holding, bank account, correspondence address, payment bank, nomination etc. will be considered as appearing in the depository account for various purposes. For any subsequent change in static information like address, bank details, nomination etc. investors should approach their respective depository.

If the demat account details do not match with applicants' name and order, units will be allotted in account statement form. Bank details in such cases shall be captured from the payment instrument provided by the investor. No further transactions shall be permitted in such folio till the KYC related documents or a valid depository account details are provided.

In case, the Unit holder desires to hold the Units in a Dematerialized/ Rematerialized form at a later date, the request for conversion of units held in non-demat/ account statement form into Demat (electronic) form or vice-versa should be submitted alongwith a Demat/Remat Request Form to their Depository Participants. Rematerialization of Units will be in accordance with the provisions of SEBI (Depositories & Participants) Regulations, 2018 as may be amended from time.

The asset management company shall issue units in dematerialized form to a unit holder in a scheme within two working days of the receipt of request from the unit holder.

Units held in demat form will be transferable subject to the provisions laid under the respective Scheme/Plan(s) and in accordance with provisions of Depositories Act, 1996 and the Securities and Exchange Board of India (Depositories and Participants) Regulations, 2018 as may be amended from time to time.

12. Allotment

Full allotment will be made to all valid applications received. Allotment to NRIs/FPIs will be subject to RBI approval, if required. Subject to the SEBI (MF) Regulations, the AMC/ Trustee may reject any application received in case the application is found invalid/incomplete or for any other reason in their sole discretion. All allotments will be provisional, subject to realisation of payment instrument and subject to the AMC having been reasonably satisfied about receipt of clear funds. Any redemption or switch out transaction in the interim is liable to be rejected at the sole discretion of the AMC. In case of cheque returns, the Mutual Fund will send intimation to the investor by normal post/email within 15 days of the cheque return. The Mutual Fund will not be responsible for any loss or damage to the applicant on account of any delay in informing him/her/it about the return of the cheque, where such delay is caused by the clearing mechanisms of banks and clearing houses involved in realization of cheques.

It is mandatory for NRIs to attach a copy of the payment cheque/ FIRC / Debit Certificate to ascertain the repatriation status of the amount invested. NRI applicants should also clearly tick on account type as NRE or NRO or FCNR to determine the repatriation status of the investment amount. The AMC and the Registrar may ascertain the repatriation status purely based on the details provided in the application form under Investment and Payment details and will not be liable for any incorrect information provided by the applicants. Applicants will have to coordinate with their authorized dealers and banks to repatriate the investment amount as and when needed.

All applications and/or refunds that are rejected for any reason whatsoever will be returned through instruments or payment channels such as RTGS, NEFT, IMPS, direct credit, etc. or any other mode allowed by Reserve Bank of India from time to time, for payments including refunds to unitholders in form of the cheque, demand draft.

Further, AMCs may also use modes of despatch such as speed post, courier etc. for payments including refunds to unitholders in addition to the registered post with acknowledgement due within 15 days to the address as mentioned by the applicant.

The Mutual Fund reserves the right to recover from an investor any loss caused to the Scheme on account of dishonour of cheques issued by him/her/it for purchase of Units.

For investors who have given demat account details, the Units will be credited to the investor's demat account after due verification and confirmation from NSDL/CDSL of the demat account details and only after the funds are credited into the Mutual Fund's Scheme account to the satisfaction of the AMC.

Allotment confirmation specifying the number of Units allotted shall be sent to the Unit holders at their registered e-mail address and/or mobile number by way of email and/or SMS within 5 Business Days from the date of receipt of transaction request.

13. Account Statements

Under Regulation 36(4) of SEBI (Mutual Funds) Regulations, 1996, the AMC/ RTA is required to send consolidated account statement for each calendar month to all the investors in whose folio

transaction has taken place during the month. Further, SEBI vide its circular ref. no. CIR/MRD/DP/31/2014 dated November 12, 2014, in order to enable a single consolidated view of all the investments of an investor in Mutual Fund and securities held in demat form with Depositories, has required Depositories to generate and dispatch a single consolidated account statement for investors having mutual fund investments and holding demat accounts.

In view of the said requirements the account statements for transactions in units of the Fund by investors will be dispatched to investors in following manner:

I. Investors who do not hold Demat Account

- Consolidated account statement[^], based on PAN of the holders, shall be sent by AMC/ RTA to investors not holding demat account, for each calendar month within 15th day of the succeeding month to the investors in whose folios transactions have taken place during that month.
- Consolidated account statement shall be sent by AMC/RTA every half yearly (September/ March), on or before 21st day of succeeding month, detailing holding at the end of the six month, to all such investors in whose folios there have been no transactions during that period.
[^]Consolidated account statement sent by AMC/RTA is a statement containing details relating to all financial transactions made by an investor across all mutual funds viz. purchase, redemption, switch, IDCW payout, IDCW reinvestment, systematic investment plan, systematic withdrawal plan, systematic transfer plan, bonus etc. (including transaction charges paid to the distributor) and holding at the end of the month.

II. Investors who hold Demat Account

- Consolidated account statement^{^^}, based on PAN of the holders, shall be sent by Depositories to investors holding demat account, for each calendar month within 15th day of the succeeding month to the investors in whose folios transactions have taken place during that month.
- Consolidated account statement shall be sent by Depositories every half yearly (September/ March), on or before 21st day of succeeding month, detailing holding at the end of the six month, to all such investors in whose folios and demat accounts there have been no transactions during that period.
- In case of demat accounts with nil balance and no transactions in securities and in mutual fund folios, the depository shall send account statement in terms of regulations applicable to the depositories.
^{^^}Consolidated account statement sent by Depositories is a statement containing details relating to all financial transactions made by an investor across all mutual funds viz. purchase, redemption, switch, IDCW payout, IDCW reinvestment, systematic investment plan, systematic withdrawal plan, systematic transfer plan, bonus etc. (including transaction charges paid to the distributor) and transaction in dematerialised securities across demat accounts of the investors and holding at the end of the month.

Following provisions shall be applicable to CAS sent through AMC/ RTA and CAS sent through depositories:

- a. Investors are requested to note that for folios which are not included in the CAS, AMC shall henceforth issue monthly account statement to the unit holders, pursuant to any financial transaction done in such folios; the monthly statement will be sent on or before fifteenth day of succeeding month. Such statements shall be sent in physical form if no email id is provided in the folio.
- b. The statement sent within the time frame mentioned above is provisional and is subject to realisation of payment instrument and/or verification of documents, including the application form, by the RTA/AMC.
- c. In the event the folio/demat account has more than one registered holder, the first named Unit holder/Account holder shall receive the CAS (AMC/RTA or Depository). For the purpose of CAS

(AMC/RTA or Depository), common investors across mutual funds/depositories shall be identified on the basis of PAN. Consolidation shall be based on the common sequence/ orders of investors in various folios/demat accounts across mutual funds / demat accounts across depository participants.

- d. Investors whose folio(s)/demat account(s) are not updated with PAN shall not receive CAS. Investors are therefore requested to ensure that their folio(s)/demat account(s) are updated with PAN. For folios not included in the CAS (due to non-availability of PAN), the AMC shall issue monthly account statement to such Unit holder(s), for any financial transaction undertaken during the month on or before 15th of succeeding month by mail or email.

For folios not eligible to receive CAS (due to non-availability of PAN), the AMC shall issue an account statement detailing holding across all schemes at the end of every six months (i.e. September/March), on or before 21st day of succeeding month, to all such Unit holders in whose folios no transaction has taken place during that period shall be sent by mail/e-mail.

- e. For Unit Holders who have provided an e-mail address in KYC records, the CAS will be sent by e-mail.
- f. The Unit Holder may request for a physical account statement by writing to/calling the AMC/RTA. In case of a specific request received from the unit holders, the AMC/RTA shall provide the account statement to the unit holders within 5 business days from the receipt of such request.
- g. Account Statements shall not be construed as proof of title and are only computer printed statements indicating the details of transactions under the Scheme during the current financial year and giving the closing balance of Units for the information of the Unit Holder.
- h. Units held, either in the form of Account Statement or Unit Certificates, are non-transferable. The Trustee reserves the right to make the Units transferable at a later date subject to SEBI (MF) Regulations issued from time to time.

Special facilities available

For general terms and conditions and more information, Unit holder(s) are requested to read Terms and Conditions available on www.dspim.com

(i) Systematic Investment Plan (SIP)

Investors can benefit by investing specific Rupee amounts periodically, for a continuous period through SIP. SIP allows investors to invest a fixed amount of Rupees on specific dates every month or quarter by purchasing Units of a Scheme at the Purchase Price prevailing at such time. Investors can enroll themselves for SIP in the Scheme by ticking the appropriate box in the application form and filling up the relevant SIP form.

Units will be allotted at the applicable NAV as on the SIP Date opted for by the investor. Where such SIP Date is not a Business Day, Units will be allotted at the applicable NAV of the immediately succeeding Business Day.

The AMC may change the terms and conditions for SIP from time to time, due to changing market and operational conditions. Investors are advised to check the latest terms and conditions from any of the offices of the AMC, before investing same is available on www.dspim.com.

SIP TOP-UP facility

SIP Top-Up facility provides flexibility to the investors to increase the SIP installment over the tenure of the SIP. SIP Top-Up facility will be available under Scheme offering SIP facility. SIP Top-Up frequency in case of investors availing Monthly SIP facility will be half yearly and yearly. SIP Top-Up frequency in case of investors availing Quarterly SIP facility will be yearly. In case the SIP Top-Up frequency is not indicated under Monthly SIP, it will be considered as yearly interval.

The AMC may change the terms and conditions for SIP TOP- UP facility from time to time, due to changing market and operational conditions. Investors are advised to check the latest terms and conditions from any of the offices of the AMC, before investing same is available on www.dspim.com.

SIP Pause Facility

Under the SIP Pause Facility ('Facility'), the investor can stop the running SIP for certain period and Restart the SIP again (at a folio level) by filling up a designated Change Request Form.

The detailed terms and conditions for availing the Facility are as follows:

- a. Investors who wish to Pause their SIP instalments debit for a certain period can fill in the "SIP Pause" section. Separate form should be filled for each SIP registration.
- b. SIP Pause can be for a minimum period of 1 month to a maximum period of 6 months.
- c. SIP Pause request should be submitted 15 days before the next SIP instalment date.
- d. The SIP instalment debit will re-start in the month/quarter following the SIP Pause end month.
- e. SIP pause applications are liable to be rejected in case the details are not proper and clear or in case of incomplete details, non-clarity or ambiguity.
- f. If the Pause period is coinciding with the Top-Up facility, the SIP instalment amount post completion of Pause period would be inclusive of Top-Up amounts falling during that Top-Up cycle;.
- g. It is possible that the investors' Bank does not stop the SIP debits on the instalment date or delays the processing of the SIP Pause instruction from DSP Investment Managers Private Limited ('AMC') or its agents, if the investor has given a separate standing instruction to the Bank to debit the account on the specified date. The investor will not hold the Fund/AMC/RTA responsible in whatsoever manner in such cases.
- h. DSP Investment Managers Private Limited ('AMC') or the Fund or the Registrar and other service providers shall not be responsible and liable for any damages or compensation for any loss, damage, etc. incurred by the investor due to reasons which are caused by circumstances not in the ordinary course of business and beyond the control of the Fund.

The Trustee reserves the right to change the terms and conditions of this facility at a later date. The Trustee also reserves the right to withdraw the SIP Pause facility.

(ii) Systematic Withdrawal plan (SWP)

A Unit Holder may, through SWP, receive regular payments by way of withdrawals from a Scheme (in the said folio) on a weekly, monthly, quarterly, half yearly or yearly basis with specific SWP dates and the request should be for at least 6 such withdrawals. A Unit holder may avail of SWP by ticking the appropriate box in the application form and filling up the SWP form, specifying therein the 'SWP Date' and period. To start an SWP, the unit holder should submit the SWP form atleast seven days prior to the first desired SWP date. To discontinue the SWP, the unit holder should provide atleast 30 days written notice to the Registrar at its office in Chennai. A Unit Holder who opts for an SWP has the choice of withdrawing (i) a fixed amount or (ii) an amount equal to the periodic appreciation on his/her/its investment in the Scheme from which the withdrawal is sought.

If the Units available are less than required withdrawal amount, then such units will be redeemed and SWP facility registered in such scheme will be discontinued. Similarly, if there are no units in the Scheme to redeem or withdraw, the SWP facility registered in such Scheme will be discontinued.

In case the SWP Date happens to be a Non-Business Day, the transaction will be processed on the immediately succeeding Business Day. On the other hand, the Mutual Fund may terminate the SWP,

if all the Units concerned are liquidated or withdrawn from the account or pledged or upon the Mutual Fund's receipt of notification of death or incapacity of the Unit Holder. In addition to the above, the Mutual Fund may, at its discretion and without any notice, redeem the balance Units in the Scheme (in a particular folio) if the value of the balance Units in the Scheme (in a particular folio) falls below Rs. 500/- in case of any Plan and at least 6 months have elapsed since his/her/its first investment in the relevant Plan. The Investment Manager may change the rules relating to this facility from time to time. All terms and conditions for SWP, including Exit Load, if any, prevailing in the date of SWP enrolment/registration by the fund shall be levied in the Scheme.

The AMC may change the terms and conditions for SWP facility from time to time, due to changing market and operational conditions. Investors are advised to check the latest terms and conditions from any of the offices of the AMC, before investing same is available on www.dspim.com .

(iii) Systematic Transfer Plan (STP)

A Unit Holder may transfer, through STP, part of his/her/its investment in the Scheme (in the said folio) to another Scheme on a weekly (on any week day i.e Monday to Friday), monthly, quarterly, half yearly and yearly basis with specific STP dates. and the request should be for at least 6 such transfers. The transfer will be effected by way of a switch, i.e. redemption of Units from one Scheme and investment of the proceeds thereof, in the other scheme, at the then prevailing terms of both schemes. Therefore, all provisions pertaining to Inter-Scheme Switching will apply to an STP (**Please refer to "Switching" for provisions on switching**). Also, all provisions pertaining to Entry and Exit Load in an STP transaction will be same as applicable for purchase or redemption of investment made through SIP. All transactions by way of STP shall, however, be subject to the terms (other than minimum application amount) of the target Scheme.

All terms and conditions for STP, prevailing on the date of STP enrolment/registration by the fund shall be levied in the Scheme.

A Unit Holder who opts for an STP has the choice of switching (i) A fixed amount or (ii) an amount equal to the periodic appreciation on his/her/its investment in the Scheme from which the transfer is sought.

The AMC may change the terms and conditions for SWP facility from time to time, due to changing market and operational conditions. Investors are advised to check the latest terms and conditions from any of the offices of the AMC, before investing same is available on www.dspim.com .

Daily STP facility

Under Daily STP, the Unit Holder can switch a fixed amount from any one Scheme (Source Scheme) to any other Scheme (Target Scheme) on a daily basis subject to exit load as applicable. The minimum amount of transfer under Daily STP shall be Rs. 500 and in multiples of Re. 1 thereof. The minimum period for Daily STP shall be 6 days and the maximum for any period subject to the end period being year 2099. STP installment shall be processed only when it is a Business day for both source and target Scheme. In case the start date is not mentioned, the Daily STP shall start from the 7th day from the date of submission of valid STP registration form. In case the end date is not mentioned, the STP shall be registered for a period of one year.

For general terms and conditions and more information, Unit holder(s) are requested to read Terms and Conditions available on www.dspim.com

Flex Systematic Transfer Plan ('Flex STP')

Flex STP Facility, is a facility wherein Unit holder(s) of designated open-ended Scheme of the Fund can opt to systematically transfer amount(s), which may vary based on the value of investments already made/transferred under this facility, on the date of transfer at predetermined intervals from designated open-ended Scheme of the Fund [hereinafter referred to as "Transferor Scheme"] to the 'Growth Option' only, of designated open-ended scheme of the Fund [hereinafter referred to as "Transferee Scheme"]. Transferor Scheme means all scheme of the Fund currently having STP facility and Transferee Scheme means growth option of all scheme of the Fund.

All other terms and conditions as applicable to STP facility will be applicable to Flex STP. For general terms and conditions and more information, Unit holder(s) are requested to read Terms and Conditions available on www.dspim.com

Value Systematic Transfer Plan ('Value STP')

Value STP facility, is a facility wherein Unit holder(s) of designated open-ended scheme of the Fund can opt to systematically transfer amount(s), which may vary based on the value of investments already made/transferred under this facility, on the date of transfer at predetermined intervals from designated open-ended scheme of the Fund [hereinafter referred to as "Transferor Scheme"] to the 'Growth Option' only of designated open-ended Scheme of the Fund [hereinafter referred to as "Transferee Scheme"], including a feature of 'Reverse Transfer' from Transferee Scheme into the Transferor Scheme, in order to achieve the Target Market Value on each transfer date in the Transferee Scheme, subject to the terms and conditions of Value STP.

The AMC reserves the right to modify the above terms and conditions of Flex STP and Value STP at any time without prior notice to the unitholders and such amended terms and conditions will thereupon apply to and be binding on the unitholders. The updated terms and conditions of Flex STP and Value STP will be available on our website www.dspim.com.

Note:

- (i) SIP/SWP/STP facility is available in all Plans of the Scheme.
- (ii) SWP and STP facilities are available/applicable to the investors in each plan of the Scheme.
- (iii) STP/SWP facilities are currently not available to investors who wish to transact through the stock exchange mechanism.

(iv) Switching

A switch has the effect of redemption from one scheme/ plan/option and a purchase in the other scheme/plan/ option to which the switching has been done. To effect a switch, a Unit Holder must provide clear instructions. Such instructions may be provided in writing or by completing the transaction slip/form attached to the account statement. The switch request can be made for any amount of Rs. 500/- or more or all units where amount is below Rs. 500/-. A Unit Holder may request switch of a specified amount or a specified number of Units only. If the Unit Holder has specified both the amount (in Rs.) and the number of Units, switch-out of units will be carried out based on the number of units specified by the Unit Holder.

All allotments will be provisional, subject to realisation of payment instrument and subject to the AMC having been reasonably satisfied that the Mutual Fund has received clear funds. Any redemption or switch out transaction in the interim is liable to be rejected at the sole discretion of the AMC. Investors may note that switch facility is currently not available for units held in demat mode and will be provided as and when enabled by stock exchange platforms and depositories as the units are held in demat account. Unit holders are requested to note that application for switch-out for units for which funds are not realized via purchase or switch-in in the Scheme of the Fund shall be liable to be rejected. In other words, switch out of units will be processed only if the funds for such units are realized in the Scheme by a way of payment instructions/transfer or switch-in funding process.

(b) Inter-Scheme Switching

Unit Holders will have the option to switch all or part of their investment in the Scheme, to any other Scheme established by the Mutual Fund, which is available for investment at that time. The switch will be affected by way of redemption of Units from a Scheme and re-investment of the redemption proceeds in the other Scheme selected by the Unit Holder at the prevailing terms of the Scheme to which the switch is taking place.

The price at which the Units will be switched out of the Scheme will be based on the Redemption Price on the Business Day of acceptance of switching request and the net proceeds will be invested in the other Scheme at the prevailing Purchase Price for Units in that/those Scheme. Please see the

clause on “Ongoing price for redemption (sale)/switch outs (to other Scheme/plans of the Mutual Fund)/intra- Plan switching by investors (Redemption Price)”.

(c) Inter-Plan Switching

Unit Holders will have the option to switch all or part of their investment(s) from one plan of a Scheme to the other plan of that Scheme. The switch will be effected by way of a redemption of Units of the relevant plan of a Scheme as per terms and conditions of redemption and re-investment of the redemption proceeds in the other plan of the Scheme selected by the Unit Holder on the prevailing terms of that Plan as a purchase as per purchase terms and conditions of purchase.

(d) Switch of units from Regular Plan to Direct Plan within the same Scheme of the Fund:

No exit load shall be levied in case of switch of investment from Regular Plan to Direct Plan and vice versa.

Such Switch may entail tax consequences. Investors/Unit Holder(s) should consult their professional tax advisor before initiating such requests.

(e) Inter-Option Switching

Unit Holders have the option to switch all or part of their investments from one Option of a Scheme/Plan to the other Option of the same Scheme/Plan.

The switch will be affected by way of redemption of Units of the relevant Option and reinvestment of the redemption proceeds in the other Option selected by the Unit Holder on the prevailing terms of that Scheme/Plan. The price at which the Units will be switched out will be at the Applicable NAV on the Business Day of acceptance of switching request and the net proceeds will be invested in the other Option at the Applicable NAV of that Option.

The AMC may change the terms and conditions for switching facility from time to time, due to changing market and operational conditions. Investors are advised to check the latest terms and conditions from any of the offices of the AMC, before investing same is available on www.dspim.com

(v) Pledge of Units for Loans

Units can be pledged by the Unit Holders as security for raising loans, subject to any rules/restrictions that the Trustee may prescribe from time to time.

For Units held in demat form, the rules of the respective DP will be applicable for pledge of the Units. Units held in demat form can be pledged by completing the requisite forms/formalities as may be required by the Depository. The pledge gets created in favour of the pledgee only when the pledgee’s DP confirms the creation of pledge in the system.

In case of Units held in physical form, the Registrar will note and record such pledge. A standard form for this purpose is available at any of the official points of acceptance of transactions and on www.dspim.com.

(vi) Transfer of Income Distribution cum Capital Withdrawal plan (IDCW)

Unit holders under the Regular Plan & Direct Plan (wherever applicable) and IDCW Options(s) (other than Daily IDCW Reinvest sub-option) of all the open ended Scheme of the Mutual Fund can opt to transfer their IDCW to any other option under the Regular Plan & Direct Plan (wherever applicable) (other than Daily IDCW Reinvest sub-option) of all the open- ended Scheme of the Mutual Fund by availing the facility of IDCW Transfer Plan.

Under IDCW Transfer, IDCW as & when declared (as reduced by the amount of applicable statutory levy) in the transferor Scheme (subject to minimum of Rs.500/-) will be automatically invested without any exit load into the transferee Scheme, as opted by the Unit holder. Such transfer will be treated as fresh subscription in the transferee Scheme and invested at the Applicable NAV on the

Business Day immediately following the record date, subject to terms and conditions applicable to the transferee Scheme.

Investors are requested to note that the AMC may change the terms and conditions for SWP facility from time to time, due to changing market and operational conditions. Investors are advised to check the latest terms and conditions from any of the offices of the AMC, before investing same is available on www.dspim.com.

(vii) OTM - One Time Mandate ('Facility')

This Facility enables the Unit Holder/s of DSP - Mutual Fund ('Fund') to transact with in a simple, convenient and paperless manner by submitting OTM - One Time Mandate registration form to the Fund which authorizes his/her bank to debit their account up to a certain specified limit per day, as and when they wish to transact with the Fund, without the need of submitting cheque or fund transfer letter with every transaction thereafter.

This Facility enables Unit holder(s) of the Fund to start Systematic Investment Plan (SIP) or invest lump sum amounts in any Scheme of the Fund by sending instructions through Transaction forms, and online facility, Short Messaging Service ('SMS')/call from their registered mobile phone number on a dedicated number specified by the AMC. This Facility is only available to Unit holder(s) of the Fund who have been assigned a folio number by the AMC.

Unit Holder/s are requested to note that in line with the requirement of SEBI and AMFI Circulars on Two Factor Authentication[2FA], SMS based transaction facility and transaction through Call Centre for all forms of transaction, including but not limited to purchase, redemptions, switches, systematic registrations will be discontinued with effect from June 01, 2022.

Unit Holder(s) are requested to note that the AMC reserves the right to amend the terms and conditions, or modify, or discontinue the Facility for existing as well as prospective investors at anytime in future.

For general terms and conditions and more information, Unit holder(s) are requested to read Terms and Conditions, OTM - One Time Mandate registration form available at the Official Point of Acceptance of Transactions of AMC/ CAMS and also available on www.dspim.com.

15. Listing and transfer of units

The Scheme is open ended and the Units are not proposed to be listed on any stock exchange. However, the Mutual Fund may, at its sole discretion, list the Units on one or more Stock Exchanges at a later date, and thereupon the Mutual Fund will make suitable public announcement to that effect.

The Mutual Fund will offer and redeem Units on a continuous basis during the Continuous Offer Period.

The Unit holders are given an option to hold the Units by way of an Account Statement (physical form) or in Dematerialized (demat form). Units held in Demat form are transferable (subject to lock-in period, if any and subject to lien, if any marked on the units) in accordance with the provisions of SEBI (Depositories and Participants) Regulations, 2018, as may be amended from time to time. Transfer can be made only in favor of transferees who are capable of holding Units and having a Demat Account. The delivery instructions for transfer of Units will have to be lodged with the DP in requisite form as may be required from time to time and transfer will be effected in accordance with such rules / regulations as may be in force governing transfer of securities in dematerialized mode. Further, for the procedure of release of lien, the investors shall contact their respective DP.

However, if a person becomes a holder of the Units consequent to operation of law or upon enforcement of a pledge, the Mutual Fund will, subject to production of satisfactory evidence, effect the transfer, if the transferee is otherwise eligible to hold the Units. Similarly, in cases of transfers taking place consequent to death, insolvency etc., the transferee's name will be recorded by the Mutual Fund subject to production of satisfactory evidence.

16. Transactions Through Channel Distributors

Investors may enter into an agreement with certain distributors (with whom AMC also has a tie up) referred to as “Channel Distributors” who provide the facility to investors to transact in units of mutual funds through various modes such as their website/ other electronic means or through Power of Attorney in favour of the Channel Distributor, as the case may be.

Under such arrangement, the Channel Distributors will aggregate the details of transactions (viz. subscriptions/ redemptions/switches) of their various investors and forward the same electronically to the AMC / RTA for processing on daily basis as per the cut-off timings applicable to the relevant Scheme. The Channel Distributor is required to send copy of investors’ KYC and agreement entered into between the investor & distributor to the RTA (one time for central record keeping) as also the transaction documents / proof of transaction authorization as the case may be, to the AMC / RTA as per agreed timelines.

Normally, the subscription proceeds, when invested through this mode, are by way of direct credits to the specified bank account of DSP Mutual Fund. The redemption proceeds (subject to deduction of tax at source, if any) and IDCW payouts, if any, are paid by the AMC to the investor directly through direct credit in the bank account of the investor specified by the distributor or through issuance of payment instrument, as applicable.

In case KYC and other necessary documents are not furnished within the stipulated timeline, the transaction request shall be liable to be rejected or the folio will be locked for future subscriptions/ switches. The Mutual Fund, the AMC, the Trustee, along with their directors, employees and representatives shall not be liable for any errors, damages or losses arising out of or in connection with the transactions undertaken by investors or as provided by the distributors through the above mode.

It may be noted that investors investing through this mode may also approach the AMC / ISC directly with their transaction requests (financial / non-financial) or avail of the online transaction facilities offered by the AMC.

17. Subscription of Units Through Electronic Mode

Subject to the investor fulfilling certain terms and conditions as stipulated by AMC from time to time, the AMC, Mutual Fund, Registrar or any other agent or representative of the AMC, Mutual Fund, the Registrar (“Recipient”) may accept transactions through any electronic mode (fax/web/ electronic transactions) (“Electronic Transactions”). The acceptance of Electronic Transactions will be solely at the risk of the investor and the Recipient shall not in any way be liable or responsible for any loss, damage caused to the investor directly or indirectly, as a result of the investor sending or purporting to send such transactions including where such transaction sent / purported to be sent is not processed on account of the fact that it was not received by the Recipient.

The investor acknowledges that Electronic Transaction is not a secure means of giving instructions / transactions requests and that the investor is aware of the risks involved including those arising out of such transmission being inaccurate, imperfect, ineffective, illegible, having a lack of quality or clarity, garbled, altered, distorted, not timely etc. The investor’s request to the Recipient to act on Electronic Transaction is for the investor’s convenience and the Recipient is not obliged or bound to act on the same. The investor authorizes the recipient to accept and act on any Electronic Transaction which the recipient believes in good faith to be given by the investor and the recipient may at its discretion treat any such transaction as if the same was given to the recipient under the investor’s original signature.

In case there is any difference between the particulars mentioned in the fax/ web/ electronic transmission received as against the original document which may be received thereafter, the Recipient shall not be liable for any consequences arising therefrom.

The investor agrees that the recipient may adopt additional security measures including signature verification, telephone call backs or a combination of the same, which may be recorded and the investor consents to such recording and agrees to co-operate with the recipient to enable

confirmation of such transaction requests. In consideration of the Recipient from time to time accepting and at its sole discretion (including but not limited to the AMC extending/ discontinuing such facilities from time to time) acting on any Electronic Transaction request received / purporting to be received from the investor, the investor agrees to indemnify and keep indemnified the AMC, Directors, employees, agents, representatives of the AMC, Mutual Fund and Trustees from and against all actions, claims, demands, liabilities, obligations, losses, damages, costs and expenses of whatever nature (whether actual or contingent) directly or indirectly suffered or incurred, sustained by or threatened against the indemnified parties whatsoever arising from or in connection with or any way relating to the indemnified parties in good faith accepting and acting on Electronic Transaction requests including relying upon such transaction requests purporting to come from the investor even though it may not come from the Investor. The AMC reserves the right to modify the terms and conditions or to discontinue the facility at any point of time.

18. Redemption

Units can be redeemed (sold back to the Mutual Fund) at the relevant Redemption Price. The redemption requests can be made on the pre- printed forms (transaction slip/common transaction form) or by using the form at the bottom of the account statement. The redemption request can be submitted at any of the Official Points of Acceptance of transaction, the details of Official Points of Acceptance are mentioned at the end of this SID. As all allotments are provisional, subject to realisation of payment instrument and subject to the AMC having been reasonably satisfied that the Mutual Fund has received clear funds, any redemption or switch out transaction in the interim is liable to be rejected at the sole discretion of the AMC.

A Unit Holder may request redemption of a specified amount or a specified number of Units only. If the redemption request is made for a specified amount and the number of Units is also specified by the Unit Holder, the number of Units specified will be considered for deciding the redemption amount. Unit Holders may also request for redemption of their entire holding and close the account by indicating the same at an appropriate place in the transaction slip/common transaction form.

It may, however, be noted that in the event of death of the Unit Holder, the nominee or legal heir, (subject to production of requisite documentary evidence to the satisfaction of the AMC) as the case may be, shall be able to redeem the investment at any point of time.

In case an investor has purchased Units on more than one day (either under the NFO Period or through subsequent purchases) the Units purchased first (i.e. those Units which have been held for the longest period of time), will be deemed to have been redeemed first, i.e. on a First-In-First-Out basis.

In case the Units are standing in the names of more than one Unit Holder, where mode of holding is specified as Joint redemption requests will have to be signed by all joint holders. However, in cases of holding specified as 'Anyone or Survivor', any one of the Unit Holders will have the power to make redemption requests, without it being necessary for all the Unit Holders to sign. However, in all cases, the proceeds of the redemption will be paid to the first-named holder only.

Redemption or repurchase proceeds shall be dispatched to Unit Holders within 3 working Days from the date of acceptance of redemption or repurchase. ssss

Unit Holders are encouraged and advised to submit their requests for bank mandate/ Multiple Bank Accounts Registration request atleast 10 business days prior to date of redemption / IDCW payment, if any. The AMC reserves the right to extend/modify the timelines on a case to case basis.

The redemption payment will be issued in favour of the sole/ first Unit Holder's registered name and bank account number, if provided. Payment via cheque, where issued, will be sent to the address of the sole/first Holder registered with the fund at the time of dispatch entirely at the risk of the unit holder. The redemption cheque/demand draft will be payable at par at all the places where the official points of acceptance of transaction are located. Bank charges for collection of redemption proceeds will be borne by the Unit Holder. With a view to safeguarding their interest, it is mandatory that Unit Holders indicate their Bank Account No., name of the bank and branch in the application for purchasing Units of the Scheme. A fresh account statement will also be sent/ emailed to redeeming investors, indicating the new balance to the credit in the account, along with the redemption cheque.

The Mutual Fund may, at its discretion and without any notice, redeem the balance Units in the Scheme (in a particular folio) if the value of the balance Units in the Scheme (in a particular folio) falls below Rs. 500/- and at least 6 months have elapsed since his/her/its first investment in the relevant Plan. The Investment Manager may change the rules relating to this facility from time to time.

Unit holders are requested to note that application for redemption or switch out for units for which funds are not realized via purchase or switch-in in the Scheme of the Fund shall be liable to be rejected. In other words, redemption of units will be processed only if the funds for such units are realized in the Scheme by a way of payment instructions/transfer or switch-in funding process.

The proceeds towards redemptions and IDCW will be despatched by a reasonable mode of despatch like courier, Speed post, etc. in case of cheque/demand draft or directly credited to the bank account (as per the details mentioned by the investor), entirely and solely at the risk of the investor. The Mutual Fund will endeavour to remit redemption proceeds via electronic means, as made available by RBI. Where such electronic means are not available or feasible under any circumstances, the Mutual Fund will remit the redemption proceeds by way of cheques. The investor will not hold the Mutual Fund or the AMC or the Registrar responsible for any non-receipt or delay of receipt of redemption & IDCW proceeds due to any negligence or deficiency in service by the courier company, postal authorities or the bank executing direct credits, or due to incorrect bank account details provided by the investor.

In case of redemptions, Unit holders should note that Two Factor Authentication [2FA] is mandatory for all redemption / switches including STP/SWP submitted through electronic mode. OTP will be sent to either email id or mobile number registered in the folio and the Unit holder have to confirm on the OTP received. On successful validation only, the redemptions will be accepted and processed.

Redemption by NRIs and FPIs

Credit balances in the account of an NRI/FPI investor may be redeemed by such investors in accordance with the procedure described above and subject to the procedures laid down by RBI, if any. Such redemption proceeds will be paid by means of a Rupee cheque payable to the NRI's/FPIs or by a foreign currency draft drawn at the then rates of exchange less bank charges, subject to RBI procedures and approvals.

Impact of STT on Redemption

STT is levied on the sale of a unit of an equity-oriented Scheme to the Mutual Fund. The responsibility for the collection of STT and payment to the credit of the Government is with the Mutual Fund. The rates of STT are as follows:

Nature of transaction	Rate of STT
Sale of units of an equity-oriented fund to the Mutual Fund	0.001%*

* W.e.f. June 1, 2013

$$\text{STT} = 0.001\% \times \text{Applicable NAV} \times \text{Number of Units}$$

Illustration:

(a) If an investor redeems 1,000 Units of a Scheme at a Redemption Price of Rs. 12,000 per Unit, the STT will be $0.001\% \times 1,000 \times 12$ or Rs. 0.12/-. The net redemption proceeds will amount to Rs. 11,999.88/- (Rs. 12,000 ₹ Rs. 0.12).

(b) If an investor request for redemption of Rs. 12,000/- worth of Units at a Redemption Price of Rs. 12,000/- per Unit, the STT will be $0.001\% \times 12,000$ or Rs. 0.12/-. To recover the STT, redemption will be done for an amount of Rs. 12,000.12/- (Rs.12,000 + Rs. 0.12) i.e. 1000.01 Units (12,030/12).

Effect of Redemption

On redemption, the unit capital and reserves will stand reduced by an amount equivalent to the product of the number of Units redeemed and the Redemption Price as on the date of redemption. Units once redeemed will be extinguished and will not be re-issued.

Fractional Units

Since a request for purchase is generally made in Rupee amounts and not in terms of number of Units of the Scheme, a Unit Holder may be left with fractional Units. Fractional Units will be computed and accounted for up to three decimal places. However, fractional Units will, in no way, affect the Unit Holder's ability to redeem the Units, either in part or in full, standing to his/her/its credit.

Redemption by investors transacting through the Stock Exchange mechanism

Investors who wish to transact through the stock exchange shall place orders for redemptions as currently practiced for secondary market activities. Investors must submit the Delivery Instruction Slip to their Depository Participant on the same day of submission of redemption request, within such stipulated time as may be specified by NSE/BSE, failing which the transaction will be rejected. Investors shall seek redemption requests in terms of number of Units only and not in Rupee amounts. Investor shall receive redemption amount through Broker/ Clearing Member's account. The AMC/Mutual Fund shall pay proceeds to the Broker/ Clearing Member and Broker/ Clearing Member in turn to the respective investor's account. Refer "Trading in Units through Stock Exchange mechanism" under 'B. On Going Offer Details', for detailed provisions.

Redemption by investors who hold Units in dematerialized form

Redemption request for Units held in demat mode shall not be accepted at the offices of the Mutual Fund/AMC/Registrar. Unit holders shall submit such request only through their respective Depository Participant or through stock exchange platforms.

19. Delay in payment of redemption / repurchase proceeds

As per SEBI (MF) Regulations, the Mutual Fund shall despatch the redemption proceeds within 3 working Days from the date of acceptance of redemption request. In the event of delay/failure to despatch the redemption/repurchase proceeds within the aforesaid Days, the AMC will be liable to pay interest to the Unit Holders at such rate as may be specified by SEBI for the period of such delay (currently @ 15% per annum).

20. IDCW Warrants

IDCW warrants shall be dispatched to the Unit Holders within 7 working days from the record date for the date of declaration of the IDCW. In the event of delay/failure to despatch the IDCW warrants within the aforesaid days, the AMC will be liable to pay interest to the Unit Holders at such rate as may be specified by SEBI for the period of such delay (currently @ 15% per annum).

21. Minimum balance to be maintained and consequences of non-maintenance

The value of the balance units in the Scheme (in a particular folio) to be maintained by the Unit holders shall be Rs. 500/-.

Further, if an investor makes a redemption request few days after purchase of Units, till clearance of funds is identified, the Mutual Fund shall have the right to reject the redemption request until such time as the Mutual Fund ensures that the amount remitted by the investor (for purchase of Units) is realized and that the proceeds have been credited to the Scheme's Account. However, this is only applicable if the value of redemption is such that some or all of the freshly purchased Units may have to be redeemed to effect the full redemption.

22. Suspension/Restriction on Redemption of Units of the Scheme

Subject to the approval of the Boards of the AMC and of the Trustee and subject also to necessary communication of the same to SEBI, the redemption of / switch-out of Units of Scheme(s) of the Fund, may be temporarily suspended/ restricted. In accordance with SEBI circular ref. no. SEBI/HO/IMD/DF2/CIR/P/2016/57 dated May 31, 2016 and subject to prevailing regulations,

restriction on/suspension of redemptions / switch-out of Units of the Scheme(s) of the Fund, may be imposed when there are circumstances leading to systemic crisis or event that severely constricts market liquidity or the efficient functioning of markets such as:

- a) Liquidity issues: when market at large becomes illiquid affecting almost all securities rather than any issuer specific security;
- b) Market failures, exchange closures: when markets are affected by unexpected events which impact the functioning of exchanges or the regular course of transactions. Such unexpected events could also be related to political, economic, military, monetary or other emergencies;
- c) Operational issues: when exceptional circumstances are caused by force majeure, unpredictable operational problems and technical failures (e.g. a black out).

Restriction on / suspension of redemption of Units of the Scheme(s) may be imposed for a specified period of time not exceeding 10 working days in any 90 days period.

When restriction on / suspension of redemption of Units of the Scheme(s) is imposed, the following procedure shall be applied:

- i. No redemption / switch-out requests upto Rs. 2 lakhs shall be subject to such restriction.
- ii. Where redemption / switch-out requests are above Rs. 2 lakhs, the AMC shall redeem the first Rs. 2 lakhs without such restriction and remaining part over and above Rs. 2 lakhs shall be subject to such restriction.

Also refer to the section 'Suspension of Purchase and Redemption of Units' in the Statement of Additional Information.

23. KYC Requirements

Investor are requested to take note that it is mandatory to complete the KYC requirements (including updation of Permanent Account Number) for all unit holders, including for all joint holders and the guardian in case of folio of a minor investor. Accordingly, financial transactions (including redemptions, switches and all types of systematic plans) and non-financial requests are liable to be rejected, if the unit holders have not completed the KYC requirements.

Notwithstanding in the above cases, the AMC reserves the right to ask for any requisite documents before processing of financial and non-financial transactions or freeze the folios as appropriate.

Unit holders are advised to use the applicable KYC Form for completing the KYC requirements and submit the form at the point of acceptance. Further, upon updation of PAN details with the KRA (KRA-KYC)/ CERSAI (CKYC), the unit holders are requested to intimate us/our Registrar and Transfer Agent their PAN information along with the folio details for updation in our records.

24. Facility to transact in units of the Schemes through MFCentral:

MFCentral is created with an intent to be a one stop portal / mobile app for all Mutual fund investments and service-related needs that significantly reduces the need for submission of physical documents by enabling various digital / physical services to Mutual fund investors across fund houses subject to applicable Terms & Conditions of the Platform from time to time. MFCentral will be enabling various features and services in a phased manner. MFCentral may be accessed using <https://mfcentral.com/> and a Mobile App in future.

DSP Mutual fund designates MFCentral as its Official point of acceptance (DISC - Designated investor Service Centre) with effect from 23rd September 2021.

25. Restrictions, if any, on the right to freely retain or dispose off Units being offered

The Trustee may, in the general interest of Unit Holders, keeping in view the unforeseen circumstances/unusual market conditions, limit the total number of Units which may be redeemed on any Business Day to 5% of the total number of Units then in issue under the Scheme (or such higher percentage as the Trustees may determine).

Any Units, which by virtue of these limitations are not redeemed on a particular Business Day, will be carried forward for redemption to the next Business Day, in order of receipt. Redemptions so carried forward will be priced on the basis of the Redemption Price of the Business Day or Non Business Day (if and as applicable) on which redemption is made. Under such circumstances, to the extent multiple redemption requests are received at the same time on a single Business Day, redemptions will be made on pro-rata basis, based on the size of each redemption request, the balance amount being carried forward for redemption to the next Business Day(s).

Also, in the event of an order being received from any regulatory authority/body, directing attachment of the Units of any investor, redemption of Units will be restricted in due compliance of such order.

26. Process for change of address

Investors who wish to change their address have to get their new address updated in their KYC records. Investor will have to submit a KYC Change Request Form in case of individual investors and KYC form in case of non individual investors along with proof of address and submit to any of the AMC Offices or CAMS Investor Service Centers. Based on the new address updated in the KYC records, the same will be updated in the investor folio.

27. Bank Mandate

It is mandatory for every applicant to provide the name of the bank, branch, address, account type and number as per requirements laid down by SEBI and any other requirements stated in the Application Form without these details will be treated as incomplete. Such incomplete applications will be rejected. The Registrar / AMC may ask the investor to provide a blank cancelled cheque or its photocopy for the purpose of verifying the bank account number.

Investor(s) or /Unit Holder(s) are requested to note that any one of the following documents shall be submitted by the investor(s) or /Unit Holder(s), in case the cheque provided along with fresh subscription/new folio creation does not belong to the bank mandate specified in the application form:

1. Original cancelled cheque having the First Holder Name printed on the cheque [or]
2. Original bank statement reflecting the First Holder Name, Bank Account Number and Bank Name as specified in the application [or]
3. Photocopy of the bank statement / bank pass book duly attested by the bank manager and bank seal preferably with designation and employee number [or]
4. Photocopy of the bank statement / passbook / cancelled cheque copy duly attested by the AMC/ CAMS branch officials after verification of original bank statement / passbook / cheque shown by the investor or their representative [or]
5. Confirmation by the bank manager with seal, on the bank's letter head with name, designation and employee number confirming the investor details and bank mandate information.

Where such additional documents are not provided for the verification of bank account for redemption or IDCW payment, the AMC reserves the right to capture the bank account used towards subscription payment for the purpose of redemption and IDCW payments.

A. Multiple Bank Accounts Registration Facility:

In compliance to AMFI Best Practice Guidelines, AMFI circular No. 17/10-11 dated October 22, 2010, the Mutual Fund offers its unitholder facility to register multiple bank accounts for pay-in & payout purposes and designate one of the registered bank account as 'Default Bank Account'. Individuals, HUFs, Sole proprietor firms can register upto five bank accounts and a non- individual investor can register upto ten bank accounts in a folio. This facility can be availed by using a designated 'Bank Accounts Registration Form' available at Investor Service Centers and Registrar and Transfer Agent's offices.

In case of first time investors, the bank account mentioned on the purchase application form, will be treated as default bank account till a separate request to register multiple bank accounts and change the default bank account to any of other registered bank account is submitted by such investor.

Registered bank accounts may also be used for verification of pay-ins (i.e. receiving of subscription funds) to ensure that a third party payment is not used for mutual fund subscription. The default bank account will be used for all IDCW and redemptions payouts unless Unit holder(s) specifies one of the existing registered bank account in the redemption request for receiving redemption proceeds. However, in case Unit holder(s) do not specify the default account, the Mutual Fund reserves the right to designate any of the registered bank accounts as default bank account.

New bank accounts can only be registered using the designated “Bank Accounts Registration Form”. If Unit holder(s) provide a new and unregistered bank mandate or a change of bank mandate request with specific redemption/ IDCW payment request (with or without necessary supporting documents), such bank account will not be considered for payment of redemption/IDCW proceeds, or the Mutual Fund withhold the payment for upto 10 calendar days to ensure validation of new bank mandate mentioned.

Any request without the necessary documents will be treated invalid and will not be acted upon and any financial transaction, including redemptions, will be carried with the previously registered details only. Valid change of bank mandate requests with supporting documents will be processed within ten days of documents reaching the head office of the Registrar and any financial transaction request received in the interim will be carried based on the previously registered details.

This facility is however not available to investors holding Units in dematerialized mode. For such investors bank account details as registered with their respective depository participant shall be considered for various purposes

Bank Account Details / Multiple Bank Account Registration:

It is mandatory for all investors to provide their bank mandate which will be used for payment of redemption/IDCW payout. Applications without the mandatory bank details and supporting documents are liable to be rejected. Investors should ideally mention account details of the same bank account from where the payment towards purchase is made. If the bank account details mentioned are different from purchase pay-in bank, investors should attach a cancelled cheque off the said account with name and account number pre-printed. Should the investor fail to provide the documents, the Fund/AMC/RTA reserve the right to register the pay-in bank details as the redemption bank details and use such bank account for payment of any redemption/IDCW proceeds.

The Mutual Fund offers its Unit holders, facility to register multiple bank accounts for pay-in & payout purposes and designate one of the registered bank account as “Default Bank Account”. This facility can be availed by using a designated “Bank Accounts Registration Form. In case of new investors, the bank account mentioned on the purchase application form used for opening the folio will be treated as default bank account till a separate request to register multiple bank accounts and change the default bank account to any of other registered bank account is submitted by such investor. Registered bank accounts may also be used for verification of payins (i.e. receiving of subscription funds) to ensure that a third party payment is not used for mutual fund subscription.

Change of Bank

New bank accounts can only be registered using the designated “Bank Accounts Registration Form” /’Change of Bank Form’. If Unit holder(s) provide a new and unregistered bank mandate or a change of bank mandate request with specific redemption/ IDCW payment request (with or without necessary supporting documents), such bank account will not be considered for payment of redemption/ IDCW proceeds, or the Mutual Fund withhold the payment for upto 10 calendar days to ensure validation of new bank mandate mentioned. Change of bank mandate would not be processed based on the request submitted along with the redemption request and the investor will have to submit a fresh request for change of bank mandate with supporting documents. Any request without the necessary documents will be treated invalid and will not be acted upon and any financial transaction, including redemptions, will be processed with the existing registered details only. Valid change of bank mandate requests with supporting documents will be processed within ten days of documents reaching the head office of the Registrar and any financial transaction request received in the interim will be carried based on the previously registered details.

B. Change in Bank Account mandate along with Redemption / IDCW proceeds:

Please note the following important points related to payment of redemption/ IDCW proceeds:

- (i) Proceeds of any redemption/IDCW will be sent only to a bank account that is already registered and validated in the folio at the time of redemption / IDCW processing.
- (ii) Unit holder(s) may choose to mention any of the existing registered bank accounts with redemption /IDCW payment request for receiving redemption/IDCW proceeds. If no registered bank account is mentioned, default bank account will be used.
- (iii) If unit holder(s) provide a new and unregistered bank mandate or a change of bank mandate request with a specific redemption / IDCW payment request (with or without necessary supporting documents) such bank account may not be considered for payment of redemption/ IDCW proceeds, or the Mutual Fund may withheld the payment for upto 10 calendar days to ensure validation of new bank mandate mentioned.

Any request without the necessary documents will be treated invalid and will not be acted upon and any financial transaction, including redemptions, will be carried with the previous details only. Valid change of bank mandate requests with supporting documents will be processed within ten days of documents reaching the head office of the Registrar and any financial transaction request received in the interim will be carried based on the previous details.

28. Trading in Units through Stock Exchange Mechanism

The facility of transacting through the stock exchange mechanism enables investors to buy and sell the Units of the Scheme through the stock brokers registered with the BSE and/or NSE and/or or such other recognized stock exchange in accordance with the guidelines issued by SEBI and operating guidelines and directives issued by NSE, BSE or such other recognized stock exchange in this regard and agreed with the Asset Management Company/ Registrar and Transfer Agent. The investor shall be serviced directly by such stock brokers/ Depository Participant. The Mutual Fund will not be in a position to accept any request for transactions or service requests in respect of Units bought under this facility in demat mode. This facility will be offered to investors who wish to hold Units in dematerialized form or in physical mode. Further, the minimum purchase/ redemption amount in the respective plan / option of such notified Scheme of the Fund will be applicable for each transaction. This facility will currently not support transactions done through switches or facilities such as SWP and STP.

In case of non-financial requests/applications such as change of address, change of bank details, etc., investors should approach the respective Depository Participant(s).

Unit holders may have/open a beneficiary account with a Depository Participant of a Depository and choose to hold the Units in dematerialized mode. The Unit holders have the option to dematerialize the Units as per the account statement sent by the Registrar by making an application to the AMC/registrar for this purpose.

Rematerialization of Units can be carried out in accordance with the provisions of SEBI (Depositories and Participants) Regulations, 2018as may be amended from time to time. Investors, who wish to get back their securities in physical form, may request their respective Depository Participant for rematerialization of Units in their beneficiary accounts. The Depository Participant will generate a rematerialization request number and the request will be dispatched to the AMC/ Registrar. On acceptance of request from the Depository Participant, the AMC/Registrar will dispatch the account statement to the investor and will also send confirmation to the Depository participant.

Transactions conducted through the Stock Exchange mechanism shall be governed by the SEBI (Mutual Funds) Regulations 1996 and operating guidelines and directives issued by NSE, BSE or such other recognized exchange in this regard.

Further, in line with SEBI circular No. SEBI/HO/MRD1/DSAP/CIR/P/2020/29 dated February 26, 2020 as amended from time to time, investors can directly buy/redeem units of the Scheme through stock exchange platform

29. Third Party Payment Avoidance & additional documents/declaration required:

In case of subscriptions, the Mutual Fund shall verify the bank account from which the funds have been paid for the subscription. In case it is identified that the funds have not come from the investor's bank account, the subscription will be rejected. Please refer SAI for details.

30. Cash Investments in mutual funds

In order to help enhance the reach of mutual fund products amongst small investors, who may not be tax payers and may not have PAN/bank accounts, such as farmers, small traders/businessmen/workers, SEBI has permitted receipt of cash transactions for fresh purchases/ additional purchases to the extent of Rs. 50,000/- per investor, per financial year shall be allowed subject to:

- i. compliance with Prevention of Money Laundering Act, 2002 and Rules framed there under; the SEBI Circular(s) on Anti Money Laundering (AML) and other applicable Anti Money Laundering Rules, Regulations and Guidelines; and
- ii. Sufficient systems and procedures in place.

However, payment towards redemptions, IDCW, etc. with respect to aforementioned investments shall be paid only through banking channel.

The Fund/AMC is currently in the process of setting up appropriate systems and procedures for the said purpose. Appropriate notice shall be displayed on its website viz. as well as at the Investor Service Centres, once the facility is made available to the investors.

31. Facility to transact in units of the Scheme through MFU portal & MFUI Points of Services pursuant to appointment of MFUI:

DSP Investment Managers Private Limited ("the AMC") has entered into an Agreement with MFUI, for usage of MF Utility ("MFU") - a shared services initiative of various Asset Management Companies, which acts as a transaction aggregation portal for transacting in multiple Scheme of various Mutual Funds with a single form and a single payment instrument.

Investors can execute financial and non-financial transactions pertaining to Scheme of DSP Mutual Fund ("the Fund") electronically on the MFU portal i.e. www.mfuonline.com as and when such a facility is made available by MFUI. The MFU portal i.e. www.mfuonline.com will be considered as Official Point of Acceptance for such transactions.

The Points of Service ("POS") of MFUI with effect from the respective dates as published on MFUI website i.e. www.mfuindia.com against the POS locations will be considered as Official Point of Acceptance/ Investor Services Centre where application for financial transactions in Scheme of the Fund will be accepted on an ongoing basis. Further, investors can also submit their non-financial transaction requests at the POS.

The salient features of the facility to transact in units of the Scheme through MFU are given below:

1. Common Account Number ("CAN"): Investors are required to submit duly filled in CAN Registration Form ("CRF") and prescribed documents at the MFUI POS to obtain CAN. The CRF can be downloaded from MFUI website i.e. www.mfuindia.com or can be obtained from MFUI POS.
2. CAN is a single reference number for all investments in the Mutual Fund industry, for transacting in multiple Scheme of various Mutual Funds through MFU and to map existing investments, if any. MFU will map the existing folios of investors in various Scheme of Mutual Funds to the CAN to enable transacting across Scheme of Mutual Funds through MFU. The AMC and / or its Registrar and Transfer Agent (RTA) shall provide necessary details to MFUI as may be needed for providing the required services to investors/ distributors through MFU. CAN registered investors can transact in physical mode through MFUI POS by submitting relevant Common Transaction Form prescribed by MFUI.
3. CAN registered investors can transact through electronic mode through MFU portal i.e. www.mfuonline.com as and when such a facility is made available to them by MFUI. The time of transaction submission done through MFU portal i.e. www.mfuonline.com and the successful receipt of the same in the servers of MFUI would be the time-stamp for the transaction.
4. Investors not registered with MFUI can also submit their financial & non-financial transactions request at MFUI POS by giving reference of their existing folio number allotted by the Fund.

5. The transactions on the MFU portal shall be subject to the terms & conditions as may be stipulated by MFUI / Mutual Fund / the AMC from time to time.
6. All other terms and conditions of offering of the Scheme of the Fund as specified in the Scheme Information Document (“SID”), Key Information Memorandum (“KIM”) and Statement of Additional Information (“SAI”) shall be applicable to transaction through MFUI.

32. Nomination for Mutual Fund Unit Holders

Any person entitled to receive any sum or income or amount, on which tax is deductible under Chapter XVIIIB (hereafter referred to as deductee), shall furnish his Permanent Account Number to the person responsible for deducting such tax (hereafter referred to as deductor), failing which tax shall be deducted at the higher of the following rates, namely:

- (i) at the rate specified in the relevant provision of this Act; or
- (ii) at the rate or rates in force; or
- (iii) at the rate of twenty per cent.

The aforesaid provision dealing with higher taxation in the absence of furnishing Permanent Account Number shall not apply to a non-resident with effect from 1st June, 2016 on furnishing the following details and documents by such non-resident:

- (i) name, e-mail id, contact number;
- (ii) address in the country or specified territory outside India of which the non-resident is a resident;
- (iii) a certificate of his being resident in any country or specified territory outside India from the Government of that country or specified territory if the law of that country or specified territory provides for issuance of such certificate;
- (iv) Tax Identification Number of the non-resident in the country or specified territory of his residence and in case no such number is available, then a unique number on the basis of which the non-resident is identified by the Government of that country or the specified territory of which he claims to be a resident.

The Finance Act 2021 has also introduced special provisions for higher rate of TDS applicable in case of non-filer of Income tax return.

In case of investments by NRIs in closed ended funds during NFO, at the time of redemption of units, TDS will be deducted at the applicable rate. However, in respect of those Unit Holders who have acquired the units on the Stock Exchange post listing of units, the Unit Holders would need to provide a certificate from a Chartered Accountant certifying the details of acquisition of units to the Fund within two days of maturity of the Scheme, so as to enable the Fund to deduct TDS at the applicable rates. In the event of such details not being provided, the Fund would deduct TDS on the redemption proceeds at the highest rate of TDS applicable.

For further details on taxation please refer to the clause on Taxation in the SAI.

D. COMPUTATION OF NAV

The NAV of the Units of a Scheme will be computed by dividing the net assets of the Scheme by the number of Units outstanding on the valuation date

NAV of Units under each Scheme may be calculated by either of the following methods shown below:

$$\text{NAV (Rs.)} = \frac{\text{Market or Fair Value of Scheme's investments} + \text{Current Assets} - \text{Current Liabilities and Provisions}}{\text{No. of Units outstanding under the Scheme}}$$

$$\text{NAV (Rs.)} = \frac{\text{Capital + Reserves \& Surplus}}{\text{No. of Units outstanding under the Scheme}}$$

N.B.: The aforesaid provisions pertaining to “Calculation of NAV” shall apply in respect of each individual Scheme and/or plan as the case may be.

The NAV will be calculated as of the close of every Business Day. NAVs will be rounded off to three decimal places. The valuation of the Schemes’ assets and calculation of the Schemes’ NAVs shall be subject to audit on an annual basis and such regulations as may be prescribed by SEBI from time to time.

Note: In respect of Schemes having Growth and IDCW Options, there will be more than one NAV, one for each Option, after the declaration of the first IDCW by that Scheme

SECTION IV - FEES AND EXPENSES

This section outlines various expenses that will be borne by the Scheme. The information provided below would assist the investor in understanding the expense structure of the Scheme, types of different fees / expenses, their percentage the investor is likely to incur on purchasing and selling the Units of the Scheme

A. NFO EXPENSES

These expenses are incurred for the purpose of various activities related to the NFO like sales and distribution fees paid, marketing and advertising, registrar expenses, printing and stationery, bank charges etc. all such expenses are borne by AMC.

B. ANNUAL SCHEME RECURRING EXPENSES

These are the fees and expenses incurred for operating the Scheme. These expenses include and are not limited to Investment Management and Advisory Fee charged by the AMC, Registrar's fee, Marketing and selling costs etc., as given in the Table 2 which summarizes estimated annualized recurring expenses as a % of daily net assets of the Scheme.

On balance of the assets	1.05%	0.05%	0.30%

Notes to Table 1:

^In addition to expenses as permissible under Regulation 52 (6) (c), the AMC may also charge the following to the Scheme of the Fund under Regulation 52 (6A):

- Brokerage and transaction costs which are incurred for the purpose of execution of trade and is included in the cost of investment, not exceeding 0.12 per cent in case of cash market transactions and 0.05 per cent in case of derivatives transactions.

It is clarified that the brokerage and transaction cost incurred for the purpose of execution of trade over and above the said 0.12 percent and 0.05 percent for cash market transactions and derivatives transactions respectively may be charged to the Scheme within the maximum limit of Total Expense Ratio (TER) as prescribed under regulation 52 of the SEBI (Mutual Funds) Regulations, 1996.

- b. Additional expenses up to 0.30 per cent of daily net assets of the concerned Schemes of the Fund if new inflows from such cities as may be specified by Regulations from time to time are at least:
 - i. 30 per cent of gross new inflows from retail investors* in the concerned Scheme, or;
 - ii. 15 per cent of the average assets under management (year to date) of the concerned Scheme, whichever is higher.

Provided that if inflows from such cities is less than the higher of (i) or (ii) mentioned above, such expenses on daily net assets of the concerned Scheme shall be charged on proportionate basis.

* Inflows of amount upto Rs 2,00,000/- per transaction, by individual investors shall be considered as inflows from “retail investors”.

The additional expenses charged shall be utilized for distribution expenses incurred for bringing inflows from such cities. The additional expense charged to the Scheme on account of inflows from such cities shall be credited back to the concerned Scheme in case such inflows are redeemed within a period of one year from the date of investment.

- c. Additional expenses not exceeding 0.05 % of daily net assets of the scheme as per Regulation 52(6A)(c). Provided that such additional expenses shall not be charged to the schemes where the exit load is not levied or applicable

GST on investment and advisory fees:

- a) AMC may charge GST on investment and advisory fees of the Scheme in addition to the maximum limit of TER as per the Regulation 52(6) and (6A).
- b) GST on expenses other than investment and advisory fees: AMC may charge GST on expenses other than investment and advisory fees of the Scheme, if any within the maximum limit of TER as per the Regulation under 52(6) and (6A).
- c) GST on brokerage & transaction cost: GST on brokerage and transaction costs which are incurred for the purpose of execution of trade, will be within the limit of expenses as per the Regulation 52(6) and (6A).

Others:

In accordance with SEBI circular dated October 22, 2018, all scheme related expenses including commission paid to distributors, by whatever name it may be called and in whatever manner it may be paid, shall be paid from the scheme only within the regulatory limits and not from the books of the AMC, or by the trustee or sponsors.

Provided that the expenses that are very small in value but high in volume (as provided by AMFI in consultation with SEBI) may be paid out of AMC’s books. Such expenses can be paid out of AMC’s books at actuals or not exceeding 2 bps of the Scheme AUM, whichever is lower.

Further with regards to the cost of borrowings in terms of Regulation 44(2), the same shall be adjusted against the portfolio yield of the Scheme and borrowing costs in excess of portfolio yield, if any, shall be borne by the AMC.

Disclosure relating to changes in TER:

In accordance with SEBI circulars viz. SEBI/HO/IMD/DF2/CIR/P/2018/18 dated February 5, 2018 and

SEBI/HO/IMD/DF2/CIR/P/2018/91 dated June 5, 2018, the AMC shall prominently disclose TER on daily basis on the website www.dspim.com. Further, changes in the base TER (i.e. TER excluding additional expenses provided in Regulation 52(6A)(b), 52(6A)(c) of SEBI (Mutual Funds) Regulations, 1996 and Goods and Services Tax on investment and advisory fees) in comparison to previous base TER charged to any scheme/plan shall be communicated to investors of the scheme/plan through notice via email or SMS at least three working days prior to effecting such change.

The notices of change in base TER shall be updated on the website at least three working days prior to effecting such change Provided that any decrease in TER in a mutual fund scheme due to various regulatory requirements, would not require issuance of any prior notice to the investors.

The prior intimation/notice shall not be required for any increase or decrease in base TER due to change in AUM and any decrease in base TER due to various regulatory requirements.

A. Illustrative example for estimating expenses for a scheme with corpus of 100 crores:

The AMC in good faith has estimated and summarized in the below table for each Scheme, the expenses on a corpus size of Rs. 100 crores. The actual total expenses may be more or less than as specified in the table below. The below expenses are subject to inter-se change and may increase/decrease as per actuals, and/or any change in the Regulations.

* The Trusteeship fees as per the provisions of the Trust Deed are subject to a maximum of 0.02% of the average net Trust Funds per annum. It has been decided by the Trustee to charge the Trusteeship Fees in proportion to the net assets of each of the Scheme of the Mutual Fund. The Trustee reserves the right to change the method of allocation of Trusteeship fees for the Scheme, from time to time.

§The nature of expenses can be any permissible expenses including management fees.

The goods and service tax on Investment Management and Advisory fees will depend on the total amount charged as Investment Management and Advisory fees. Currently it is chargeable at 18% on Investment Management and Advisory Fees.

Expense Structure for Direct Plan -

Direct Plan will have lower expense ratio than Regular Plan of the Scheme. The expenses under Direct Plan shall exclude the distribution and commission expenses and additional expenses for gross new flows from specified cities under regulation 52(6A)(b). All fees and expenses charged in a direct plan (in percentage terms) under various heads including the investment and advisory fee shall not exceed the fees and expenses charged under such heads in a Regular Plan.

The above expense structures are indicative in nature. Actual expenses could be lower than mentioned above.

The purpose of the above table is to assist the investor in understanding the various costs & expenses that the investor in the Scheme will bear directly or indirectly.

For the actual current expenses being charged, the investor should refer to the website of the Mutual Fund.

B. Illustration of impact of expense ratio on scheme's returns:

Particulars	NAV p.u. in Rs.	%
(A) Opening NAV at the beginning of the year	100.00	
(B) Annual income accrued to the scheme	15	15%
(C) Annual expense charged by the scheme	1.75	1.75%
(D) Closing NAV at the end of the year (D=A+B-C)	113.25	
(E) Net annual return to investors (E=D-A)	13.25	13.25%

C. LOAD STRUCTURE

Load is an amount which is paid by the investor to subscribe to the Units or to redeem the units from the Scheme. Load amounts are variable and are subject to change from time to time. For the current applicable structure, investors may refer the website of the AMC www.dspim.com or call at 1800-200-44-99 (toll free) or may contact their distributor.

Entry Load - Not Applicable

Exit Load[#] - Nil

[#]Applicable for investments made through normal purchase and SIP/STP/SWP transactions.

Please note, that for the purpose of calculating the holding period each investment/transaction made into a Scheme will be tracked separately. Investors are advised to contact any of the Investor Service Centres or the AMC to know the latest position on Exit Load structure prior to investing in the Scheme.

Note on load exemptions:

1. No Entry Load will be charged with respect to applications for purchase/additional purchase/switch-in and applications for registration of SIP/STP, accepted by the Mutual Fund.
2. There will be no Exit Load on inter-option switching.
3. No load will be charged on issue of bonus Units and Units allotted on reinvestment of IDCW for existing as well as prospective investors.

4. No exit load shall be levied in case of switch of investments from Direct Plan to Regular Plan and vice versa

Exit load charged (if any) shall be credited to the Scheme. The GST on exit load shall be paid out of the exit load proceeds and exit load net of GST shall be credited to the Scheme.

Investors may note that the Trustee has the right to modify the existing load structure, subject to a maximum as prescribed under the SEBI (MF) Regulations. Any imposition or enhancement in the load shall be applicable on prospective investments only. At the time of changing the load structure, the AMC shall consider the following measures to avoid complaints from investors about investment in the Scheme without knowing the loads:

- (i) Addendum detailing the changes will be attached to the SID and Key Information Memorandum (KIM). The addendum may be circulated to all the distributors/brokers so that the same can be attached to all SIDs and KIMs already in stock.
- (ii) Arrangements will be made to display the addendum to the SID in the form of a notice in all the ISCs/offices of the AMC/Registrar.
- (iii) The introduction of the Exit Load along with the details may be stamped in the acknowledgement slip issued to the investors on submission of the application form and will also be disclosed in the statement of accounts issued after the introduction of such load.

Investors are requested to check the prevailing load structure of the Scheme before investing.

Exit load charged shall be credited to the scheme. The GST on exit load shall be paid out of the exit load proceeds and exit load net of GST shall be credited to the concerned scheme.

No Exit Load will be charged in respect of any Plan, if the Units are redeemed at the discretion of the Mutual Fund, where the value of the balance Units in that Scheme/ Plan (in a particular folio) falls below Rs. 500/- in any scheme and in any Plan and at least 6 months have elapsed since his/her/its first investment in that Plan.

D. WAIVER OF LOAD FOR DIRECT APPLICATIONS

Pursuant to SEBI circular no. SEBI/IMD/CIR No.4/168230/09 dated June 30, 2009 no entry load shall be charged for all mutual fund schemes.

Therefore, the procedure for waiver of load for direct applications is no longer applicable.

E. TRANSACTION CHARGE

In accordance to SEBI circular no. Cir/ IMD/ DF/13/ 2011 dated August 22, 2011, transaction Charges on purchase/subscription received from first time mutual fund investors and investor other than first time mutual fund investors through the distributor/agent (who have opted to receive the transaction charges) shall be deducted by the AMC from the subscription amount and paid to the distributor and balance shall be invested, as under:

- (i) First Time Mutual Fund Investor (across Mutual Funds):
Transaction charge of Rs. 150/- for subscription of Rs. 10,000 and above will be deducted from the subscription amount and paid to the distributor/agent (provided the distributor has Opt-In for this charge cum facility) of the first time investor and the balance shall be invested.
- (ii) Investor other than First Time Mutual Fund Investor:
Transaction charge of Rs. 100/- per subscription of Rs. 10,000 and above will be deducted from the subscription amount and paid to the distributor/agent (provided the distributor has Opt-In for this charge cum facility) of the investor and the balance shall be invested.

However, transaction charges in case of investments through Systematic Investment Plan (SIP) shall be deducted only if the total commitment (i.e. amount per SIP installment x No. of installments) amounts to Rs. 10,000/- or more. The Transaction Charges shall be deducted in 3 or 4 installments.

- (iii) Transaction charges shall not be deducted/applicable for:
- a. purchases /subscriptions for an amount less than Rs. 10,000/-;
 - b. Transaction other than purchases/subscriptions relating to new inflows such as Switch/STP/ IDCW Transfer, etc.
 - c. purchases/subscriptions made directly with the Mutual Fund without any ARN code (i.e. not routed through any distributor/agent);
 - d. Transactions carried out through the stock exchange mode.

The statement of account shall clearly state that the net investment as gross subscription less transaction charge and give the number of units allotted against the net investment.

As per SEBI circular no. SEBI/IMD/CIR No. 4/ 168230/09, dated June 30, 2009, upfront commission to distributors shall continue to be paid by the investor directly to the distributor by a separate cheque based on his assessment of various factors including the service rendered by the distributor.

The AMC shall deduct the Transaction charges on purchase/subscription of Rs, 10, 000/- and above received from first time mutual fund investors and investors other than first time mutual fund investors through the distributor/agent based on the type of product opted-in by the distributor to receive transaction charges.

F. STAMP DUTY

Investors / Unit Holders of all the scheme(s) of DSP Mutual Fund are advised to take note that, pursuant to notification no. S.O. 4419(E) dated December 10, 2019 read with notification no. S.O. 115(E) dated January 08, 2020 and notification no. S.O. 1226(E) dated March 30, 2020 issued by Department of Revenue, Ministry of Finance, Government of India, read with Part I of Chapter IV of Notification dated February 21, 2019 issued by Legislative Department, Ministry of Law and Justice, Government of India on the Finance Act, 2019, applicable stamp duty would be levied on mutual fund investment transactions with effect from July 1, 2020.

Accordingly, pursuant to levy of stamp duty, the number of units allotted on purchases, switch-ins, SIP/STP installments, (including IDCW reinvestment) to the unit holders would be reduced to that extent.

SECTION V. RIGHTS OF UNITHOLDERS

Please refer to SAI for details.

SECTION VI. PENALTIES AND PENDING LITIGATION

Penalties and pending litigation or proceedings, findings of inspections or investigations for which action may have been taken or is in the process of being taken by any regulatory authority

1. Details of all monetary penalties imposed and/ or action taken during the last three years or pending with any financial regulatory body or governmental authority, against Sponsor(s) and/ or the AMC and/ or the Board of Trustees /Trustee Company; for irregularities or for violations in the financial services sector, or for defaults with respect to share holders or debenture holders and depositors, or for economic offences, or for violation of securities law. Details of settlement, if any, arrived at with the aforesaid authorities during the last three years:

None.

2. Details of all enforcement actions taken by SEBI in the last three years and/ or pending with SEBI for the violation of SEBI Act, 1992 and Rules and Regulations framed there under including debarment and/ or suspension and/ or cancellation and/ or imposition of monetary penalty/adjudication/enquiry proceedings, if any, to which the Sponsor(s) and/ or the AMC and/

or the Board of Trustees /Trustee Company and/ or any of the directors and/ or key personnel (especially the fund managers) of the AMC and Trustee Company were/ are a party:

An Adjudication Order dated December 29, 2022 has been issued in the matter of practice of charging total expense ratio to AMC books by DSP Mutual Fund in case of DSP Nifty 50 ETF. Pursuant to said order, a monetary penalty of Rs. One lakh each has been imposed on DSP Investment Managers Private Limited and DSP Trustee Private Limited.

3. Any pending material civil or criminal litigation incidental to the business of the Mutual Fund to which the Sponsor(s) and/ or the AMC and/ or the Board of Trustees /Trustee Company and/ or any of the directors and/ or key personnel are a party:
 - On January 21, 2020, the AMC filed a plaint in the Honorable High Court of Judicature at Bombay, Ordinary Original Civil Jurisdiction in its Commercial Division a suit for infringement of trademark and passing off (Category Code no.1017 Act Code No.87) against DSP Realty, a proprietary concern of Shrikant Bhausahub Pawar ('Defendant'). The mentioned suit was filed inter-alia for the acts of infringement, passing off and damages by the Defendant, whose trade mark is deceptively similar to the AMC's registered DSP marks. On February 04, 2020, the Honorable High Court granted ad-interim relief restraining the Defendant from using of trademark.
 - AMC holds non-convertible debentures issued by Accelerating Education and Development Private limited (AEDPL), a Resonance group entity vide Debenture Trust Deed dated November 10, 2016. AEDPL defaulted in repayment of redemption amount. AMC filed a petition under section 9 of the Arbitration and Conciliation Act, 1996 before the Delhi High Court seeking interim reliefs inter alia in the nature of non-alienation of assets for securing the entire amount of Rs. 144,76,82,011/- due and payable by Resonance Group to AMC. The Delhi High Court was pleased to issue notice to the petition under section 9. AEDPL and other Resonance group entities have undertaken not to alienate their assets. The pleadings stand completed and the matter is ripe for arguments. The matter is listed for hearing on 18th July 2023.
4. Any deficiency in the systems and operations of the Sponsor(s) and/ or the AMC and/ or the Board of Trustees/Trustee Company which SEBI has specifically advised to be disclosed in the SID, or which has been notified by any other regulatory agency:

None.

Notwithstanding anything contained in this SID, the provisions of the SEBI (MF) Regulations, 1996 and the guidelines there under shall be applicable.
